Dear Author,

Digital publishing made easy, fast and affordable – that what we’re all about. With BookBaby you can write your book and publish it right away– and get instant access to the global marketplace.

In the next few pages you’ll learn what BookBaby offers, but here are some highlights:

- We’ll take care of all your file conversion needs. Our Standard Package is just \$149, which includes basic ePub and .mobi conversion, a 14-point eBook conversion checklist, and more.
- Within a few weeks your eBooks will be distributed on the world’s largest digital platforms, including Amazon, Apple’s iBookstore, Barnes & Noble and many more.
- You keep all your eBook revenues - 100% of your net sales – sent directly to your bank account.
- Order as few as 50 high-quality printed books, backed with a 100% satisfaction guarantee.
- Maybe best of all – we offer real live humans manning customer service support lines for all your publishing needs. You can call us toll free, Monday-Friday, 9 am to 5 pm PST for answers to all your questions.

Thousands of authors have chosen BookBaby, in part because we’ve got years of experience in the digital distribution world. Our sister company CD Baby has paid over \$250 million dollars to indie musicians since 1998, selling their music on iTunes and many other outlets.

So check us out online, or give us a call. We’re friendly and easy to work with, and you can count on us to get the job done for you.

Best wishes,

Brian Felsen,
President, BookBaby

P.S. If you’re a publisher with multiple titles, contact us about volume-discounted distribution credits

Sell your eBooks around the globe

Sell your eBook on the biggest retailers in the world, in 29 countries. Join the **world's largest eBook distribution network** for independent authors. How big is it?

- From Athens to Zurich, Apple's popular **iBookstore** now sells your eBook in 29 countries and 16 languages.
- Everyone knows **Amazon** is the world's largest online retailer, and your eBook is available on the popular Kindle and new Kindle Fire in seven countries.
- **Barnes & Noble** features its popular Nook reader and gives authors new sales opportunities inside its brick-and-mortar stores, while Sony's Reader Store attracts readers from across the U.S. and Canada.
- **Kobo** sells your eBook in a whopping 200 countries and incorporates innovative social interaction in the buying process.
- **Baker & Taylor** is a leading distributor of books, videos and music products to more than 36,000 libraries, institutions and retailers in more than 120 countries.

And we're continually adding more eBook stores to increase your sales reach.

New! Author's Accounting Dashboard

BookBaby's new **Accounting Dashboard** puts authors in complete control. Now we've made it easier to track and download sales information with:

Simple, easy to use navigation. Guided by a new main toolbox section and simplified layout, BookBaby authors can get to all the important details in just a few clicks.

Downloadable reports. Now you can export all your sales and payment data - including data on the eBook, sales date, author, partner stores, and amount earned - into Excel or any other spreadsheet program.

Slice, dice and sort. Now you can select any data points with our new, improved filter functionality.

The screenshot shows the 'My Account | Accounting Overview' page. It includes a 'Summary' section with 'Total Sales' and 'Total Payments' values. Below is a 'Sales' section with a 'Filter sales' button. The 'Sales data' table has columns for 'Sales date', 'Author', 'eBook title', 'ISBN', 'Partner', 'Qty', 'Partner per sale', and 'Total earned'. The 'Author's ebook' section contains various settings like 'Defaultes Book', '24 Hours Drive Recaps', '8 Day to Empty Booklet', 'Pay Per Loan Full Launch', 'John Doe and Jane Doe', 'Bookings & Renewal', 'New Shoppings', 'Create Public Schools', 'Study Shoppings', 'Items on Sale', and 'Repeat Book Classes'.

"BookBaby should be called 'Book Giant'. It has taken me into the digital age and provided a smooth way to get my murder mystery Death by Deadline into all the key platforms. I have seen the future of online publishing and it is BookBaby. I can't say enough about the high standards of BookBaby and the wonderful and courteous professional I have worked with."

Larry Kane,
TV Anchorman,
New York Times Best Selling Author

"BookBaby is my choice when it comes to creating and distributing my eBooks."

DeWitt Jones
World-rekowned photojournalist for National Geographic and Academy Award nominated filmmaker

"I am truly impressed. I was skeptical about the quality I would receive for \$199, but figured it would be worth a shot to see what you could create. You exceeded my expectations exponentially."

Michael Adele
The God of Our Ancestors

"I just purchased the Kindle edition of our new eBook and viewed the iBooks sample, and it looks beautiful! The images turned out well. Thank you for doing such a great job and making it so easy for us."

Mary Evelyn Notgrass
Katy

"My experience with BookBaby was nothing short of wonderful. My book was not an easy task. Their customer service is excellent. They worked with me on every level, from reformatting to taking the time to make last-minute corrections. I found them to be the most affordable and expedient. The quality of printing and color exceeded my expectations!"

Carol Levow
Dare to Paint

"I wanted to tell you what a special group of guys you have in your support staff. I am really new to this whole self-publishing arena, but not at all new to working with support staffs.... BookBaby support has made my whole experience with my book not only simple, but they have provided this service with kindness, understanding and humor."

K. G. White
Hero O'Reilly and The Phantom Hacker

"I've found BookBaby to be a professional and convenient way to distribute my novels for eReaders. I have recommended their service to other authors and will continue to do so."

Valerie Wilcox
Sins of Silence

"BookBaby has been a godsend. I like that they communicate with you directly and often, and give you the assurance that the job will be done right and timely. You don't feel like just another customer. You feel like you're focused upon until the job is done. I am truly a satisfied customer and will be turning to them again and again for their expertise and courtesy!"
