So you're interested in becoming a Eclipse DJ?

Thank you for your interest in Eclipse Radio- the Radio station of choice on Portal of Dreams.

There are a set of guidelines to be aware of before applying to be a DJ- if you can answer **"YES"** to all of these questions then you are just the sort of person that we are looking for!

-Questionnaire-

1. First and foremost- a love of music is a must have right along with the gift of Gab. **Can you honestly describe yourself as a Music Lover?**
2. Since Eclipse Radio is part of the PoD family we ask that our DJ's be active site members. **Are you a portal of Dreams chatter as well as a paid site member?**
3. We depend on our DJ's, if you agree to a steady time slot. **Can you commit to that time slot as part of your DJ duties?**
4. There might be times when "no one" seems to be listening, we need someone with the determination to keep broadcasting. **Will you be able to actively seek out listeners?**
5. Our listeners love to send in requests! since they are the driving force behind our station. **Will you be able to download a requested song [if you don't already have it], and play it for the audience in a timely manner?**
6. Our listeners are a diverse bunch, just like the chatters here on Portal of Dreams, and there is always the possibility that the songs they want to hear are wildly different from the ones you normally listen to, being able to tolerate all genres of music [IE: Rap, Rock, Metal, Country, Rave and many more] is a must! **Can you set your own preferences aside to play a song you don't necessarily care for upon request?**
7. It is said that a party just isn't a party without the music playing, and the events here on Portal of Dreams are like big Parties where everyone is invited! **Are you willing to represent the station, by**
