## SUNDAY

On Dec. 14, 2013, at the Best Buy Theater, Jameis Winston flashed his charismatic smile and accepted the 2013 Heisman Memorial Trophy Award presented by the Heisman Trophy Trust, adding another victory to the No. 1-ranked Florida State football team's historic undefeated season.

The redshirt freshman quarterback from Bessemer, Ala., became the 79th recipient of the award given to the nation's most outstanding college football player. He was just the second freshman to nab the honor, joining 2012 winner Johnny Manziel of Texas A&M. Winston was also the third Seminole to win the stiff-arm statue, entering the illustrious fraternity with 1993 winner Charlie Ward and 2000 honoree Chris Weinke. Winston received 668 first-place votes, the ninth-most in Heisman history, and captured college football's biggest prize by the seventh largest margin ever.

At 19 years, 342 days old, Winston is now the youngest Heisman Trophy winner, too.

Winston had one of the most impressive seasons ever by a quarterback in college football history, leading Florida State to a 14-0 record and the VIZIO BCS National Championship.

When he wasn't perfecting his "Houdini" act, escaping defensive linemen trying for the sack and zipping touchdown passes with pinpoint accuracy, Winston was inspiring his teammates like a veteran leader much older than his 19 years of age with pregame speeches such as the now famous "If we goin' do it then, we do it big then" line before the Seminoles dominated then-No. 3 Clemson on the road in Death Valley.

Winston repeated that line at the end of his Heisman acceptance speech, and added to his rookie season lore by leading the Seminoles to a come-from-behind victory in the national championship game – throwing the game-winning touchdown pass with just 13 seconds left.

### Video Services

Florida State's Sports Information Office has the ability to assist networks and television stations by providing video services through Seminole Productions, Inc. (SPI). Please call general manager Mark Rodin at (850) 644-6275 to arrange for these services. For video footage, contact T3Media at T3media.com.

### XOS Digital Exchange

The Florida State Sports Information Office has partnered with XOS Digital in order to provide over-the-air television stations with instantaneous access to video content. The partnership involves the use of the company's Digital Media Xchange Server that will allow television stations to pull down video content year round. The data transfer speed is much faster than a traditional FTP service allowing very large files to be downloaded in just minutes.

The password protected video FTP site will be hosting Monday press conferences with Florida State Football Head Coach Jimbo Fisher and the starting quarterback and a Thursday Jimbo Fisher interview.

If you have an interest in creating an account that gives you access to the video weekly, please email Elliott Finebloom (efinebloom@fsu.edu). If you are looking for access just for a particular game week, please email prior to that game to set up a guest account.

### Social Media

Florida State Sports Information is making a continued effort in 2014-15 to utilize social media outlets as another way of passing information to our fans and those who cover our programs. FSU Football's twitter account @FSU\_Football and Instagram feed @fsufootball provide updated information and behind-the-scenes news as does the Noles' Facebook page <http://www.facebook.com/FSUFootball>.

## COVERING THE SEMINOLES

### Credential Requests

All requests for working press, radio, television, photography or scouting credentials should be directed to our online credentialing site located on the Seminoles.com Media Relations page no later than four days prior to the game. **PHOTOS WILL BE REQUIRED AND MUST BE UPLOADED AT THE TIME YOU REQUEST CREDENTIALS. PHOTO MUST BE IN COLOR AND PROVIDE A CLEAR VIEW OF THE FACE.** Requests for season credentials should be made at least two weeks prior to the first game. Space for the working press, radio and television is allocated by the FSU Sports Information Office. Any credential questions can be answered by Assistant A.D./SID and Digital Media Elliott Finebloom.

### Press Parking

Once again, parking is limited in 2014 and passes will be issued on a priority basis within the same guidelines as working credentials. Press parking is approximately 600 yards from the press box, located in the parking garage just north of the Seminole soccer field on Spirit Way.

### Media Will Call

Media Will Call is located near Gate B in the northwest corner of the end zone. Do not enter the stadium but proceed to the right and enter through the external doors marked "Press Entrance" where the media will call table is located right inside the doors.

### Press Box

All media, with the exception of the live network telecast crew, will work from the ninth level of the press box. Media can access the press box only through the designated elevator in the northwest tower of the University Center. After parking, media should proceed down Stadium Drive and move towards Gate B in the northwest corner of the end zone. To enter the press box, do not enter the stadium but proceed to the right and enter through the external doors marked "Press Entrance." The press box opens three hours before kickoff.

### Internet Access

Internet access is available in the ninth level press box and photo work room. Access to the wireless internet requires a proper authorization code which can be picked up at the press table located on the ninth floor as soon as you exit the press box elevator.

### Radio-TV

Florida State will host both home and visiting radio in booths in the press box. Network television (or the network broadcasting live) will be working from a mid-field booth on the eighth level (one below working press). Both home and visiting radio will broadcast from booths at the south end of the ninth level.

### Photographers

Florida State reserves the right to admit only those photographers deemed to be on the premises for legitimate media purposes and who are shooting for editorial purposes only. All photographers working FSU games should be prepared to show a media ID card and equipment designed to photograph major college football. Florida State uses a double photo line system on its sidelines. Only those photographers actually shooting the game will be allowed on the "front" line. These shooters will be given photo vests upon check-in to allow them front line access. All other photo personnel will be required to stay behind a second line as not to obstruct the view of the shooters. This would include grips, runners and sideline reporters. No media personnel are allowed in the team area of the sidelines at any time during a game. Sideline passes for over-the-air television will be limited to shooters only. Still photographers may have access to the sidelines only. Those holding a photography credential should report to the Press Box where they will be issued a vest, rosters and a pre-game meal. The only access to the field is through the gate at the northwest corner of the stadium near Gate A. A guarded dark room is available underneath the stadium. The AP Dark Room is located in E 142.

### Voice of the 'Noles Still Booming in 36th year

**Gene Deckerhoff** joined an elite list of esteemed radio broadcasters when he called his 400th Florida State football game against Virginia in 2011. Now in his 36th season, the Jacksonville native and Florida grad moved to Tallahassee for the job he has now held since the 1979 season. Deckerhoff was selected over two other broadcasters of some note - the late Tom Meece, who became a national figure at ESPN, and Craig Sager, who is best known for his NBA work on TBS.

His career got off to a rousing start as the Seminoles went 21-3 over his first two seasons.

The only FSU football games he has missed were bowl games that the school did not have the rights to broadcast; He has also called FSU basketball and NFL games as the voice of the Tampa Bay Buccaneers.

### The Jimbo Fisher Show

"The Jimbo Fisher Show," televised throughout the entire state of Florida, features the head football coach of the Florida State Seminoles. Coach Fisher is joined each week on the show by host Tom Block. Every Monday afternoon during football season, Coach Fisher along with Block review the action-packed highlights of the previous week's game.

### Jimbo Fisher Call-In Show

On Wednesday evenings, Seminole fans have the chance to visit with FSU head coach Jimbo Fisher and "The Voice of the Seminoles" Gene Deckerhoff during "The Jimbo Fisher Call-In Show" live from the Four Points Sheraton in downtown Tallahassee. Coach Fisher's call-in show is an hour-long broadcast beginning at 7 p.m. The show features Coach Fisher and Deckerhoff talking directly with fans from across the country, touching on game insights, trivia, and random Seminole banter.

# SEMINOLE PRODUCTIONS

Anyone who has visited the second floor broadcast facilities in the Moore Athletics Center has seen them - the two very large, yet overcrowded trophy cases in the Seminole Productions area. That's because each and every year, Florida State's Seminole Productions is recognized for excellence. With an experienced, award-winning staff and talented students, Seminole Productions is viewed as a leader in sports production, graphics, and corporate video. Recently ESPN executives visited the state of the art SP facility and were so impressed, that they set in motion the groundwork to form a strategic partnership with Seminole Productions. ESPN has asked Seminole Productions to produce both live events and show programming for their sports network. Since then, Seminole Productions has produced over 100 Live Events for ESPN including Football Pro Day and Spring Games, Baseball, Basketball, Soccer, Softball and Volleyball, just to name a few.

Established in 1987, Seminole Productions handles virtually every video production need for Florida State Athletics. It produces the Jimbo Fisher, Leonard Hamilton, Sue Semrau and Mike Martin TV shows, as well as Seminole

Sports Magazine and contracted shows for major networks. Seminole Productions also provides all of the production elements and support for Seminole Vision, the in-game entertainment productions for all Florida State football, basketball and baseball home contests. Creating the perfect blend of high-tech wizardry with outstanding Seminole sports action is a big part of what Seminole Productions is all about. Seminole Productions also provides visual communication support for the government and other agencies throughout the State of Florida.

Over the years, Seminole Productions has won over 100 national and international awards in a variety of production and graphics categories. It was recognized for its work with Florida State athletics on both TV programs, and for content running on FSU's Big Screen displays. In 2011 and again in 2012, producer D.D. Garbarino was nominated for Emmy awards by the NATAS Suncoast Chapter. Garbarino earned nominations for her behind the scenes shows on FSU Swimming and Womens Basketball.

Seminole Productions has also established itself as a leader in stereo 3D (S3D) video production while producing Florida State football's highlight video in S3D. FSU is the only school in the nation to have their football highlights in S3D. Executive Director Mark Rodin continues to test the boundaries of S3D with experimentation in other sports and various programming. Seminole Productions has partnered with several industry leaders in broadcast production to test and evaluate S3D equipment, while seeking new techniques and applications.

**FLORIDA STATE**  
2014 FOOTBALL

**I**n keeping with Jimbo Fisher's long-held philosophy that each team has a life expectancy of one season, the 2014 Florida State Seminoles are turning the page on the most successful season in program history and embarking on a new chapter. The goals and ideals which have served as the foundation throughout Fisher's four-year reign, will not change, nor should they.

The Seminoles have won 45 games, including four consecutive bowl victories, to go along with two Atlantic Coast Conference championships under Fisher's watch. Twenty-five players have been selected in the NFL Draft and an ongoing string of nationally-acclaimed signing classes all but assure that number will continue to grow.

Florida State returns 15 starters – 14 of whom earned All-ACC recognition – from the first 14-0 team in program history, which delivered the Seminoles their third National Championship with a dramatic 34-31 win over Auburn on Jan. 6 in Pasadena, Calif. Naturally, the Seminoles are prominently mentioned as 2014 National Championship contenders as college football ushers in a new era with a season-ending playoff to crown its champion for the first time. Those predictions are far from baseless.

Seven decorated offensive starters, led by 2013 Heisman Trophy-winning quarterback Jameis Winston and four senior offensive linemen, return from a unit that ranked second nationally in scoring offense. Rashad Greene and Nick O'Leary, who are within reach of becoming the most productive wide receiver and tight end in program history, respectively, also return.

Defensively, six returning starters – and a slew of seasoned reserves – form the core of a group that led the nation in scoring defense. Defensive end Mario Edwards Jr., cornerback P.J. Williams and defensive back Jalen Ramsey are the most widely acclaimed of the group.

Special teams play, a staple in FSU's success under Fisher, should once again be a strength with Groza Award-winning kicker Roberto Aguayo and kickoff return specialist Levonte "Kermit" Whitfield returning, along with punter Cason Beatty.

A challenging schedule, which begins in Dallas with a date against Oklahoma State and includes home games against Clemson, Notre Dame and Florida and road trips to Louisville and Miami, provides a weekly measuring stick for the Seminoles.

## 2014 SEASON PREVIEW FSU OFFENSE

### QUARTERBACKS

- **Jameis Winston** merely set college football on its ear in 2013, leading the Seminoles to the BCS National Championship and a perfect 14-0 record as a redshirt freshman while becoming the youngest Heisman Trophy winner in history. A charismatic leader blessed with a strong arm and innate playmaking ability, Winston passed for 4,057 yards and a school-record 40 touchdowns, completing nearly 70 percent of his attempts while leading the nation in passing efficiency (184.8). Guiding the most prolific offense in FSU and ACC history, the Seminoles rolled up records for total offense (7,267 yards) and total points (723). His poise under pressure was never more evident than in the BCS National Championship game, when he guided the 'Noles on a seven-play, 80-yard drive with 1:11 remaining, capped by his 2-yard touchdown pass to Kelvin Benjamin for a 34-31 victory over Auburn.
- Redshirt sophomore **Sean Maguire** enters the preseason as the back-up to Winston on the strength of a strong performance throughout the spring, capped by his 15-of-28 effort for 203 yards and a touchdown in the spring game. A pocket passer with the ability to make plays on the run, Maguire has outstanding arm strength, coupled with touch and accuracy. He saw action in nine games in 2013, completing 13 of 21 attempts for 116 yards and two touchdowns.
- **John Franklin III** gained valuable experience last fall as the scout team quarterback and throughout spring practice. Blessed with athleticism and intelligence, the redshirt freshman will contend with Maguire for the back-up spot. In addition to his commitment to football, Franklin also earned All-ACC honors as a sprinter on the FSU track & field team, helping the 'Noles to the conference outdoor title.
- Freshman **J.J. Cosentino** arrives at FSU following an outstanding career at Central Catholic High School in Pittsburgh, Pa.; the same school that produced Dan Marino and Marc Bulger. Ranked as one of the nation's top pocket passers, Cosentino is blessed with size (6-4, 234) and arm strength.

### RUNNING BACKS

- **Karlos Williams** began the 2013 season as the starting safety in the opener and finished the year as the Seminoles' No. 2 rusher with 730 yards (8.0 ypc) and 11 touchdowns. He also collected eight receptions for 63 yards. Entering his senior season, the athletically gifted Williams is poised to become the starter, where his size (6-1, 225) and speed will be augmented by a full season in the offensive system. With 91 of FSU's total 124 returning carries from the tailback position, Williams' experience will be invaluable.

- Sophomore **Ryan Green** is the only other Seminole with game experience at the tailback spot, collecting 163 yards on 33 carries in 2013. Quick and elusive, Green flashed his upside against Nevada when he amassed 78 yards on five carries.
- Redshirt sophomore **Mario Pender** is anxious to contribute to FSU's tailback rotation after two seasons on the sideline. The one-time U.S. Army All-American ran for 3,800 yards and 49 touchdowns over his final two seasons at Cape Coral Island Coast and flashed glimpses of that talent during a solid spring practice.
- A January enrollee, freshman **Dalvin Cook** positioned himself for playing time in spring practice. One of the most heralded tailback signees by the 'Noles in a decade, Cook led Miami Central to the Florida 6A state title, highlighted by his 223-yard, four-touchdown performance in the championship game. Rated as the No. 1 prospect in Florida and No. 2 running back in the country, he led Miami-Dade in rushing last fall with 1,940 yards and 24 touchdowns.
- **Johnathan Vickers**, a freshman from Tallahassee power North Florida Christian, brings size (6-1, 213) and productivity (1,500 yards, 22 touchdowns) to the mix as well.
- Sophomore **Freddie Stevenson** and redshirt senior **Cameron Ponder** enter the fall battling for the starting fullback job. Stevenson appeared in eight games at fullback last season and carried eight times for 33 yards and a touchdown in a reserve role.

