Rick --

Thank you for your work to protect and promote Liberty in our nation!

As several of you have expressed that you will be traveling today and tomorrow, we will cancel the calls this week and set our sights on next week!

I would like to share a special gift with you and that is [Thomas Paines' "These are the times that try men's souls."](#)

*Even though, from Florida, we ARE "Sunshine" patriots, we will NOT "in this crisis, shrink from the service of their country; but he that stands by it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly: it is dearness only that gives every thing its value. Heaven knows how to put a proper price upon its goods; and it would be strange indeed if so celestial an article as FREEDOM should not be highly rated. Britain, with an army to enforce her tyranny, has declared that she has a right (not only to TAX) but "to BIND us in ALL CASES WHATSOEVER" and if being bound in that manner, is not slavery, then is there not such a thing as slavery upon earth. Even the expression is impious; for so unlimited a power can belong only to God."*

**Please use this hour to reach out to your volunteers!** Next week we will continue our study of the Constitution in Article I.

Thank you for your tireless work and I know that you agree with me and our Floridian Founding Fathers who said in our Floridian Constitution:

*"We, the people of the State of Florida, being grateful to Almighty God for our constitutional liberty..."* ~Preamble of the FL Constitution

Thankfully serving you,
