Subject: Thanks for Your Support

Hi Name,

As a fellow Florida patriot, I just wanted to take a moment to thank you for signing the

petition expressing your interest and support of Article V Convention of States (COS)!

We are living in historic times – our federal government is out of control! The time for which the Founding Fathers gave us the Article V remedy is here! Please consider becoming a volunteer as we are revving up to activate our grassroots army. Silence is no longer an option, and one person does make a difference!

Just reply, and say YES if you are ready to volunteer to stand with us when asked to make a call, email, or contact your legislators. I'll be back in touch with you about what you can do NOW!

EMAIL #2 SEND TO: NO DC, No Phone, Yes Volunteer, Signed Petition – *also YES replies to Email #1*

SUBJECT: Thanks for standing with us!

Hi Name,

How great to have you stand with our Florida Article V Convention of States (COS) team as a volunteer! We are making a great effort to let all concerned Americans who

are dismayed with what's happening to our great country know there IS something WE can do about it! Here's what YOU can do NOW:

If you haven't already, please go to the [Convention of States website](#) and learn more about an Article V COS to share with all your friends. Thomas Jefferson said, "*An educated citizenry is a vital requisite for our survival as a free people.*"

THEN, help us spread the news about COS! Copy this <http://www.cosaction.com> link, paste and send it in an email to your family and friends not just locally, but across America. Post it on your facebook page and/or tweet it out. This link will take them to the COS website to sign the petition which goes directly to their state legislators! State legislatures across the country are preparing for their next legislative session. We need to do everything we can to notify all those legislators *we want a COS!*

We do not have a District Captain for your legislative district at the moment. Is it possible you might consider joining our Florida COS team in that position? If so, we'd like to talk with you about it. Just let me know, and we'll set up a good time. Thank you again for standing with us!
