

1 OUR MISSION

OUR MISSION: TO SUPPORT, PROMOTE, AND DEFEND THE CONVENTION OF STATES MESSAGE VIA BLOGS, SOCIAL MEDIA, AND ONLINE PUBLICATIONS.

SUPPORT - Scour the internet for pro - Article V/Convention of States content. Alert national when positive content is found, and leave a supportive comment.

PROMOTE - Get out the word about the Convention of States Project and recruit new supporters. Raise awareness when important legislative call-to-actions are in play.

DEFEND - Search the internet for negative Article V/Convention of States content. Alert national when negative content is found, and respond to the article with pro Convention of States arguments.

2 WORKING AS A WARRIOR

When you're a warrior - life is simple. No mandatory conference calls. No wading through millions of emails. You'll receive exclusive access to the SMW War Room.

Log-in to the War Room to utilize these core features...

- **Find Your Next Mission Assignment** – The War Room houses all of our active Missions with detailed instructions for each hit. Just log-in, check the Mission Log, and get started!
- **Confirm Your Hits** - Next to each mission, click on the “hit needed” button to confirm that you’ve completed the hit.
- **Submit New Mission** - Find an article or post you think other SMWs should hit? Use this tool to add it to the Mission Log.
- **Leaderboard** - Track your hits, and see how you stack up with other SMWs on our Leaderboard.
- **Weaponry Resources** - We’ve preloaded links to documents that we think you’ll find useful when responding to opposition.

- **Text Alerts** - Sign-up to receive automatic text/email updates when a new mission is added to the war room. (We highly recommend signing up for text alerts, as emails are easy to miss in spam filters.)
- **Chat Room** - Connect with other SMWs in our exclusive chat room!

Life is simple as a warrior, but we do ask that you complete at least one hit on the Mission Log every two weeks. **Any accounts that are inactive for two weeks will be automatically removed from the system.**

3 REMEMBER: ALWAYS BE NICE

No matter how infuriating an article may be, it's our duty to kindly point readers back to the truth that lies in the Constitution. The facts are on our side. There's no need to resort to name calling or foul language – those are the tactics of people who know they stand on sinking sand. We have no reason to fear or lash out in anger. We stand on the strong foundation of the Constitution, partnered with thousands of pages of research, and the consensus of our nation's top Constitutional minds. So let's go out and be advocates for truth.

4.1 FURTHER EXPLANATION: WHAT'S THE PATRIOT GAMES?

The Patriot Games is the name of our online volunteer action center that hosts the Social Media War room. So, if you see anything labeled "Patriot Games", or if you hear folks talking about it... just know that it's the website that hosts our exclusive war room. (It also has a lot of other great tools that are intended to help engage and grow our grassroots army!)

To stay plugged in with our SMW program, you'll log into the Patriot Games, and click on the "Social Media War" tab on the top menu. Everything you'll need as an SMW is hosted on that page. It's as simple as that!