### RECEIVERS

- Senior **Rashad Greene** enters the season on the precipice of becoming the most productive receiver in Florida State history. Greene parlays playmaking speed, outstanding body control and precise route-running into reliable productivity, having caught at least one pass in 29 consecutive games. The team's leading receiver in each of the last three seasons, Greene brings career totals of 171 receptions, 2,465 yards and 22 touchdowns into his final campaign and could conceivably ascend to the top spot in all three categories on FSU's career lists. He is 42 receptions shy of Ron Sellers' all-time mark, which has stood since 1968. A consummate professional in his approach and leadership skills, he will be instrumental in the development of a young receiving corps.
- Redshirt seniors **Christian Green** and **Jarred Haggins** bring character and value to the receiving corps as the elder statesmen of the group and potential starters. Green, who has 42 career receptions, emerged as a valuable asset in 2013, when nine of his 13 receptions converted third-down plays. Haggins returns to the lineup after suffering a season-ending injury in the 2013 preseason and will compete for time in the slot, where he hopes to build on his total of 20 career receptions.

Rashad Greene

**Nick O'Leary**

- The roles of sophomores **Kermit Whitfield**, **Isaiah Jones** and **Bobo Wilson** have changed significantly since 2013, when they served as playing apprentices behind a veteran corps. A year after combining for 10 receptions, they return to compete as starters in a variety of positions within the unit. Whitfield, who is best-remembered for his blinding 100-yard kickoff return in the BCS National Championship game, led the youngsters with five receptions for 89 yards. Wilson collected three receptions, and like Whitfield, also contributed on special teams in the return game. Jones, a rangy 6-4 target, was limited to two receptions and 31 yards by an injury that cut his season short five games into the campaign.
- FSU's lack of seasoned depth at the receiver position opens the door to playing opportunities for one of the finest signing classes in the country. Incoming freshmen **Ja'Vonn Harrison**, **Ermon Lane** and **Travis Rudolph** bring impressive measurables and resumes to the table. Harrison (6-2, 197) collected 71 receptions, more than 1,300 yards and 14 touchdowns over his final two seasons at Lakeland Kathleen High. Lane (6-3, 206), a five-star prospect out of Homestead Senior High, caught 31 balls for 605 yards and eight touchdowns as a senior. Rudolph (6-2, 184) was ranked the No. 1 receiver in the nation after leading West Palm Beach Cardinal Newman with 63 receptions for 1,237 yards and 15 touchdowns last fall.

### TIGHT ENDS

- Nick O'Leary**, a John Mackey Award finalist in 2013, enters his senior season poised to become the most productive tight end in Florida State history. A reliable receiver who is a punishing runner after the catch, he has a knack for producing in key moments. Of his 33 receptions in 2013, 27 went for first downs or touchdowns in a season where he amassed 557 yards and seven scores. O'Leary ranks second among all-time FSU tight ends with 66 receptions and 973 yards.
- Redshirt senior **Kevin Haplea**, who suffered a season-ending knee injury prior to the start of the 2013 campaign, brings blocking excellence and outstanding hands back for his final year. A transfer from Penn State, he played in 13 games for the Seminoles in 2012, after logging time in 25 contests for the Nittany Lions.
- Redshirt freshman **Jeremy Kerr** (6-5, 262) has the requisite size and strength to be deployed in FSU's two tight end sets. Freshman signee **Mavin Saunders** (6-6, 252) is a developing talent, having caught 75 passes for more than 1,000 yards and 14 touchdowns in just two years of organized football after moving to Texas from the Bahamas. **Ryan Izzo** (6-6, 236) amassed 63 receptions, 1,098 yards and 13 touchdowns over his final two high school seasons in New Jersey.

### OFFENSIVE LINE

- There may not be a more talented or experienced tandem nationally than the left side of the FSU line, manned by senior tackle **Cameron Erving** and senior guard **Josue Matias**, who have been side-by-side fixtures in the starting lineup for 28 consecutive games. Erving (6-6, 308) was the ACC Jacobs Blocking Award winner and tabbed as an All-American by eight outlets following just his second season on offense. Matias (6-6, 325) is not only a physically imposing force, but brings tenacity and technique to the table and is capable of dominating in both the run and pass games.
- Seniors **Tre Jackson** and **Bobby Hart** bring experience, power and athleticism to the right side of the Seminoles offensive line. Jackson (6-4, 330), has made 28 career starts at his right guard position, where he earned first-team All-ACC honors. Especially dominant in the run game, he boasts an overall career grade of 82 percent entering his third year as a starter. Hart (6-4,

**Josue Matias**

- 320) is coming off his finest season at right tackle and brings 23 career starts into his senior season. Blessed with long arms, quick feet and improving strength, he has demonstrated the ability to seal the edge and play at a high level in both the run and pass game.
- Senior center **Austin Barron** (6-3, 293) is the youngster of the group, at least in terms of starting experience, with just five to his credit as the understudy to 2014 NFL Draft choice Bryan Stork. Still, he brings 30 games of playing experience to the fold as he prepares for his first season as the full-time starter.
- Redshirt junior guard **Ruben Carter** (6-4, 306) is the most experienced reserve, with 16 appearances including a start last season against Nevada. Redshirt freshman tackle **Wilson Bell** (6-4, 309) saw action in two games last season before he was sidelined by an injury. Redshirt freshman center **Ryan Hoefeld** (6-3, 290), who worked exclusively with the scout team, is set to back up Barron. All three have the versatility to swing between positions.
- The Seminoles went heavy on signing class offensive line additions, bringing seven new members into the fold in 2014. Junior college transfer **Kareem Are** (6-6, 325) arrived in January and worked his way into a reserve role at guard during the spring. **Chad Mavety** (6-5, 315) is another junior college line signee joining the fold. The high school signees include: **Alec Eberle** (6-5, 282), **Roderick Johnson** (6-7, 330), **Derrick Kelly** (6-5, 310), **Corey Martinez** (6-5, 290) and **Brock Ruble** (6-8, 324).

## 2014 SEASON PREVIEW FSU DEFENSE

### INTERIOR DEFENSIVE LINE

- Two players who made significant contributions to Florida State's interior defensive line rotation return to form the hub of the Seminole attack. Junior defensive tackle **Eddie Goldman** (6-4, 320) made 13 starts in 2013, often out on the edge as the 'Noles listed him as a defensive end, producing a career-high 19 tackles, including three tackles for loss. A year ago **Nile Lawrence-Stample** (6-1, 314) made six starts at defensive tackle, alongside All-American nose guard Timmy Jernigan. The powerful run-stuffer will move into Jernigan's old spot as a redshirt junior, building off a career-best 15-tackle season.
- Among those returnees pushing for playing time in the rotation are redshirt junior **Giorgio Newberry** (6-6, 285), who moved to tackle from tight end in the spring, after beginning his career at defensive end. Redshirt sophomore **Justin Shanks** (6-2, 322) will also bid to get into the tackle mix after limited action last season. **Keith Bryant** (6-2, 319), one of the prized signees of the 2013 class, will get his first taste of playing time at the nose guard position behind Lawrence-Stample. Redshirt junior **Derrick Mitchell** (6-4, 303), who has been limited by injury throughout his career, hopes to have an impact as well.
- The Seminoles brought in a talented group of newcomers in the 2014 class who may well push their way into the rotation. **Demarcus Christmas** (6-3, 302), **Fredrick Jones** (6-2, 307), **Derrick Nnadi** (6-2, 303), **Adam Torres** (6-4, 288) and **Arthur Williams** (6-5, 325) give the interior defensive front a strong core moving forward.

### DEFENSIVE ENDS

- Mario Edwards Jr.** (6-3, 294) is vying to take the next step toward becoming one of the nation's elite defensive ends, following a breakout season in 2013. A starter on the right side in 11 games, he recorded 28 tackles but was long on big-play

- production, registering 9.5 tackles for loss, 3.5 sacks, two fumble recoveries and an interception return for a touchdown. Half of his six tackles in the BCS title game were behind the line of scrimmage. Sophomore **DeMarcus Walker** (6-3, 277) backs up Edwards on the right side after registering 18 tackles in 12 games as a true freshman.
- Redshirt sophomore **Chris Casher** (6-4, 250) enters camp atop the depth chart at left defensive end. Casher produced 25 tackles, five tackles for loss, two pass break-ups and a 31-yard fumble return in 13 appearances last season. Senior **Desmond Hollin** (6-3, 285), who was versatile enough to line up at end and tackle last season, will begin the year pushing Casher. Hollin had a strong spring after contributing 16 stops, including three behind the line of scrimmage, last season.
- A pair of touted incoming freshmen – **Lorenzo Featherston** (6-7, 220) and **Rick Leonard** (6-7, 268) – bring sizeable physical gifts to the table and could work their way into the mix.

### LINEBACKERS

- As the lone returning starter, redshirt junior **Terrance Smith** (6-4, 222) leads the linebacker corps from his weakside position entering the season. The versatile Smith moves over from the middle, where he piled up 59 tackles – fifth on the team – for one of the nation's elite units last season.
- Junior **Reggie Northrup** (6-1, 220), a special teams star and solid reserve his first two seasons, will have a chance to crack the starting lineup in the middle. He made 46 stops last season (22 solo) and brings 26 games of experience to the fold.
- Redshirt sophomore **Ukeme Eligwe** (6-2, 239) is positioned to start on the strong side, after making the most in a reserve role and starring on special teams. Versatile enough to have played both end and linebacker in 2013, Eligwe claimed 28 stops, including 10 on the kickoff team, which tied for the team lead.

- Athleticism and versatility are the calling cards of sophomore **E.J. Levenberry** (6-3, 246) and redshirt freshman **Matthew Thomas** (6-3, 218), who could find their way onto the field in a variety of linebacker positions. Levenberry's 39 tackles ranked ninth on the team and he flashed big-play ability with his 78-yard interception return for a touchdown against Idaho. Thomas was working his way into the playing rotation last season when he suffered a season-ending injury in week four, including three stops against Bethune-Cookman. Redshirt freshman **Ro'Derrick Hoskins** (6-2, 233) will also look to contribute.
- The Seminoles added three linebackers in their signing class – **Kain Daub** (6-4, 255), **Delvin Purifoy** (6-2, 237) and **Jacob Pugh** (6-4, 236) – who will benefit from the experience in front of them as they pursue early playing time.

## 2014 SEASON PREVIEW FSU DEFENSE

**Jalen Ramsey**

### SECONDARY

• A trio of cornerbacks with extensive starting experience and star power – juniors **P.J. Williams** (6-0, 196) and **Ronald Darby** (5-11, 195) and sophomore **Jalen Ramsey** (6-1, 204) – form the nucleus of a secondary that ranked No. 1 against the pass in 2013. In his first season as a starter, Williams led the team with seven pass breakups, nabbed three interceptions and totaled 35 stops. He capped the year by earning BCS National Championship Defensive MVP honors. Outstanding in coverage, Darby is positioned to start for a third consecutive year, after breaking up four passes and collecting a pair of interceptions a year ago. Ramsey, who earned Freshman All-America honors from a number of outlets after splitting time between cornerback and safety, is expected to step into the role held by All-American Lamarcus Joyner last season. As a freshman, Ramsey piled up 49 tackles and started all 14 games, including the last 11 at safety.

• The return of redshirt junior **Tyler Hunter** (5-11, 200) to his starting strong safety position will help fortify the Seminoles' secondary. On the cusp of star status, Hunter suffered a season-ending neck injury after three games. With 28 games of experience under his belt and a high football IQ, his veteran presence will be key for the 'Noles.

• Instinctive and opportunistic, free safety **Nate Andrews** (5-11, 210) made a huge impact as a freshman for the Seminoles, leading the team in interceptions with four, while forcing three fumbles, breaking up four passes and recovering a fumble. He added 35 tackles on his way to earning Freshman All-America honors.

• There is ample experience behind FSU's starting cornerbacks, including senior **Nick Waisome**, junior **Keelin Smith** and sophomore **Marquez White**. Redshirt junior free safety **Lamarcus Brutus** also brings experience to the fold.

• Redshirt freshman **Tyrell Lyons** (6-0, 215) and freshman **Trey Marshall** (6-0, 200), a January enrollee, saw extensive time in the spring at strong safety as Hunter continued to rehab from injury.

## 2014 SEASON PREVIEW

# FSU SPECIAL TEAMS

### SPECIALISTS

• **Roberto Aguayo** not only transitioned seamlessly into the role as the starting kicker, but emerged as college football's most prolific kicker in his redshirt freshman season. Aguayo claimed the Groza Award and multiple first-team All-American honors, setting the NCAA record for points in a season (157), aided by his FSU and ACC record 94 extra points without a miss. Aguayo converted his first 70 kicks and finished 21 of 22 on field goal attempts in 2013.

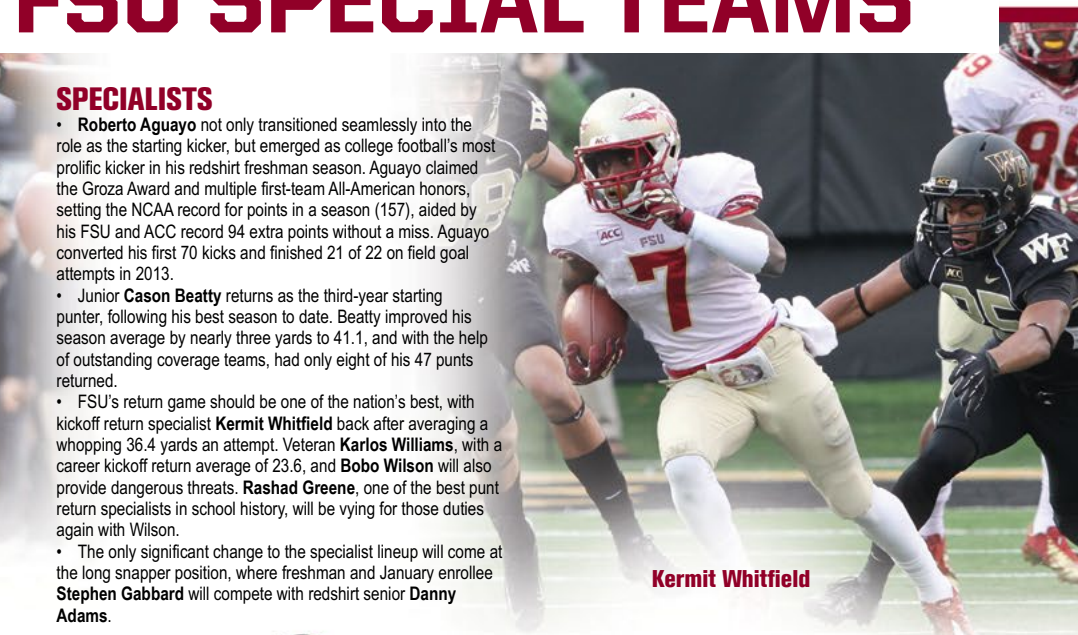

• Junior **Cason Beatty** returns as the third-year starting punter, following his best season to date. Beatty improved his season average by nearly three yards to 41.1, and with the help of outstanding coverage teams, had only eight of his 47 punts returned.

