CONVENTION OF STATES

A PROJECT OF CITIZENS FOR SELF-GOVERNANCE

END WASHINGTON'S OVERREACH

Washington, DC, will never voluntarily relinquish power. Article V of the Constitution offers the single best remedy for the crisis our nation is facing. The most important thing you can do to be a part of the solution is to tell your elected state legislators your position. **Please ACT now and sign the petition below.** Thank you for your commitment to restore constitutional government.

Dear [Legislator],

Almost everyone knows that our federal government is on a dangerous course. The unsustainable debt combined with crushing regulations on states and business is a recipe for disaster. What is less known is that the Founders gave state legislatures the power to act as a final check on abuses of power by Washington, DC. Article V of the US Constitution authorizes the state legislatures to call a convention for proposing needed amendments to the Constitution.

Citizens for Self-Governance has launched the Convention of States Project to call an Article V convention to propose only amendments that would impose fiscal restraints on the federal government, limit its power and jurisdiction, and impose term limits on its officials and members of Congress.

I support this approach. I want our state to be one of the necessary 34 states to pass a resolution calling for this kind of Article V Convention. You can find a copy of the model resolution and the Handbook for Legislators and Citizens (which explains the process and answers many questions) here: http://www.conventionofstates.com/handbook_pdf

I ask that you support the Convention of States Project and consider becoming a co-sponsor of the resolution. Please respond to my request by informing the national COS team of your position, or sending them any questions you may have:

info@conventionofstates.com or (540) 441-7227.

Thank you so much for your service to the people of our district.

Respectfully