• FSU's return game should be one of the nation's best, with kickoff return specialist **Kermit Whitfield** back after averaging a whopping 36.4 yards an attempt. Veteran **Karlos Williams**, with a career kickoff return average of 23.6, and **Bobo Wilson** will also provide dangerous threats. **Rashad Greene**, one of the best punt return specialists in school history, will be vying for those duties again with Wilson.

• The only significant change to the specialist lineup will come at the long snapper position, where freshman and January enrollee **Stephen Gabbard** will compete with redshirt senior **Danny Adams**.

HEAD COACH

# JIMBO FISHER

In just four years, Florida State head coach Jimbo Fisher has restored Florida State back to the top of the college football world by guiding the Seminoles to back-to-back Atlantic Coast Conference Championships and four consecutive bowl victories, culminating in a perfect 14-0 season and the Seminoles' third national championship in 2013.

Fisher enters his fifth campaign at the helm of the 'Noles in 2014 coming off two straight BCS berths, including a 2013 season where FSU had one of the most dominant offenses in college football history and arguably the nation's top defense. The Seminoles set the national record for points in a season (723), while leading the nation in scoring defense (12.1).

Fisher has compiled 45 wins and won 82 percent of his games with the Seminoles – by far the highest winning percentage in ACC history. Only four FBS programs have more total wins than Fisher's Seminoles since 2010. FSU leads the ACC in wins over that period and only one team from the SEC has compiled more wins over that same stretch (Alabama, 46). Currently, Fisher is the fifth-winningest among active FBS coaches with at least two years of experience.

Fisher came to Florida State as offensive coordinator in 2007 and was promoted to head coach in 2010. He quickly found success at the helm of the Seminoles, winning 10 games in two of his first three years. He has an unprecedented 4-0 record in bowl games, including the 34-31 victory over Auburn in the 2014 BCS National Championship Game and a 31-10 win over Northern Illinois in the 2012 Orange Bowl.

The 2013 season was truly historic for Fisher and the Seminoles. On offense, Florida State set FSU and ACC records for single-season total offense (7,267 yards), points per game (51.6) and yards per play (7.67) in addition to the national record for points. FSU led the nation with 94 touchdowns, which also was a school and ACC record. Florida State's 42 passing scores was a school and conference record, while its 42 rushing scores set a new FSU mark.

On defense, FSU led the nation in scoring defense and pass defense (156.6) and interceptions (26), while ranking third in total defense (281.4). The Seminoles also led the conference in pass defense efficiency (93.8) and ranked third in rushing yards allowed per game (124.8). Only two teams scored more than 17 points against the Seminoles in 2013.

The Seminoles became the sixth team ever to win 14 games and the first ACC team to accomplish the feat. Fisher was named AFCA Regional Coach of the Year for Region 1 in 2013 and was a finalist for the Eddie Robinson Coach of the Year and the Bobby Bowden Coach of the Year awards.

Known for his success in developing quarterbacks, Fisher has tutored two first-round NFL draft picks at the position at FSU – current Minnesota Viking Christian Ponder (12th overall pick, 2011) and current Buffalo Bill EJ Manuel (16th overall, 2013) – and guided Seminoles' signal caller Jameis Winston to one of the greatest seasons by a collegiate quarterback in 2013. Winston became the youngest player ever to win the Heisman Trophy, while also nabbing the Davey O'Brien Award, Manning Award, Walter Camp Player of the Year honor and consensus All-America honors. He became the first freshman to win ACC Player of the Year honors and set the conference, FSU and

# JIMBO FISHER

He led the 'Noles to a 10-4 mark in 2010 - the most wins by a first-year coach in FSU history - and the first of three ACC Atlantic Division titles. He followed with a 9-4 season in 2011 and improved to 12-2 in year three before the perfect 14-0 2013 campaign.

Considered to have one of the best offensive minds in the college ranks, Fisher's early success has come in all three phases of the game actually, particularly on defense where the Seminoles are the only team in the country to rank in the top four in total defense the last three seasons despite having two defensive coordinators.

The 2013 season personified the balance success over all three phases that has led to Florida State's triumph over the last four years. The 'Noles opened the season with Winston completing the first 11 passes of his career as Florida State cruised past Pitt on the road. A few weeks later, FSU dominated a No. 25-ranked Maryland team to the tune of 63-0 - tying the all-time mark for margin of victory against a ranked opponent in college football history. Next, it was Joyner silencing Death Valley by forcing a fumble on No. 3 Clemson's first offensive play and being responsible for three turnovers himself in a 51-14 win. Against No. 7 Miami, running back Devonta Freeman sliced through the Hurricanes' defense for 176 total yards and three touchdowns in a 41-14 victory in front of the all-time attendance record in Doak Campbell Stadium history (84,409). The Seminoles made a school-record-tying six interceptions and forced seven total turnovers of Wake Forest and held the Demon Deacons to just 166 yards of total offense. FSU totaled a school-record 80 points and Jernigan tallied 4.5 tackles for loss versus Idaho. Benjamin capped the perfect regular season with a spectacular 212 yards receiving against Florida's top-five pass defense. Winston accounted for three touchdowns and over 300 yards passing against Duke in the ACC Championship. And, of course, there were several standout performances in the BCS National Championship Game versus

Auburn: Telvin's Smith's 15 tackles, P.J. Williams' momentum-shifting interception, Kermit Whitfield's 100-yard kick return touchdown and Winston's game-winning toss to Benjamin to give Florida State the national championship.

In addition to Winston's numerous accolades, Stork won the Rimington Trophy awarded to the nation's top center, while Aguayo nabbed the Lou Groza Award in the process of setting the national record for points by a kicker (157). Joyner collected unanimous All-America honors and was a finalist for the Jim Thorpe and Bronko Nagurski awards.

national freshman record for single-season touchdown passes (40). Winston also broke the national freshman record for passing yards (4,057).

Florida State had 11 players capture All-ACC First Team honors - six on offense and five on defense or special teams - in 2013. The Seminoles also had six players capture All-America First or Second Team accolades - Winston, senior cornerback Lamarcus Joyner, senior center Bryan Stork, junior tackle Cameron Erving, freshman kicker Roberto Aguayo and junior defensive tackle Timmy Jernigan.

Entering the 2014 season, Fisher has seen 25 Seminoles get drafted into the NFL in his first four seasons - including a Florida State two-year record 18 combined in 2013-14 which is tied with LSU for the most draftees during that period.

Led by wide receiver Kelvin Benjamin, the 28th pick of the first round by the Carolina Panthers, Florida State had seven players drafted in the 2014 NFL Draft - all coming within the first 150 selections. Only LSU (9), Alabama (8) and Notre Dame (8) had more players picked.

In 2013, no team had more players drafted than Florida State's school-record 11, including three first round picks - Manuel, Bjoern Werner (No. 24, Indianapolis Colts) and Xavier Rhodes (No. 25, Minnesota Vikings).

After 22 seasons as a college assistant, including three as FSU's offensive coordinator, Fisher succeeded Bobby Bowden - the winningest coach in major college football. The Seminoles' first new coach in 35 years, and just the ninth in program history, hit the ground running in 2010 and hasn't looked back.

**"We worked together for five years. He did a fabulous job for us at LSU as the offensive coordinator. I think he's got all the right stuff to be a great head coach. I know he's turned down other opportunities to stay at Florida State and we're happy he's getting the opportunity as a head coach."**

## Head Coach Jimbo Fisher A CLOSER LOOK

- Guided FSU to its first National Championship win since 1999 and second consecutive Bowl Championship Series victory with a 34-31 victory over No. 2 Auburn in the Vizio BCS National Championship on Jan. 6, 2014 in Pasadena, Calif. FSU finished a perfect 14-0 and ranked No. 1 in both the USA Today Coaches and Associated Press polls for the first time since 1999.
- Fisher's 2013 team set a new FBS record for points scored (723) which was previously held by Oklahoma's 2008 team who scored 716 total points. The 'Noles also set new FSU and ACC records for yards per play (7.67), points per game (51.6), touchdowns (94) and total offensive yards (7,267). The Seminoles' defense led the nation in scoring defense (12.1 points allowed per game) and interceptions (26). The 26 INT's was also an FSU record.
- Coached FSU to its second consecutive Atlantic Coast Conference championship with a 45-7 victory over Duke on Dec. 7, 2013 in Charlotte, N.C. The Seminoles have won three ACC Atlantic Division titles in four years and with their 14th conference championship, ties Clemson for the all-time league record.
- Helped the Seminoles to their 32nd consecutive bowl appearance - the longest active streak in the nation and second all-time to Nebraska's 35 - and extended their streak of six consecutive bowl victories, which also is the longest active streak in the nation.
- With 45 victories, he has collected more than any previous Florida State coach in their first four seasons. Bobby Bowden registered 34 between 1976 and 1979.
- Has the all-time record amongst Atlantic Coast Conference coaches for career wins (45) in their first four seasons. Fisher has won more games than his predecessor, Bobby Bowden, who previously held the mark for any coach in their first four years in the ACC, having compiled a 43-5-1 record from 1992-95.
- His .818 winning percentage at FSU is the highest winning percentage in ACC history.
- Has compiled a 9-1 mark against schools from the state of Florida: Miami (4-0), Florida (3-1), USF (1-0), Bethune Cookman (1-0).
- In 2013, he guided FSU to its best home record (7-0) since 1999 and 2000. The Seminoles are 24-4 defending their home turf over his first four seasons having lost just once in their last 14 home games.

- Florida State has averaged 38.4 points per game since Fisher became the head coach.
- Fisher mentored redshirt freshman quarterback Jameis Winston to the top honor in college football as Winston won the 2013 Heisman Trophy - FSU's third winner. Winston set an FBS freshman, ACC and FSU record with 40 touchdown passes in a season and led the nation in pass efficiency (184.8). He finished with 4,057 passing yards and is the first freshman in FBS history to eclipse 4,000 passing yards and toss 40 TD passes.
- Fisher saw three players win national awards in 2013 including Heisman Trophy, Davey O'Brien Award, Walter Camp Player of the Year Award, Manning Award winner quarterback Jameis Winston, Lou Groza Award winner kicker Roberto Aguayo and Rimington Trophy winner Bryan Stork. Stork and Winston also were consensus All-America selections while Lamarcus Joyner was a unanimous All-America selection.
- Under his guidance the last four seasons, 42 Seminoles have garnered All-ACC honors (first team, second team, third team or honorable mention).
- Off the field, 53 Seminoles have received degrees in his four years at the helm of the FSU program.
- Responsible for developing two FSU quarterbacks into first round draft picks including Christian Ponder who was the 12th overall pick of the Minnesota Vikings in the 2011 NFL Draft and EJ Manuel who was the 16th pick of the Buffalo Bills in the 2013 NFL Draft.
- Has already turned out 25 NFL Draft picks in his first four seasons including five first round draft picks - three coming in the 2013 NFL Draft in QB EJ Manuel (16th overall), DE Bjoern Werner (24th overall) and CB Xavier Rhodes (25th overall). Kelvin Benjamin became the first FSU wide receiver since Javon Walker (2002) to be selected in the first round when he was selected with the 28th overall pick by the Carolina Panthers in 2014.
- Put together four straight top 10 recruiting classes including three top five recruiting classes: 2011 class ranking (No. 1 by ESPN.com, No. 1 by Scout.com, No. 2 by Rivals.com, No. 2 by 247Sports.com); 2012 class ranking (No. 2 by ESPN.com, No. 3 by 247Sports.com, No. 6 by Rivals.com); 2013 class ranking (No. 9 by ESPN.com, No. 10 by Rivals.com, No. 10 by 247Sports.com) and 2014 class ranking (No. 3 by ESPN.com, No. 3 by Scout.com, No. 4 by Rivals.com, No. 4 by 247Sports.com).

The groundwork was laid for the 2013 season in three previous years as Florida State built upon the steady success of the Seminoles' offense, defense and special teams.

In 2012, Florida State's defense led the nation in yards allowed per play (3.86) and ranked second nationally in total defense (254.14 ypg), while the offense churned out a then-school record of 6,591 total yards and 40 rushing touchdowns which would only be surpassed by the 2013 squad.

The 2012 team, Fisher's third at the helm of the Seminoles, had a league-leading 12 Seminoles split between All-ACC First and Second Teams, while another four 'Noles garnered honorable mention honors. With a win over Georgia Tech in the

- Led the 2012 Seminoles to FSU's first Bowl Championship Series win since 1999 with a 31-10 victory over Northern Illinois in the Discover Orange Bowl on Jan. 1, 2013 in Miami Gardens, Fla. FSU finished in the top 10 of both the USA Today Coaches (No. 8) and Associated Press (No. 10) polls for the first time since 2003 in the coaches poll and 2000 in the AP poll.
- Led the 2012 'Noles to the program's first Atlantic Coast Conference championship since 2005 with a 21-15 title game victory over Georgia Tech on Dec. 1, 2012 in Charlotte, N.C.
- Under his four-season watch, the Seminoles have recorded six shutout victories, adding one in 2013. Only two Seminole coaches have recorded more shutout wins in their first four seasons at the helm. Don Veller notched 11 shutout wins from 1948 through 1951 and Bill Peterson registered nine between 1960 and 1963.
- In posting the first season sweep of in-state rivals Florida and Miami, he joined former Florida coaches Ray Graves (1960) and Galen Hall (1985) as the only men in the state to pull off the feat as a first-year coach. The 52-point combined margin of victory over the rival Hurricanes and Gators was the widest margin in a season sweep by the Seminoles.
- By winning six of his first seven games in his first year, Fisher joined former FSU coaches Don Veller ('48) and Larry Jones ('71) to notch that feat as a first-year coach with the 'Noles.
- Named the 2010 Football Writers Association of America (FWAA) Freshman All-America Team Coach.
- Won the most games (10) by a first-year coach in Florida State history and tied for the second most by a rookie coach in ACC history.
- As FSU's offensive coordinator from 2007-09, the Seminoles improved each season to rank among the ACC leaders in total offense.
- Offensive coordinator for the 2003 National Champion LSU Tigers.
- Coached three players selected in the first round of the 2007 NFL draft while at LSU, including No. 1 overall pick JaMarcus Russell.

Dr. Pepper ACC Championship game and the win over NIU in the Orange Bowl, FSU closed the year ranked No. 8 in the USA Today Coaches poll and No. 10 in the Associated Press poll cashing in on its nation-leading 31st consecutive bowl appearance.

Manuel capped off his senior season with one of the most memorable in FSU history not only finishing as the most accurate passer in FSU history, but ranking among the top five Seminole quarterbacks all-time for passing yards (7,736, 3rd), total offense (8,563, 3rd), completions (600, 4th) and attempts (897, 5th), despite only two seasons as the full-time starter.

Two-time Lou Groza Award Finalist Dustin Hopkins not only became the ACC and Seminoles all-time leading

scorer in 2012, but the NCAA FBS all-time kick scorer finishing his career with 466 points. That came one year after Shawn Powell's departure as a consensus All-America punter. The Seminole coverage teams are amongst the best in the nation, which has allowed FSU to win field position battles.

Fisher wrapped up his second season at the helm of the FSU program in 2011 by guiding the Seminoles to a 9-4 record, capped by their 18-14 victory over Notre Dame in front of a Champs Sports Bowl record crowd. Florida State ranked No. 23 in both the Associated Press and USA Today Coaches polls after rallying in its 30th consecutive bowl appearance. It was a fitting finish to a season that saw the Seminoles successfully defend their state title, sweeping both Miami and Florida for a second consecutive season - something that had not been done since the 1998 and 1999 seasons.

The Seminoles displayed tremendous resolve throughout the 2011 campaign, winning seven of their final eight games after getting off to an injury-riddled, 2-3 start. Receiver Rashad Greene burst onto the scene in limited game action and put together one of the best seasons ever by an FSU freshman. Greene posted the second-most receptions (38), receiving touchdowns (7) and third-most receiving yards (596) by an FSU freshman and ranked among the top five freshmen nationally in receiving touchdowns. That, coupled with Freeman's freshman campaign in 2011 which saw him run for the most yards (579) by a freshman since Travis Minor in 1997, showed that Fisher's offenses continue to be a force to reckon with in college football. Success in the NFL Draft also continued to pick up steam as Nigel Bradham was FSU's highest 2012 NFL Draft selection going in the fourth round to the Buffalo Bills.

Florida State's success under Fisher has not been unexpected. Fisher set the standard for expectations in his first season, delivering the Seminoles back to a place of national prominence with a 10-4 record in 2010. FSU capped the season with a 26-17 win over No. 19 South Carolina in the

Chick-fil-A Bowl and finished at No. 16 in the USA Today Coaches Poll. In addition to his season sweep of in-state rivals Miami and Florida, the Seminoles won the ACC Atlantic Division title en route to their first 10-win season since 2003.

Fisher won the most games (10) by a first-year coach in Florida State history and tied for the second-most by a rookie coach in ACC history. He was named the 2010 Football Writers Association of America's Freshman All-America Team Coach.

Three of his players in 2010 earned All-America honors: offensive guard Rodney Hudson (consensus All-America selection), Brandon Jenkins and Xavier Rhodes. Rhodes was named the ACC Rookie of the Year and National Defensive Freshman of the Year. Fisher capped off the 2010 season with three seniors selected in the 2011 NFL Draft led by his 11th NFL quarterback prodigy in Ponder - the No. 12 overall pick in the draft by the Minnesota Vikings. Ponder became the highest offensive player to go for the Noles since offensive lineman Alex Barron in 2005. Before Ponder, Gary Huff was the highest drafted FSU QB as the 33rd overall pick in the second round of the 1973 draft.

Fisher has carried the success of his first four seasons onto the recruiting trail as he put together a 2011 recruiting class ranked either first or second nationally by ESPN.com, Scout.com or Rivals.com. He did it again in 2012 with a recruiting class ranked second nationally by ESPN.com and again in 2013 with a top 10 class despite the departure of several key assistant coaches, who not only became hot commodities themselves after FSU's success in three seasons, but also received coaching promotions.

The Seminoles' 2014 recruiting class was tabbed the third-best in the nation by ESPN as it features 13 ESPN Top 300 prospects, including three consensus five-star recruits.

While maintaining the core values that Bowden instilled over the course of his 34 seasons in Tallahassee, Fisher has a simple explanation for the sweeping changes he has brought to the program: You don't run a business the same way today as you did 5-10 years ago.

He has carefully crafted his vision by borrowing from two men - Nick Saban and Bowden - he worked under. Their influence, though very different, can be seen sprinkled throughout Fisher's own blueprint for success. Fisher has not wasted any time putting his stamp on the Seminoles. From assembling a staff of seasoned, ambitious assistants, to dramatically overhauling the program's infrastructure, he has left no stone unturned. His attention to every aspect of the program - from strength & conditioning, nutrition, mental training, academic support, talent evaluation and recruiting, player development and peer mentoring among teammates - is centered on establishing an unshakeable foundation that emphasizes the whole development of each player, and it's why Florida State was crowned national champions in just his fourth year.

Yet the greatest influences in Fisher's life have been his parents, John James and Gloria Fisher. His late father, a coal miner and farmer who demanded accountability from sons Jimbo and Bryan, helped them understand the value of hard work from an early age. Those lessons extended beyond the family farm and home and onto the fields and courts as a promising young football, basketball and baseball player.

By the time Fisher reached junior high school and became the starting quarterback, he was calling plays in the huddle. Win or lose, the car rides home with his father always included a critique of what transpired on the field.

Fisher learned about tough-love from his father, but his future was also shaped by his mother, Gloria, who retired in 2011 from the West Virginia public schools system after teaching high school chemistry for 51 years. It was Gloria who made sure that her son escaped from a life in the coal mines and followed his dream after an all-state career at Liberty High School.

He has done both and with a high degree of success. After a one-semester stop at Clemson, where he was going to play baseball, Fisher returned home to Salem College in West Virginia. He starred for three seasons at quarterback, establishing a school and conference record for career passing yardage. A two-time conference player of the year and an All-American in his final season at Salem, Fisher transferred to Samford College in Birmingham, Alabama for his final season of eligibility. He enjoyed a record-setting season in 1987 with the Bulldogs, earning NCAA Division III National Player of the Year honors, which he parlayed into a season with the Chicago Bruisers of the Arena Football League.

In 1993, Fisher joined the staff at Auburn and over the next 14 seasons, including stops at Cincinnati and LSU, he built a reputation as a keen play-caller whose development of quarterbacks was second-to-none in major college football. His list of standout pupils included record-setters Stan White, Patrick Nix and Dameyune Craig, who is the lone 3,000-yard passer in Auburn history. After guiding Cincinnati to one of its most prolific seasons in a one-year stint, he joined Saban's staff at LSU. Over the course of a seven-year run with the Tigers, quarterbacks Josh Booty, Rohan Davey, Craig Nall, Matt Mauck, JaMarcus Russell and Matt Flynn were selected in the NFL Draft. Russell, who was the first player selected in the 2007 NFL Draft, and Davey were the first two 3,000-yard passers in LSU history.

## Kidz 1st

- Jimbo Fisher and his wife, Candi, announced on Aug. 5, 2011 the creation of a new national fund to fuel the quest for a cure for Fanconi anemia, a very rare life-threatening disorder that afflicts their 9-year-old son, Ethan, and many others.

- Fanconi anemia is a hereditary anemia, primarily a blood disease that can affect all systems in the body and lead to bone marrow failure. For decades, the disorder was thought to be untreatable, but promising advances in medical research have improved the prognosis. To extend their lives, most children suffering from Fanconi anemia will require a stem cell transplant, either bone marrow or cord blood, yet many wait years to find a donor who is a perfect match – or never find one.

- Money raised through a campaign called "I Fight Fanconi" supports research into Fanconi anemia at the University of Minnesota, one of the leading universities pioneering better ways to treat the disorder, in advance of finding a cure. The campaign raises research dollars for the Kidz 1st Fund, established by the Fishers, through the sale of t-shirts, wristbands and other products and through online donations. Less than seven months after creating the fund, Coach Fisher and his wife Candi along with their sons, presented the University of Minnesota's Amplatz Children's Hospital with a check for \$500,000 for Fanconi anemia research during the first half of a University of Minnesota men's basketball game on Mar. 3, 2012. The \$500,000 doubled the University's current research budget for Fanconi anemia. Since then, the fund has raised over \$2.2 million for FA research.

- Fisher's players have also gotten involved. Redshirt senior tight end Kevin Haplea orchestrated the creation of a chapter of Uplifting Athletes at Florida State in 2013 to help bring awareness to FA and add support to Kidz1stFund. Uplifting Athletes is a non-profit organization that raises awareness and funds for rare and under-served diseases. The organization has a liaison at the national chapter but is run at each school solely by football student-athletes, who are not only responsible for the organization of their particular chapter but for the marketing and fund-raising efforts as well.

- Kidz1stFund provides support to families affected by FA, provides education and awareness about this disease, and raises money for Fanconi anemia research with the goal of finding a cure.

- Kidz1stFund's ultimate goal is not a dollar figure. It is a cure, so that Ethan and other kids with Fanconi anemia may lead full, happy lives. Together we can fight FA for the thousands affected by this disease. Through your gift to Kidz1stFund, we can all say "I FIGHT FANCONI."

- The Fishers continue to encourage everyone to join the National Marrow Donor Registry to determine if they are a match for any of the thousands of people whose lives depend on a bone marrow transplant. For more information visit: [www.Kidz1stFund.com](http://www.Kidz1stFund.com).

LSU made seven consecutive bowl appearances, won two SEC titles, posted a 70-20 record and won the 2003 BCS National Championship with Fisher as its offensive coordinator. He was a finalist for the 2001 Frank Broyles Award, presented to the nation's top assistant coach.

Fisher accepted Bobby Bowden's invitation to join the Florida State staff as offensive coordinator and quarterbacks coach in January 2007 and by the end of his first year, was tabbed as Bowden's successor upon retirement. The quick ascent followed a similar arc to the Seminoles' offense, which improved statistically in each of his first four seasons.

Along the way he has significantly impacted FSU's recruiting, been instrumental in the development of quarterbacks Ponder, Manuel and Winston and set the table for the inevitable transition to the seat occupied by Bowden since 1976. The time as a coach-in-waiting allowed him the opportunity to closely evaluate the players and program as a whole; what changes needed to be made and how to work the proper channels to get that accomplished.

**The Fisher Family**

After having the longest tenured coaching staff in college football in 2012, Fisher had several holes to fill in that offseason but he put together another top staff with more than a combined 100 years of collegiate coaching experience. The results – the 2013 national championship – speak for themselves. They also quickly became a part of the FSU football family on and off the field. Family is very important to Fisher.

Fisher's wife, Candi, and their sons, Trey and Ethan, are regular visitors in the football office. Trey follows his dad's same gameday routine which is highlighted by running out of the tunnel on Saturdays. He and Ethan are heavily involved in community sports and spend the most time on the baseball diamond. The Fishers took a trip to Cooperstown, N.Y. - the home of the National Baseball Hall of Fame - during the summer of 2013 to cheer on Trey and the Tallahassee Next Level Tribe who played in the prestigious American Youth Baseball Hall of Fame Invitational Tournament. Besides keeping the Fishers on target off the field, Candi - Fisher's wife of 21 years - serves as chairwoman of Kidz1stFund, a national fund created by the Fishers in 2011 to raise awareness and research funds to find a cure for Fanconi anemia, a very rare blood disease that affect many including their youngest son, Ethan. Kidz1stFund already has donated close to \$2 million dollars towards FA research thanks to a family of supporters.

Fisher treats his players very much like his own family, challenging, praising, even admonishing, when necessary. It is all in an attempt to help each and every one reach their full potential as student-athletes and responsible young adults.

Fisher wants relentless competitors to define his Florida State program; players who are immune to adversity.

As a hands-on head coach who will continue to work with the quarterbacks and call plays, Fisher will remain a vocal presence on the field, while balancing a myriad of off-the-field responsibilities as he continues to shape the Florida State program in his own image.

Fisher will do that with a sense of responsibility and appreciation for Florida State's rich past and the men - Bowden and the players who have come before those he coaches today - who have built the program. Not surprisingly, he has welcomed those players back with open arms in an effort to bridge the past with the present and future.

It's that rich tradition that drew Fisher to Florida State and his time under Bowden. He's built on it thus far, and delivered the program's third national championship. The challenge now is to stay at the top of the mountain. It's a challenge Fisher is equipped for and wholeheartedly accepts.

• Charles Kelly enters his second season at Florida State and his first as the defensive coordinator and defensive backs coach after coaching linebackers and serving as the special teams coordinator during the Seminoles' undefeated national championship season in 2013.

• Florida State head coach Jimbo Fisher promoted Kelly to defensive coordinator in February 2014, following a season where he helped guide a dominant defense that led the nation in scoring defense (12.1), pass defense (156.6) and interceptions (26), and ranked third in total defense (281.4) in 2013. Only two teams scored more than 17 points against the Seminoles.

• Spearheading Florida State's top-rated defense was a playmaking linebacker corps that featured three all-conference performers. Kelly mentored senior weakside linebacker Telvin Smith's transformation from a valuable reserve into the Seminoles' leading tackler and an All-ACC First Team selection, while maximizing the talent of linebacker/defensive end Christian Jones, who grabbed All-ACC Second Team honors. Additionally, redshirt sophomore middle linebacker Terrance Smith collected honorable mention All-ACC accolades in his first year of significant playing time.

• Telvin Smith finished with 90 tackles and tied an FSU record with two touchdowns on interception returns. His 15-tackle performance against Auburn in the National Championship fueled FSU's comeback win. Jones finished 2013 with 56 stops and Terrance Smith had 59 tackles, while reserves Reggie Northrup, a sophomore, (46 tackles) and freshman E.J. Levenberry (39 tackles) saw major action and finished among FSU's top 10 tacklers.

• FSU's linebackers helped Florida State rank third in the ACC and 18th in the nation in rushing defense (124.79) and eighth in the country in opponent third down conversions (31.92 conversion percentage).

• Following the 2013 season, Telvin Smith was a fifth round selection (No. 144 overall) of the Jacksonville Jaguars and Jones signed a free agent deal with the Chicago Bears.

• Additionally, Kelly led the nation's most prolific special teams units with freshman kicker Roberto Aguayo and freshman kick returner Kermit Whitfield rewriting the ACC and NCAA record books. Aguayo set the national record for points by a kicker (157) and extra points (94) en route to capturing All-America honors and the Lou Groza Award given to the nation's top kicker. Whitfield returned two kicks for touchdowns, including the 100-yard return that gave FSU the lead in the national championship game. His 36.4 return average shattered the FSU and ACC record and led the nation.

• Aguayo made 21 of 22 field goal attempts and all 94 extra point attempts. Whitfield also had a 97-yard touchdown return versus Wake Forest and a 58-yard return against Idaho.

• Kelly's special teams unit also held opponents to the lowest kickoff return average in the ACC (18.59).

• Kelly will enter his 20th season as a collegiate coach in 2014. The Ozark, Ala., native also has experience as a defensive coordinator at Georgia Tech (2012), Nicholls State (2004-05), Henderson State (1999) and Jacksonville State (1997-98).

• Kelly came to FSU after seven years as a special teams and defensive backs coach at Georgia Tech. He was elevated to interim defensive coordinator in the sixth game of the 2012 season when the Yellow Jackets had a 2-4 record. After taking over as defensive coordinator, Kelly helped Georgia Tech finish 5-3 (7-7 overall), including a Hyundai Sun Bowl victory over USC. Kelly's defense limited the high-powered Trojan offense to 205 yards and seven points in the bowl win.

• One of the biggest improvements in Tech's defense the last eight games of the season was its play in the second half, specifically in the fourth quarter. In the first six games of the season, Tech allowed an average of 13.3 points in the fourth quarter and in overtime, compared to just 3.9 points in the fourth quarter the final eight games of the season. The Yellow Jackets did not allow a fourth-quarter point in each of their final four games (Duke, Georgia, FSU and USC). The defense shut out both FSU and USC in the second half of those games. Opponents scored 44.2 percent of their points in the fourth quarter and in OT through the first six games of the season, compared to just 14.4 percent of their points in the fourth quarter over the final eight games.

• Kelly took over responsibility for the secondary in 2010 after coaching the cornerbacks in 2008 and 2009.

• Over his four seasons, Georgia Tech recorded 52 interceptions. In 2008, the Yellow Jackets recorded 18 INTs, including three by true freshman cornerback Rashaad Reid, who was a second team Freshmen All-American.

• In 2008, Tech ranked in the top 30 nationally in total defense and scoring defense. In 2009, Kelly helped develop a number of cornerbacks including Mario Butler, a 14-game starter, and Jerrard Tarrant, who picked off two passes, including one for a touchdown in the Orange Bowl. Tarrant was responsible for all four of Tech's non-offensive touchdowns in 2009.

• In 2011, Kelly inherited four new starters in the secondary and molded that youthful unit into a group that helped Georgia Tech rank second in the ACC and 28th nationally in pass defense. With just one senior among the starters, Tech recorded 14 interceptions, six more than the previous season.

• Kelly served as the Yellow Jackets' special teams coordinator in 2006 and 2007. He was instrumental in making Georgia Tech one of the nation's best special teams units in 2007. That group went from 119th in the nation in kick return defense in 2006 to second in 2007. Under Kelly's guidance, punter Durant Brooks and place-kicker Travis Bell each earned first team All-ACC accolades. Brooks earned the prestigious Ray Guy Award in 2007 and recorded the highest career punting average in ACC history.

• In Kelly's first year in 2006, Brooks earned second-team All-America and first-team All-ACC honors. With the combination of Brooks and outstanding coverage, Tech ranked second in the nation in net punting. Brooks averaged better than 45 yards per punt, and almost half of his kicks pinned the opponent inside the 20-yard line.

• Kelly spent the previous four seasons at Nicholls State, an NCAA Football Championship Subdivision (FCS) program, which captured the Southland Conference title in 2005.

• Under Kelly, who served as defensive backs coach during his first two seasons at Nicholls, the Colonels finished as the top-ranked defense in the Southland Conference in 2005 and 17th nationally among FCS programs. Nicholls State led the Southland in total defense and rushing defense, while ranking second in scoring defense.

• Kelly was instrumental in developing two-time All-America cornerback Chris Thompson, who was drafted in 2004 by the Jacksonville Jaguars.

• Kelly went to Nicholls State in 2002 from Eufaula (Ala.) High School, where he served as defensive coordinator and linebackers coach for two seasons. Prior to his move to the high school ranks, the Ozark, Ala., native spent one season (1999) as defensive coordinator at Henderson State and two seasons as defensive coordinator at Jacksonville State.

• Before going to Jacksonville State, Kelly served one year as a graduate assistant at Auburn and was part of the Tigers' 11-0 season in 1993.

• Kelly has coached 10 players that have made it to the NFL, including Telvin Smith, Jones, Brooks, Thompson, Delvin Hugley, Calvin Jackson, Chris Schelling, Dell McGee, Jahi Word-Daniels and Mario Butler.

• A 1990 graduate of Auburn with a degree in secondary math education, Kelly played defensive back under former Tiger coach Pat Dye. His senior class put together a four-year record of 39-7-2 while participating in four bowl games. In 2002, Kelly earned a master's degree in education from Troy State. Kelly and his wife, Kristy, have three daughters, Caroline, Kathleen and Charli Grace.

• Lawrence Dawsey enters his eighth season coaching wide receivers on the Florida State staff. Following the 2013 undefeated national championship season, Dawsey was named co-offensive coordinator and will retain his responsibilities coaching wide receivers. For the last four years, Dawsey had also served as Florida State's passing game coordinator, assisting with the game plan for Florida State's record-breaking offensive attack.

• Dawsey has one of the most impressive playing résumés of any collegiate coach in the country, starting at wide receiver for the Seminoles from 1987-90 before being a third-round selection by the Tampa Bay Buccaneers in 1991. Dawsey enjoyed a seven-season NFL career that included Sports Illustrated Rookie of the Year honors.

• Florida State's wide receivers have prospered under Dawsey's direction and the 2013 season may have been the most productive for Seminole pass-catchers all-time as Junior Rashad Greene, redshirt sophomore Kelvin Benjamin and senior Kenny Shaw led a record-breaking offense. Greene (1,128 receiving yards) and Benjamin (1,011) became the first Florida State receivers to gain 1,000 yards in 11 years (Anquan Boldin, 1,011, 2002). The duo became just the second pair of Gamet and Gold wide receivers to cross the 1,000-yard barrier in the same season, joining E.G. Green and Andre Cooper in 1995. Greene put together the best season of his career, tallying the second-most receptions ever by a Seminole (76) and scoring nine touchdowns, while capturing All-ACC First Team honors from the coaches and media. The 6-5, 234-pound Benjamin proved to be one of the nation's most dangerous red zone threats in just his second season on the field, leading the ACC with 15 touchdown receptions, including the game-winning scoring grab in the BCS National Championship Game. He captured Sports Illustrated.com All-America First Team accolades and was named to the All-ACC Second Team by the coaches and the All-ACC Third Team by the media. Shaw collected All-ACC Third Team accolades from the coaches and All-ACC honorable mention honors from the media after catching 54 balls for 933 yards and six touchdowns. The Seminoles' trio of wide receivers combined to catch 184 passes for 3,072 yards (16.7 ypc) and 30 touchdowns and were the driving force behind FSU's historic offense. Florida State set the FSU and ACC records for single-season total offense (7,267 yards), points per game (51.6) and yards per play (7.67) in addition to the national record for points (723). FSU led the nation with 94 touchdowns, which also was a school and ACC record. Florida State's 42 passing scores marked a school and conference record.

• Following the 2013 season, Benjamin was a first-round selection (28th overall) by the Carolina Panthers in the 2014 NFL Draft - the fifth wide receiver picked in the draft. Additionally, Shaw signed a free agent contract with the Cleveland Browns. Greene will return to the Seminoles in 2014 as unquestionably one of the nation's top wide receivers.

• In Dawsey's role as the passing game coordinator, he and the wide receiver unit had direct roles in helping rookie signal caller Jameis Winston complete one of the greatest seasons by a collegiate quarterback in 2013. Winston became the youngest player ever to win the Heisman Trophy, while also nabbing the Davey O'Brien Award, Manning Award, Walter Camp Player of the Year honor and consensus All-America honors. He became the first freshman to win ACC Player of the Year honors and set the conference, FSU and national freshman record for single-season touchdown passes (40). Winston also broke the national freshman record for passing yards (4,057).

• Since Dawsey added the passing game coordinator duty in 2010, Florida State has averaged over 3,600 yards through the air and 29 passing touchdowns per season.

• In 2012, Greene captured honorable mention All-ACC honors as a sophomore and was an SI.com honorable mention All-American after leading the Seminoles with 57 receptions for 741 yards and six touchdown catches. Greene was one of seven players who averaged at least 11.0 yards per reception and caught 20 or more passes. Greene, senior Rodney Smith, Shaw, Benjamin and junior Greg Dent all recorded at least 25 receptions for 350 yards. Smith capped his four-year career by setting the FSU record for consecutive games with a reception (39). He finished his career with 106 receptions for 1,540 yards and 10 touchdowns. Dawsey was instrumental in helping the FSU offense to its most productive season ever in 2012. Florida State ranked third in the ACC in total offense (471.50) and scoring offense (39.29). Following the season, Smith signed a professional contract with the Minnesota Vikings as an undrafted free agent.

• In 2011, six different receivers averaged better than 11 yards per reception for a passing offense that produced 25 TD receptions and 3,341 yards through 13 games. Dawsey guided Greene, FSU's leading receiver, to one of the best freshman campaigns in FSU history as he posted the second-most receptions (38), receiving touchdowns (7) and third-most receiving yards (596). He ranked among the top five freshmen nationally in receiving touchdowns. Senior Bert Reed left Florida State after four years under Dawsey's tutelage among the top five Seminoles in career receptions and top 15 Seminoles in career receiving yards.

• In 2010, Dawsey added passing game coordinator to his title and four receivers caught at least 30 passes as Florida State ranked fifth in the ACC in pass receptions and sixth in receiving yards. Reed, Willie Haulstead and Smith combined for 127 receptions, 1,649 yards and 11 touchdowns.

• In 2009, Dawsey tutored Rod Owens and Reed who became the first pair of Seminole receivers to collect at least 60 receptions each in the same season since 1995. Owens (61) and Reed (60) joined the prolific '95 tandem of Andre Cooper (71) and E.G. Green (60) as the only duos to match that standard in program history.

• FSU's wideouts had a hand in quarterbacks Christian Ponder and EJ Manuel becoming first round NFL draft picks. Ponder was selected with the 12th overall pick by the Minnesota Vikings in the 2011 NFL Draft, while Manuel was the first signal-caller off the board in the 2013 Draft, going 16th overall to the Buffalo Bills. Manuel finished his career as the FSU career-leader in completion percentage at 66.9 percent - a mark that also ranks second in ACC history. Manuel finished the 2012 season with 3,392 yards passing - the second-most in Seminole history. He finished his career third in the FSU annuals in career passing yards, third in completions and sixth in passing touchdowns.

• In Dawsey's first two seasons at Florida State he helped Greg Carr climb the charts as one of the most productive receivers in school history. Greg Carr finished his career with 148 catches for 2,574 yards and 29 career touchdowns.

• In 2007, Dawsey's first season, Florida State boasted three receivers - Preston Parker, De'Cody Fagg and Carr - with 700 or more receiving yards for the first time in school history.

• Beyond the playing field, Dawsey has established himself as one of the nation's top recruiters. He's picked up the Seminoles' efforts in the Tampa area and helped the Seminoles attract the nation's No. 1 recruiting class in 2011. He was named one of ESPN.com's Top 25 Recruiters of the Year in 2011. Dawsey was also named the 2011 ACC Recruiter of the Year by SI.com and one of the Top 25 recruiters in the nation in 2011 and 2012 by Rivals.com. He was selected as one of the top 50 recruiters in the country by 247Sports in 2012 and 2013.

• Dawsey's first coaching job came as a high school assistant at Tampa Catholic in 1998. He did not return to the sideline until serving as a training camp assistant coach with the NFL's St. Louis Rams in 2001 and returned to the high school ranks in 2002 at Blake in Tampa.

• He spent the 2003 season as a graduate assistant on Nick Saban's LSU staff, where he worked with Jimbo Fisher. The Tigers posted a 13-1 record and won the BCS National Championship.

• The season at LSU opened the door for Dawsey's first, full-time college position as he returned to Tampa as the wide receivers coach at USF from 2004-2006. As a recruiter, he was instrumental in landing the talent which helped the Bulls break on to the national scene. USF's passing offense also took flight during Dawsey's three seasons and ranked among the best in the Big East.

• Dawsey was an integral part of the Seminole football dynasty as a player. His four seasons at wide receiver corresponded with the first four 10-win, top-five poll finishes by FSU. As a player, he was known for his work ethic, accountability, precision route-running, down-field blocking and the ability to rise to the occasion in big games. Those are the same qualities he has instilled in his current group of receivers.

• A third-round selection by the Tampa Bay Buccaneers in 1991, Dawsey enjoyed a seven-season NFL career. He also played for the New York Giants (1996), Miami Dolphins (1997) and New Orleans Saints (1999).

• Dawsey was named the NFL Rookie of the Year by Sports Illustrated and named to the All-Rookie Team by Pro Football Weekly in 1991 after he led Tampa Bay with 55 receptions and set the club's rookie record with 818 receiving yards. Dawsey also led the team in receptions (60) and receiving yards (776) in 1992.

• Dawsey's family also has enjoyed success as well. His daughter Dominique and son-in-law Michael Moffitt, both Florida State graduates, have each earned their M.D. at Meharry Medical College in Nashville, Tenn. Dominique is a clinical resident in Anesthesiology at Brigham and Women's Hospital - a Harvard University Hospital. He and his wife, Chantal, also have a son, Lawrence, Jr., who will be a junior in high school in IB (International Baccalaureate Program).

• Randy Sanders enters his second season at Florida State where he serves as the quarterbacks coach while adding co-offensive coordinator duties in the offseason. His first year in Tallahassee marked an auspicious beginning as he was instrumental in the immense success of Heisman Trophy winning quarterback Jameis Winston leading the Noles to their third national title in 2013. He also played an integral part in assisting head coach Jimbo Fisher with each week's gameplan. An 11-year offensive coordinator in the SEC at Tennessee and Kentucky, Sanders also won a national championship in 1998 with the Vols.

• With tutelage from Sanders, Winston produced record-breaking numbers that included 4,057 yards passing, 40 touchdowns and a 66.9 completion percentage (257-384) in 2013. Winston became the youngest Heisman Trophy winner ever, eclipsing 300 yards passing in a game seven times in the 2013 championship-winning season. Among Winston's innumerable feats attained as a redshirt freshman, he stands as the only quarterback in school history to guide the Seminoles to 11 consecutive games with 40 points or more. Among the offensive accomplishments from 2013, Florida State led the nation with a team passing efficiency of 174.69. The Seminoles also set the FSU and ACC records for single-season total offense (7,267 yards), points per game (51.6) and yards per play (7.67) in addition to the national record for points (723). FSU led the nation with 94 touchdowns, which also was a school and ACC record. Florida State's 42 passing scores marked a school and conference record.

• Sanders joined the Seminoles after a stint at Kentucky where he was the Wildcats' offensive coordinator and quarterbacks coach since 2009. The Morristown, Tenn., native previously spent his entire coaching career in the SEC where he began as a volunteer assistant with the Volunteers in 1989. Sanders has served as the offensive coordinator at both Tennessee and Kentucky and has been a part of coaching staffs that have been to 21 bowl games in his coaching career, including the 1999 National Championship game at Tennessee where he served as the offensive coordinator for the Fiesta Bowl win over FSU that year.

• Upon his arrival at Kentucky in 2006, Sanders helped Andre' Woodson develop from an inconsistent performer into one of the top quarterbacks in the nation. Seemingly overnight, Woodson blossomed as a player and a field general, leading the Wildcats to some of the most memorable triumphs in school history, including a pair of Music City Bowl championships.

• Along the way, Woodson led the Southeastern Conference in passing yardage, total offense and touchdown passes, including an SEC record of 40 TD tosses in 2007. He earned All-SEC honors both seasons and was drafted by the NFL's New York Giants.

• Sanders went back to square one in 2008. He did a masterful job of melding the inexperienced talents of then-sophomore Mike Hartline and freshman Randall Cobb into a capable tandem. The QB duo led the Wildcats to a third-consecutive postseason victory in the AutoZone Liberty Bowl.

• Sanders turned in another deft coaching performance in 2009. Hartline was the starting quarterback until going down with an injury in the fifth game. For the remainder of the season, Sanders juggled Cobb, seldom-used junior Will Fidler and true freshman Morgan Newton at QB. And, once again, the offense produced enough points to advance to a bowl game, along

with ground-breaking victories at Auburn and Georgia.

• Hartline stayed healthy in 2010, enjoying a terrific season and finishing his career among the top five in school history in every passing category.

• Sanders was Kentucky's offensive coordinator beginning in 2009 and took on primary playcalling duties in 2010. In his first year in that role, UK averaged 6.1 yards per play, second best in school history, and 406 total points to rank third in UK history.

• Prior to Kentucky, Sanders spent 22 seasons (1984-2005) as a player and coach at Tennessee, including the last seven as offensive coordinator and quarterbacks coach. He was named offensive coordinator after the 1998 regular season when David Cutcliffe became head coach at Ole Miss. Sanders' first game as offensive coordinator was the 1999 Fiesta Bowl when the Volunteers defeated Florida State for the national championship.

• Sanders was a quarterback on the Tennessee football team from 1984-88. He earned four varsity letters and was a four-year member of the SEC Academic Honor Roll. He remained with the team as a volunteer assistant coach, helping coach the quarterbacks in 1989-90 under Coach Johnny Majors.

• Sanders was promoted to a full-time assistant coach in 1991, working with the wide receivers in 1991-92. New head coach Phillip Fulmer named him running backs coach and recruiting coordinator in 1993. Sanders stayed in those roles through '98, recruiting the players that took Tennessee to the national title, before moving to offensive coordinator and quarterbacks coach following Cutcliffe's departure.

• While Sanders was on the Tennessee coaching staff, the Vols had a record of 162-46-2 (.776) and won four SEC championships and six Eastern Division crowns in addition to their national title. The Vols played in 16 bowl games, including four Citrus Bowls, three Fiesta Bowls, three Cotton Bowls, two Peach Bowls, and once each in the Sugar, Orange, Hall of Fame and Gator bowls.

• Sanders and his wife, Cathy, have two daughters, Kelly and Kari.

• Sal Sunseri has a long history of success coaching in the SEC and the NFL over the course of a 29-year span and he used that experience to help Florida State complete an undefeated 14-0 season that culminated with a BCS National Championship in 2013. It marked Sunseri's third BCS National Championship in five years, following his 2009 and 2011 championship runs as the assistant head coach for defense at Alabama.

• Following the 2013 season, Sunseri was promoted to head coach of defense where he will assist defensive coordinator Charles Kelly with game-planning, while continuing as the defensive ends coach.

• Sunseri, who joined Jimbo Fisher's staff in time to coach in the 2013 Orange Bowl, has been a defensive coordinator and assistant head coach at Alabama for Nick Saban and a seven-year defensive line coach for the Carolina Panthers of the NFL.

• Sunseri's engaging coaching style and sharp knowledge on the defensive side of the ball was a huge factor in Florida State winning its third national championship in 2013. Responsible for the play of Florida State's defensive ends, the constant pressure put on opposing quarterbacks by converted end Christian Jones and high-profile performer Mario Edwards Jr. helped the Noles finish first in the country in allowing just 156.6 passing yards per game. The Seminole defense also ranked No. 1 in scoring defense (12.1 ppg) and No. 3 in total defense (281.4 ypg). Jones collected All-ACC Second Team accolades and finished with 56 tackles, 8.0 tackles for loss and a team-best six quarterback pressures, while Edwards was named to the All-ACC Third Team and finished with 28 tackles, including 9.5 TFLs and 3.5 sacks. His finest performance came in the BCS National Championship Game against Auburn, where he totaled a career-best 3.0 tackles for loss and had a sack against the Tigers.

• Jones signed a professional contract with the Chicago Bears as an undrafted free agent following the 2013 NFL Draft.

• Sunseri joined Florida State after serving as the defensive coordinator at Tennessee in 2012. With the Vols, Sunseri coached two of the nation's top defensive players. Linebacker A.J. Johnson was fourth in the nation and led the SEC averaging 11.5 tackles per game. Cornerback Byron Moore was tied for 11th in the nation in interceptions and he led the Southeastern Conference in that category.

• Prior to Tennessee, he spent three years as the assistant head coach and linebackers coach at Alabama under Saban, including the 2009 and 2011 national championship teams. He also spent seven years (2002-08) with the Carolina Panthers under then-head coach and current Denver Broncos head coach John Fox, a tenure that included the franchise's lone NFC Championship and Super Bowl appearance in 2003.

• A former All-American linebacker at Pittsburgh, Sunseri joined the Alabama staff in January of 2009 after serving as the defensive line coach with the NFL's Carolina Panthers. As a member of the Crimson Tide staff, he held the title of assistant head coach for defense and coached the outside linebackers.

• The 2011 outside linebackers flourished under Sunseri and contributed to the overall success of

the defense. Lombardi and Butkus Award finalist Courtney Upshaw led the way with 17 tackles for loss and 8.5 sacks, which ranked second and fourth, respectively, in the SEC. Sunseri was also recognized individually for his contributions when he was named a finalist for the Broyles Award, presented to the nation's top assistant coach.

• In 2010, Sunseri continued to build on his solid foundation from the National Championship season. The defensive unit ranked third in the country in scoring defense and fifth in total defense. Sophomore linebacker Dont'a Hightower garnered second-team All-SEC honors with 69 tackles (second on the team) and nine quarterback hurries. Upshaw led the Tide from his jack linebacker spot with 14.5 tackles for loss and seven sacks and was named the MVP of the Capital One Bowl after recording five tackles, three tackles for loss and two sacks in the 49-7 win over No. 7 Michigan State.

• In Sunseri's first season at Alabama, he helped guide the Tide to the National Championship behind a dominant defense that ranked second nationally in four major categories - rushing defense, pass efficiency defense, total defense and scoring defense. His NFL experience with the pass rush helped Alabama generate 32 sacks and 98 tackles for loss, despite losing Hightower to an early-season injury. Alabama was also well-represented on the AP All-America team with three defenders earning first-team honors, including Butkus winner Rolando McClain.

• Sunseri's defensive line with the Panthers was regarded as one of the best in the NFL. Defensive ends Julius Peppers and Mike Rucker and defensive tackle Kris Jenkins earned Pro Bowl honors during his tenure. He produced at least one Pro Bowl defensive lineman five times as the line coach. The Panthers were among the top 10 in the NFL in terms of fewest yards allowed in four of his seven seasons and made three playoff appearances.

• Sunseri came to Carolina as a defensive assistant in 2002 and took over as defensive line coach in 2003. It was a seamless transition as the Panthers defensive line accounted for 32.5 of the team's 40 total sacks and also produced a pair of Pro Bowl players in Jenkins and Rucker, setting the standard for which his future units would be measured.

• Prior to his time at Carolina, Sunseri worked as the linebackers coach and special teams coordinator at Michigan State in 2001 after spending 2000 on Saban's LSU staff in the same capacity. He was the defensive coordinator and linebackers coach at Alabama A&M in 1998 and 1999 after three seasons as the linebackers coach at Louisville. Sunseri's climb up the coaching ladder included one-year stops at Illinois State (1994) and Iowa Wesleyan (1993). He broke into coaching at his alma mater, Pittsburgh, in 1985 and directed the defensive line and linebackers before being named assistant head coach in 1992.

• Sunseri began his playing career at the University of Pittsburgh in 1978 as a walk-on and ended it as a team captain and consensus All-American as a senior in 1981. A three-year starter at linebacker, he helped the Panthers to a combined record of 33-3 and anchored a defensive unit that led the NCAA in total defense in 1980 and 1981. He was the defensive MVP in the 1982 Senior Bowl and was drafted in the 10th round by the Pittsburgh Steelers but had his pro career was cut short by a knee injury in training camp. He received a bachelor's degree in communications from Pittsburgh in 1982.

• Sunseri is married to the former Roxann Evans, who was a varsity gymnast at Pittsburgh. The couple has two daughters, Jaclyn and Ashlyn, and two sons, Santino (Tino) and Vinnie. Ashlyn is a volleyball player at UAB, Tino plays quarterback in the CFL for the Saskatchewan Rough Riders, the 2013 Grey Cup champions, and Vinnie played defensive back at Alabama and was drafted by the New Orleans Saints in the 2014 NFL Draft.

• Odell Haggins, who was promoted to associate head coach in 2014, is the longest-tenured member of the Florida State coaching staff as he enters his 21st season at the school where he starred on the defensive line from 1986-89. He began his career as a tight ends/offensive line coach in 1994 with the Seminoles and took over the interior defensive line duties in 1996, where he has remained a fixture and helped the Seminoles to a pair of national titles in 1999 and 2013.

• A staunch interior defense played a prominent role in helping Florida State to its third national championship in the 2013 season. Nose guard Timmy Jernigan enjoyed another fine season as he earned All-America nods from several organizations including the FWA, Associated Press and USA Today. The high-powered run-stuffer in the trenches led a defensive front that surrendered just seven rushing touchdowns, the lowest in the nation. Florida State's defensive tackles paved the way for the nation's top scoring defense (12.1 ppg) and the third-best total defense (281.4 ypg). The work of the front four was noticeable on several ends, including allowing just 124.8 yards per game by opposing rushers. A small average of 3.3 yards per rush was made against the stout defensive front of the Seminoles, and FSU continued its pass rush that wreaked havoc on the opposition with 35 sacks in 2013.

• Following the season, Jernigan was the 48th overall selection in the 2014 NFL Draft by the Baltimore Ravens, while two other veteran standout defensive tackles, Jacobbi McDaniel (Browns) and Demonte McAllister (Seahawks), signed professional contracts as free agents.

• The 2012 season was another banner year for Haggins' charges on the interior defensive line as three Seminole defensive tackles earned All-ACC honors with senior Everett Dawkins and sophomore Jernigan capturing All-ACC Second Team honors, while senior Anthony McCloud picked up All-ACC Honorable Mention accolades. In part due to suffocating pressure up front, the Seminoles ranked second in the nation in total defense in 2012, yielding just 254.14 yards per contest. The 'Noles also ranked first in the nation in pass efficiency defense (95.43), pass defense (161.86), third in rushing defense (92.29) and sixth in scoring defense (14.71). FSU allowed opposing running backs just 2.75 yards per carry, which ranked in a tie for fourth in the country. The core of Dawkins, Jernigan, McCloud and McAllister combined to register 129 tackles, including 15.5 for loss.

• Haggins has been able to build depth with his interior defensive line group that at one point in 2011 was four-deep at each position. That season, his regular rotation of McCloud, Dawkins, Cameron Erving and freshman All-American Jernigan produced 100 tackles, including 16.5 behind the line of scrimmage. FSU's run defense allowed opposing backs to average just 2.35 yards per carry, which led all 120 FBS programs.

• The Seminoles ranked fourth nationally in total defense (275.0), second in rushing defense (82.69), fourth in scoring defense (15.1), eighth in tackles for loss (8.62) and tied for eighth in sacks (3.08 per game). The Seminoles led the ACC in eight different defensive categories. Jernigan earned first team freshman All-America honors from several publications after posting 30 tackles, six tackles for loss and 2.5 sacks.

• Haggins helped produce one of the best defensive lines in the nation in 2010 as the Seminoles ranked third in the nation in quarterback sacks, 21st in tackles for loss and 42nd in total defense. The Seminoles tied with Boise State for first nationally in total sacks with 48 sacks. Three of his defensive tackles - Dawkins, McCloud and McDaniel - were among the top 15 tacklers on the team.

• Named one of the six best defensive line coaches in college football by CBS Sports columnist Dennis Dodd in 2008, Haggins has repeatedly turned out top-flight talent. Since the 2000 season he has coached nine defensive tackles that have been selected in the NFL Draft.

• The litany of standouts that Haggins has coached includes four first round draft picks: Brodrick Bunkley (2006), Travis Johnson (2005), Corey Simon (2000) and Andre Wadsworth (1998). Wadsworth began his career at the nose guard position before moving to defensive end. The No. 3 overall pick (Arizona) in the 1998 draft, Wadsworth remains the highest drafted player in FSU history.

• In addition to the first-rounders, Haggins' pupils have also included Pro Bowler Darnell Dockett (third round) - whom he recruited and mentored - Larry Smith (second), Andre Fluellen (third), Jerry Johnson (fourth), Julian Pittman (fourth) and Letroy Guion (fifth). Most recently, Jernigan was selected 48th in the second round of the 2014 NFL Draft by Baltimore to add to Haggins' growing list of NFL draft picks.

• Haggins' 1999 defensive front included future NFL standouts Corey Simon and Jerry Johnson, who were instrumental in FSU's 12-0 run to the national championship.

• The Seminoles boasted the nation's top-ranked defense in 1998 and the No. 1 rushing defense in 1996 and 1997. The 2008 defense ranked first nationally in tackles for loss.

• Haggins has won at every level as a player and a coach. He was on the front end of Florida State's dynasty years, starring at nose guard for the Seminoles. FSU posted a 39-8-1 record with Haggins in the lineup from 1986-89 and he was part of four bowl-winning teams. He earned Kodak, Walter Camp and UPI All-America honors as a senior in 1989.

• A ninth-round pick in the 1990 NFL Draft by the San Francisco 49ers, Haggins went on to play for the Buffalo Bills during their 1991 Super Bowl season. Following a three-year NFL career, he returned to Florida State, completed his degree and joined Bobby Bowden's staff following the Seminoles' 1993 national championship season.

• As an assistant coach, Haggins has established himself as an outstanding recruiter, developer of talent and a role model to his players. He earned ACC Top Recruiter of the Year honors from ESPN.com in 2012. For the third consecutive year, Haggins was named one of the top 25 recruiters in the nation by Rivals.com in 2013. He has been a part of FSU staffs which have posted a 195-61 record with 20 consecutive bowl appearances.

• Haggins and his wife, Robin, have one daughter, Amelia Grace.

• One of the top and most respected offensive line coaches in all of college football, Rick Trickett will enter his eighth season at Florida State and his 42nd overall in 2014. He is nationally recognized for his ability to identify, recruit and develop talent. The 2013 season proved that Trickett was not only one of the top offensive line coaches in the nation, but one of the best assistant coaches in college football as the Seminole offensive line served as the foundation for the highest scoring offense in college football history and an undefeated national championship season. All five offensive line starters earned all-conference honors and three Seminole linemen captured All-America honors.

• Trickett's standout offensive line paved the way for the Seminoles to have the most prolific offense in the country in 2013 and capture the BCS National Championship en route to a perfect 14-0 season. Behind redshirt senior center Bryan Stork, redshirt junior left tackle Cameron Erving, junior left guard Josue Matias, junior right guard Tre' Jackson and junior right tackle Bobby Hart, FSU set school and ACC records for single-season total offense (7,267 yards), points per game (51.6) and yards per play (7.67) as well as the national record for points (723) while leading the nation in touchdowns (94). FSU set the ACC and school records for total touchdowns, passing touchdowns (42) and the school record for rushing touchdowns (42). Florida State ranked first in the ACC and sixth in the nation in total offense (519.1). With the nation's top offensive line providing protection and opening holes, Florida State rushed for 2,844 yards (5.6 ypc), while passing for 4,423 yards, helping first-year quarterback Jameis Winston (4,057 yards, 40 touchdowns) win countless awards and become the youngest player ever to win the Heisman Trophy. In addition, Trickett's offensive line created running lanes for tailback Devonta Freeman to become the first Seminole since 1996 to gain 1,000 yards rushing. Freeman, an All-ACC First Team selection, finished with 1,016 yards (5.9 ypc) and 14 touchdowns on the ground.

• All five offensive line starters collected postseason awards in 2013, led by Stork who captured consensus All-America honors and won the Rimington Trophy given to the nation's top center. Stork became the second Trickett-coached player to earn the Rimington, joining 2006 winner Dan Mozes of West Virginia. In addition to his numerous All-America accolades that included first team honors from the Football Writers Association of America and the Associated Press, Stork nabbed All-ACC First Team honors from the media and coaches. Erving also hauled in numerous awards in just his second year as an offensive lineman. The former defensive tackle won the Jacobs Blocking Trophy given to the ACC's top offensive lineman by a vote from league coaches and also was tabbed an All-American by countless outlets including USA Today (First Team), Associated Press (Second Team) and Walter Camp (Second Team). Trickett's linemen have won the Jacobs Trophy three times in the last five years, as Rodney Hudson captured the honor in 2009 and 2010. Erving joined Stork

and Jackson on both the coaches and media All-ACC First Team. Jackson also garnered CBSports.com All-America Second Team and Sports Illustrated Honorable Mention All-America accolades. Matias nabbed All-ACC Second Team honors from the coaches and Third Team mention from the media, while Hart was an All-ACC Honorable Mention selection.

• Stork was selected in the fourth round of the 2014 NFL Draft (No. 105 overall) by the New England Patriots. He joined recent Trickett protégés Menelik Watson (Oakland Raiders), Zebrie Sanders (Buffalo Bills) and Hudson (Kansas City Chiefs) on NFL rosters.

• Trickett has coached 10 All-America offensive linemen in his storied career at some of the nation's top schools, including FSU's trio of stars in 2013 and Hudson, who earned the distinction from the Football Writers Association of America in 2009 and was a unanimous All-American selection in 2010. He has been nominated for the Frank Broyles Award twice (2006, 2009) which goes to the nation's top assistant coach.

• The 2012 season was FSU's most productive offensive season until the 2013 campaign and Trickett's offensive line was vital to Florida State's success. The Seminoles set a then-FSU record with 6,591 yards of total offense and surpassed 500 yards of total offense six times behind a front line in which all five starters captured all-conference honors. Florida State rolled to its first ACC title since 2005 and an Orange Bowl victory behind Erving (All-ACC Second Team), Stork (All-ACC Second Team), Jackson (All-ACC Second Team), Watson (All-ACC Honorable Mention) and Matias (All-ACC Honorable Mention). Florida State ranked second in the ACC in rushing offense (206.21) and third in total offense (471.50) and scoring offense (39.29).

• FSU's lack of experience on the offensive line made the 2012 season's success even more impressive as only Stork had more than one start among the front five heading into the season. Erving spent his first two seasons as a defensive lineman before switching to offensive line, while Watson, a former collegiate basketball player from Manchester, England, had never played a down of NCAA Division I football. Jackson and Matias picked up their first starts against Notre Dame in the 2011 Champs Sports Bowl. Trickett was able to turn a question mark into an FSU strength in 2012 and helped develop Watson from an unknown prospect into a second round pick (No. 42 overall) by the Oakland Raiders in the 2013 NFL Draft.

• Trickett's abilities to mold a unit were tested by injuries during 2011. No single group was together in the same position for more than three consecutive games. However, Trickett's group still managed to produce an All-ACC first team selection in senior Sanders, a freshman All-American in Hart and two NFL draft picks.

• In 2010, Trickett's line featured Hudson, who became one of the most decorated offensive linemen in school and ACC history, earning unanimous first team All-America honors in 2010. Hudson was one of three finalists for the Outland Trophy, won his second consecutive Jacobs Blocking Trophy as the ACC's most dominant lineman and was only the second lineman in league history to be selected All-ACC four times.

• Four FSU linemen - Hart, Hudson, Ryan McMahon and Datko - garnered Freshman All-American honors while playing for Trickett. He has coached 17 players that have been named either first or second team freshmen All-Americans.

• Trickett came to FSU in 2007 after six years at West Virginia, bringing with him a track record for developing strong units. His expertise quickly transferred to Florida State as the Seminoles improved their per game rushing yards average by more than 70 yards after two seasons.

• After one season at West Virginia, the Mountaineer running game improved from 35th in the nation to second in 2002. From 2002-2006, West Virginia finished among the top 15 rushing offenses and three times were among the top five nationally. In 2006, the Mountaineers were second in the nation in rushing, third in scoring offense and fifth in total offense.

• More than 30 players Trickett has coached have gone on to play in the NFL and more than 35 players have won all-conference honors, including four of his five linemen at West Virginia in 2005 and 2006 and all five Seminole starters in 2012 and 2013. At LSU in 2000, three of his players earned All-SEC honors.

• Trickett earned his undergraduate degree in 1972 from Glenville (W.Va.), where he was an all-conference strong safety. He received his master's degree from Indiana (Pa.) in 1975.

• Trickett is a U.S. Marine Corps and Vietnam War veteran.

• Trickett released a book in 2012, "Complete Offensive Line" is a comprehensive guide to the techniques, drills and game strategies necessary to develop an effective offensive front.

• The Tricketts have been a fixture on the FSU campus since Rick's 2007 arrival in Tallahassee. Two of Tara and Rick's sons have been involved in the football program with Travis serving as an offensive graduate assistant in 2010 after serving as a videographer. He received his master's degree from FSU and is now the offensive coordinator/quarterbacks coach at Samford. Clint spent three years as a quarterback for the Noles and graduated with a degree in social science. He is continuing his football and academic career at West Virginia University where he has been named the starting quarterback for the Mountaineers. Chance graduated from FSU in spring 2011 with his bachelor's degree.

• Fresh off helping lead Florida State to the 2013 BCS National Championship, Tim Brewster enters his second season as the Seminoles' tight ends coach and recruiting coordinator in 2014. During the 2013 season, Brewster mentored junior tight end Nick O'Leary to one of the greatest seasons ever by an FSU tight end. Following the National Championship campaign, the charismatic veteran college and professional coach also secured the nation's No. 3 recruiting class according to ESPN, assuring the Seminoles will continue to have the foundation to compete for national titles into the College Football Playoff Era.

• It's no coincidence that O'Leary had one of the best seasons of any tight end in the country in Brewster's first year at FSU. Brewster was the tight ends coach for the San Diego Chargers from 2002-04 and the Denver Broncos from 2005-06 after coaching that same position at North Carolina from 1989-97 and Texas from 1998-2001. Brewster coached All-Pro tight end Antonio Gates while with the Chargers and saw six tight ends sign NFL contracts during his UNC and Texas tenures. He was the head coach at Minnesota from 2007-10 and the wide receivers coach at Mississippi State in 2012.

• In 2013, O'Leary was a dominant force on a Florida State squad that set the national record for points (723). One of three finalists for the Mackey Award given to the nation's top tight end, O'Leary totaled 33 receptions for 557 yards and seven touchdowns en route to All-ACC Second Team accolades and All-America Third Team honors from CBSsports.com and Lindy's. O'Leary averaged 16.9 yards per catch - a mark that led all tight ends in the nation and 27 of his 33 receptions went for a touchdown or a first down. In addition to helping the Seminoles set the national points mark, O'Leary's blocking and receiving talents helped the Noles set the FSU and ACC record for single-season total offense (7,267 yards), points per game (51.6) and yards per play (7.67), while leading the country with 94 touchdowns.

• Heading into 2014, Brewster and the Seminoles will have some more depth to play with at the tight end position with the return of redshirt senior Kevin Haplea, who will give FSU a veteran backup to O'Leary and viable option in two-tight end sets after missing last season with a knee injury. The Seminoles also have redshirt freshman Jeremy Kerr, who showed promised this spring.

• With Brewster leading the charge, FSU had another spectacular Signing Day in 2014, inking 13 ESPN Top 300 prospects, three consensus five-star recruits in the 247Sports composite rankings, 13 four-star players and 11 three-star Noles. ESPN ranked Brewster the nation's No. 6 recruiter for 2014, while 247Sports rated him No. 7. Additionally, he was ranked the No. 1 recruiter in the ACC for 2014 by 247Sports.

• The Seminoles' recruiting class was rated No. 3 nationally by ESPN and No. 4 by 247Sports.

• Brewster joined the Florida State coaching staff in February of 2013 following a stint in 2012 as the wide receivers coach at Mississippi State where he helped the Bulldogs break several records. Brewster was the head coach of the Minnesota Golden Gophers from 2007-2010 before spending

the 2011 season as a college football analyst for Fox Sports. He led the Golden Gophers to the Insight Bowl in both 2008 and 2009 and has coached in 12 bowl games. Prior to Minnesota, Brewster spent five seasons in the National Football League. He concluded his second season as tight ends coach for the Denver Broncos in 2006. Brewster instructed the San Diego Chargers tight ends from 2002-04 and held additional responsibilities as the team's assistant head coach for the 2004 season.

• During his tenure at San Diego, Brewster oversaw the rapid development of Gates, who in 2004 earned first-team All-Pro honors from the Associated Press and a Pro Bowl selection after playing only his second year of football since high school. Gates set an NFL single-season touchdown record (13) for tight ends in 2004 while ranking third in receiving yards (964) and fourth in receptions (81) among NFL tight ends.

• Before working for San Diego, Brewster enjoyed success coaching tight ends at the University of Texas (1998-2001) and the University of North Carolina (1989-97). He worked on Mack Brown's staffs at both schools and developed six tight ends who signed NFL contracts.

• In four years at Texas, Brewster tutored two tight ends who earned All-Big 12 Conference honors, including 1998 first-team selection Derek Lewis, and coached two players who signed NFL contracts in Lewis and Bo Scaife, who was drafted in the sixth round by Tennessee in 2005. Brewster's tight ends at Texas blocked for a 1,000-yard rusher in each of his four seasons at the school, highlighted by Ricky Williams' 2,124-yard season in 1998.

• In nine years at North Carolina, Brewster mentored four All-ACC selections at tight end and helped the school advance to six consecutive bowl games from 1992-97. As recruiting coordinator, his efforts secured the talent that helped the 1997 team go 11-1 and finish fourth in the nation.

• Brewster guided Alge Crumpler to second-team All-ACC distinction and honorable mention All-America accolades from Football News as a sophomore in 1997. He also mentored Freddie Jones to a first-team All-ACC selection in 1995 and again in 1996 when Jones set a North Carolina single-season record for receptions by a tight end (32) to garner third-team All-America honors from Football News.

• His tight ends at North Carolina were critical to the team's rushing success as their blocking helped clear the way for five different 1,000-yard seasons, including Natrone Means' back-to-back 1,000-yard years in 1991 and '92. Greg DeLong, a first-team All-ACC tight end in 1994, twice earned ACC Lineman of the Week honors for his blocking in 1996 under Brewster's tutelage.

• Brewster spent 1987-88 as head coach at Central Catholic High School in Lafayette, Ind., directing a wide-open offense that won 15 of 23 games during that period. He developed Indiana's passing leader in both of his seasons as head coach.

• Brewster began his coaching career in 1986 at Purdue, where he coached tight ends and offensive tackles as a graduate assistant.

• A former two-time All-Big Ten Conference selection at the University of Illinois, Brewster led the nation's tight ends in receiving in 1983 and captained Illinois to the 1984 Rose Bowl against UCLA. Brewster, who graduated from Illinois with a bachelor's degree in political science, participated in the training camps of the New York Giants (1984) and Philadelphia Eagles (1985).

• Brewster was born Oct. 13, 1960, in Phillipsburg, N.J. He and his wife, Cathleen, have three sons: Eric, Clint and Nolan.

• Jay Graham enters his second season at Florida State in 2014. The former All-SEC and NFL running back will continue to coach running backs and will add special teams coordinator responsibilities after helping the Seminoles capture the 2013 BCS National Championship.

• Graham has spent nine years coaching, including three seasons in the SEC at South Carolina and one at his alma mater Tennessee where he was one of the most productive rushers in the history of the Volunteers.

• Graham's first year of work at Florida State resulted in a tremendous ground attack that helped the Seminoles go undefeated (14-0) and have one of the most productive offenses in college football history, as the Seminoles set an FBS record for points in a season (723). Graham was influential in the continued progression of tailback Devonta Freeman, who became the first FSU rusher to amass 1,000 yards on the ground since Warrick Dunn in 1996. Freeman established 1,016 rushing yards and 14 touchdowns, while Karlos Williams broke through with 730 yards rushing and added 11 scores while averaging an astounding eight yards per carry. Rounding out the tremendous trio was James Wilder Jr., who totaled 563 yards and eight scores while averaging seven yards per tote. FSU set a school record with 42 rushing touchdowns.

• In Graham's first season guiding the FSU rushing attack, Florida State piled up 2,844 yards on the ground and a 5.6 yards per carry average. The Noles' yards per carry matches the 2012 team's proficient average and is tied for the highest in a season since the 1995 team averaged 5.8 yards per rush.

• Graham's influence on both the kickoff return and kickoff units in 2013 cannot be understated. Florida State finished first in the nation averaging 28.2 yards per kickoff return, and wound up 16th nationally allowing just 18.6 yards per kickoff return. Whitfield emerged as the nation's top kick returner, leading the country and setting the ACC record with 36.4 yards per return while finishing tied for second with two kickoff return TD's.

• Throughout the majority of his coaching career, Graham has worked with running backs. His first full-time position in 2006 was as the running backs coach at Tennessee-Chattanooga. He went on to coach the backs at San Diego, UT-Martin, Miami (OH), South Carolina and then back at his alma mater in 2012.

• In just one year in Knoxville under Graham's guidance, the Vols more than doubled their rushing output from 70.4 yards per game in 2011 to 160.3 yards per game in 2012. Prior to his success in Tennessee, Graham tutored standout South Carolina running back Marcus Lattimore while with the Gamecocks. Lattimore was on pace to become the first South Carolina rusher to post consecutive 1,000-yard seasons for the school since Heisman Trophy winner George Rogers before suffering an ankle injury that sidelined him for the final five games

• Graham had an outstanding playing career in the SEC where he rushed for 2,609 yards from 1993-96 and still ranks seventh on the Tennessee career rushing yards list. His 11 100-yard rushing games in 1995 are the most in one season in UT history and his 14 career 100-yard games rank second in Tennessee history. Graham earned All-SEC second team honors as both a junior and a senior and helped the Vols to three bowl

victories. Overall he has coached and played in seven bowl games during his career.

• Following his successful career at Tennessee, Graham was a third-round pick of the Baltimore Ravens in 1997. He spent six seasons in the NFL with Baltimore, Seattle, and Green Bay.

• Graham and his wife, Kelly, are the parents of three daughters, Nia, Denae and Kierra, and two sons, Jayson and Kellan.

### GAME 5

	<b>(25/NR) MARYLAND</b>	<b>0</b>
	<b>(8/8) FLORIDA STATE</b>	<b>63</b>
<b>Saturday, Oct. 5, 2013 - Tallahassee, Fla.</b>		

- No. 8 Florida State's 63-0 victory over No. 25 Maryland marks FSU's most lopsided Top 25 win in school history. The previous high in point differential against a Top 25 team was a 59-0 victory over then-No.15 South Carolina on Nov. 5, 1988, on the road in Columbia, S.C. FSU is now 91-87-4 vs. AP Top 25 teams.
- Florida State's 63-0 win over No. 25 Maryland was the Seminoles' first shutout win over a Top 25 team since winning 38-0 over Georgia Tech on Oct. 18, 1997, in Tallahassee. It also tied the all-time mark for margin of victory against a ranked opponent in college football history.
- Florida State's 63 points scored against ACC opponent Maryland are the most points scored by the Seminoles in a conference game since winning 63-14 over Duke on Oct. 14, 2000. In that same season, FSU also defeated ACC school North Carolina, 63-14, on Sept. 16.
- On the last play of the third quarter, senior safety Terrence Brooks forced a fumble off a 26-yard reception by Nigel King. The fumble recovery by sophomore Ronald Darby was the first fumble recovery of the season for the 'Noles.
- The Florida State defense's 11 punts forced against Maryland marks a season high for the Seminoles. The previous season-best mark put together by the defenders was nine against Nevada.
- The Seminoles held Maryland to just 33 yards rushing after holding the Terrapins to just 34 yards on the ground a season ago. FSU's 33 rushing yards allowed are the fewest surrendered since holding Miami to 29 rushing yards on Oct. 20, 2012.
- Quarterback Jameis Winston put on a show in his fifth career start, completing 23 of 32 pass attempts for 393 yards and five touchdowns.

(3/3/2) FLORIDA STATE

WAKE FOREST

3

Saturday, Nov. 9, 2013 - Winston-Salem, N.C.

- FSU tied a school record in the blowout with six interceptions, matching a mark that had been set against Louisville in 1991. The Seminoles had 107 interception return yards with one score while Wake Forest only had 166 total yards of offense.
- Starting in place of injured starter Terrence Brooks (concussion), rookie Nate Andrews finished with two interceptions -- one of which he took back 56 yards for FSU's first defensive score -- and then forced a fumble that was scooped and scored by fellow freshman Jalen Ramsey that gave the Seminoles a 35-0 second-quarter lead.
- Christian Jones also had a hand in the turnover party, smashing Wake Forest quarterback Tanner Price in the first quarter and forcing an errant pass that was intercepted by Mario Edwards, Jr. Jones then intercepted Demon Deacons backup quarterback Tyler Cameron on the first and only play the first-team defense would play in the second half.
- Edwards, Jr.'s interception gave FSU the ball on Wake Forest's 27-yard line and two plays later resulted in an 18-yard Kelvin Benjamin score that padded the 'Noles' lead at 21-0 after two Devonta Freeman and James Wilder, Jr. scoring runs put the visitor on top for good earlier. Jones' interception gave FSU the ball at the Wake Forest five-yard line and was immediately followed by a short Karlos Williams touchdown run that extended the Seminoles' advantage to 49-0.
- Terrance Smith and Marquez White both had interceptions as well. Collectively, Wake Forest's three quarterbacks that played had nearly as many interceptions (six) as completions (seven).
- Kermit Whitfield's 97-yard kickoff return touchdown in the fourth quarter was Florida State's first kick return score since 2008.

### GAME 10

SYRACUSE

3

(2/2/2) FLORIDA STATE

59

Saturday, Nov. 16, 2013 - Tallahassee, Fla.

- Florida State improved to 10-0 for the first time since the 1999 National Championship season with its 59-3 victory over Syracuse.
- Redshirt freshman quarterback Jameis Winston completed over 90 percent of his passes for the second time this season, finishing 19-of-21 (90.5 pct) for 277 yards and two touchdowns. He completed 92.6 percent of his passes earlier this season at Pitt (25-of-27).
- Freshman wide receiver Kermit Whitfield continued to be explosive with the ball in his hands, taking his first and only carry of the game 74 yards for a touchdown in the first quarter. Winston gave a key block downfield to help spring the scoring run.
- Running backs Karlos Williams and James Wilder Jr. also had big runs, as Williams broke free for a 56-yard run and Wilder scored on a 37-yard rush, which was the longest TD rush of his career.
- Sophomore linebacker Reggie Northrup had a career-high 11 tackles coming off the bench.
- Freshman defensive end Chris Casher became the sixth defensive player to score a touchdown this season as he sacked Syracuse quarterback Terrel Hunt, forced and recovered a fumble and returned it 31 yards for a TD.
- Back-up quarterback Sean Maguire played the entire second half and completed the first touchdown pass of his career to Nick O'Leary. The score gave O'Leary 11 career TDs, most ever by an FSU tight end.
- Redshirt freshman kicker Roberto Aguayo finished with eight PATs for the game and 69 for the season, breaking Scott Bentley's previous FSU and ACC single-season record of 67 PATs in 1995.
- Senior cornerback Lamarcus Joyner added 1.5 sacks to give him 5.0 sacks for the season. That is the most by a member of the FSU secondary since strong safety Bill Ragans posted five sacks in 1990.

### GAME 11

	<b>IDAHO</b>	<b>14</b>
	<b>(2/2/2) FLORIDA STATE</b>	<b>80</b>

Saturday, Nov. 23, 2013 - Tallahassee, Fla.

- Florida State scored a school-record 80 points in the win over Idaho, besting its previous best of 77 set against NC State in 1995. The Seminoles set the FSU and ACC record for single-season points (607) and touchdowns (80) in the win.
- Florida State finished undefeated (7-0) at home for the first time since 2000.
- FSU took a 42-7 lead into halftime when Winston found Shaw for a 20-yard score with four seconds left in the first half. The Noles had 352 yards of total offense at the half and finished with a season-best 645 yards of total offense - their third 600-yard game and eighth 500-yard game of the season.
- FSU's defense was stout the entire game and didn't allow the Vandals to convert a third down until the fourth quarter.
- Roberto Aguayo tied the ACC record for made extra points in a game with 11. He set a new FBS record for perfect PATs in a season by converting 80 of 80 so far in 2013. The old mark was 77 of 77 by Art Carmody of Louisville in 2004.
- The Seminoles recognized 24 seniors before the game and many of the veteran Noles left their mark on the game. Senior wide receiver Kenny Shaw caught five passes for a season-high 107 yards and a career-best two touchdowns - all in the first half. Fifth-year senior defensive tackle Jacobbi McDaniel had an interception and senior linebacker Telvin Smith had his second pick-six of the season.

# GAME 13-ACC CHAMPIONSHIP

**(20/20/20) DUKE**

**7**

**(1/1/1) FLORIDA STATE**

**45**

**Saturday, Dec. 7, 2013 - Charlotte, N.C.**

- For the 14th time in program history, the Florida State Seminoles were champions of the Atlantic Coast Conference.
- The 'Noles outgained the Blue Devils 569-239 and eclipsed 40 points on the scoreboard for the 12th time this season.
- Winston finished the night 19-of-32 for 330 yards, three touchdowns and two interceptions. He also added 59 yards rushing on 10 carries and a leaping score.
- For his efforts against Duke, Winston was named the ACC Championship Game MVP.
- Kelvin Benjamin continued his stellar play, catching five of Winston's passes for a game-high 119 yards with two touchdowns. Rashad Greene finished with 67 yards on six grabs and Kenny Shaw caught four for 74 yards.
- Duke had just 99 yards rushing and was held to a 7-of-20 mark on third downs.
- Duke quarterback Anthony Boone was limited to 138 yards through the air and was intercepted twice -- once by Lamarcus Joyner and then again by Telvin Smith.
- Timmy Jernigan had another monster game from his nose guard position, racking up a game-best 10 tackles. Telvin Smith finished with eight tackles, a sack and that takeaway and Nate Andrews had five stops, a sack and a forced fumble.
- The Seminoles had double the amount of first downs of Duke (31-15).
- The first big play of the night went Duke's way when Freeman fumbled at the end of a 22-yard dash into the redzone early in the first quarter.
- What Duke did do in the first quarter was hold the 'Noles scoreless -- a feat that previously hadn't been accomplished against FSU this season.
- FSU's Roberto Aguayo connected on a 45-yard field goal with 33 seconds left in the first half that pushed Florida State's lead to 17-0 heading into the break. For Aguayo, the 3-pointer officially gave him the FSU and ACC single-season scoring record -- breaking the mark set by former 'Nole Dustin Hopkins a season ago.

# GAME 14-BCS CHAMPIONSHIP

**(2/2/2) AUBURN**

**31**

**(1/1/1) FLORIDA STATE**

**34**

**Monday, Jan. 6, 2014 ▪ Pasadena, Calif.**

- Florida State captured its third national championship in school history in the final Bowl Championship Series National Championship Game by completing the largest comeback in the game's 16-year history to defeat Auburn 34-31. The Seminoles rallied from 18 points down after trailing 21-3 with 5:01 remaining in the second quarter.
- Kicker Roberto Aguayo kicked two field goals and drilled three extra points to set the single-season collegiate record for points by a kicker (157). His first field goal - a 35-yarder - gave FSU a 3-0 lead in the first quarter.
- Auburn scored three straight touchdowns to take a 21-3 lead in the second quarter. Facing the 18-point deficit and fourth-and-4 from their own 40 with under five minutes left in the first half, the Seminoles grabbed momentum by converting a fake punt. Karlos Williams caught a pitch from Dan Hicks and ran seven yards on an end-around for the first down.
- Florida State scored later on the same drive on a 3-yard run by Devonta Freeman. The junior running back led FSU with 73 yards rushing in the game.
- The Seminoles struck first in the second half after a 41-yard field goal from Aguayo.
- P.J. Williams picked off Auburn quarterback Nick Marshall to begin the fourth quarter and gave Florida State great field position. Williams added seven tackles, including a half-tackle for loss en route to Defensive MVP honors.
- After the Williams' pick, Jameis Winston found fullback Chad Abram for an 11 yard touchdown to cut Auburn's lead to 1, 21-20 with 10:55 remaining.
- After Auburn hit a field goal to increase its lead to 24-20, Kermit Whitfield returned the kickoff 100 yards to give the Seminoles a 27-24 lead with 4:31 to go in the game.
- Auburn running back and Heisman finalist Tre' Mason gave Auburn its last lead with a 37-yard touchdown run at the 1:19 mark in the fourth quarter.
- Winston completed 6-of-7 passes during the game-winning 80-yard drive. He found Rashad Greene for a 49-yard catch-and-run that gave the Seminoles the ball at the 23-yard line with under one-minute left.
- A pass interference penalty on Auburn's Chris Davis gave Florida State a first-and-goal at the 2 yard line with under 20 seconds remaining on the clock.
- On the very next play, Winston hit Kelvin Benjamin on a 2 yard slant in traffic for the game-winning touchdown with 13 seconds left.
- Auburn ran two final desperation plays and senior Telvin Smith, fittingly, made the final tackle - his 15th stop of the game. Timmy Jernigan (nine tackles, half-tackle for loss) and Mario Edwards, Jr. (six tackles, 3.0 TFLs, one sack) also had standout defensive performances.
- Winston finished 20-of-35 for 237 yards and two touchdowns passing, and collected Offensive MVP honors.

## GOLDEN TORCH AWARD

Quarterback **Jameis Winston** and long snapper **Philip Doumar** were among 23 student-athletes who were recognized for their academic achievements at the 23rd annual Florida State Golden Torch Awards, which recognizes Seminole student-athletes' excellence in the classroom.

One of the rare on-campus events nationwide which solely recognizes the success of student-athletes off the playing fields, the Golden Torch banquet is held each fall at FSU. The student-athletes recognized at the event bring distinction and honor to Florida State University by continuing to reinforce FSU's position as a superior academic and athletic institution.

The Golden Torch winners are the school's most visible ambassadors working hard to promote the best interest of the university. Their academic achievements are a tribute to the many individuals and groups on campus who support the mission of the athletics' department throughout the year.

Golden Torch winners are the student-athletes who achieved the highest grade point average on their respective teams for the previous academic year. Some of them will have already embarked on professional careers while the majority are still on campus continuing their education.

# COMMUNITY OUTREACH

Giving back to the community is more than a high priority at Florida State University. It is an integral part of the development of the student-athlete. Through the Athletic Department's Office of Student Services, student-athletes are encouraged to serve the community and participate in a program that focuses on life skills as well as personal, career and leadership development.

## ACC Top Six for Service

Karlos Williams was honored at last spring's Golden Nole awards banquet as one of FSU's ACC Top Six for Service recipients. Since arriving at FSU, Williams has always been a great ambassador for the Seminole football team at various community service events. He has an excitement for helping others and speaking in the community that is hard to find and makes him a leader off the field for the Seminoles.

The Top Six for Service is awarded on each ACC campus annually. The criteria for this award are determined by each individual school recognizing student-athletes that have demonstrated outstanding community service and community relations. A Top Six for Service award recipient is dedicated to serving others and have shown a passion for enriching the lives of others.

## Seminole Community Service BY THE NUMBERS

### 21,000

In the last three years, FSU athletic teams **have performed over 21,000 hours of community service**. More than 1,000 student-athletes have contributed to that total.

### OVER 7,000

Florida State's athletics teams combined to provide over 7,000 hours of community service in 2013-14, up 1,000 hours from just two years ago. Eleven teams completed over 200 hours each, with seven teams exceeding the 400 hour mark. Most of the hours come from serving local Tallahassee schools and organizations. More than 450 student-athletes contributed in community service. Some of the event and organizations the football team supported included the Wounded Veterans Entrepreneur Camp, College of Social Work's Arts and Athletics Camp, Conley Elementary Literacy Week, Florida Guardian Ad Litem, Garnet & Gold Goes Green, Life Without Limits, Miracle League Football, Oak Ridge Breakfast Speech, RAA Middle School, Reach for the Stars and Read, Shadeville Elementary, Sportsmanship Talk at Trinity Catholic, Summer Bridge Program, Tallahassee Seminole Club, the Able Trust Forum and TMH Hospital visits, to go along with others.

### 700

In 2013-14, the FSU football team completed nearly 700 hours of community service. The team was one of seven teams in the athletic department to complete over 400 hours.

## Excellence On and Off the Field

The excellence FSU's student-athletes and athletic teams have displayed in the community this past year has once again been matched by their performance on the field. In 2014, Florida State finished 12th in the Division I Learfield Sports Director's Cup Standings marking the eighth straight year in which the Seminoles have finished in the top 15. Over the last five years beginning with the 2009-10 academic year, the Seminole Athletic Department has averaged nearly a seventh-place finish in the annual standings (fifth in 2009-10, ninth in 2010-11, fifth in 2011-12, 11th in 2012-13 and 12th in 2013-14). As one of only six schools in the nation to finish in the top 15 of the Directors' Cup the last eight years, all 20 of FSU's sports -- its coaches and student-athletes, included -- are used to yearly success.

## Greene is Golden Off the Field

**Rashad Greene** was recognized as the Golden Nole winner for the football program in 2014.

One of the great events held yearly at Florida State University is the Golden Nole Awards. Student-athletes get together as an entire group and are honored for the contributions they make on the field, in the classroom and in the community. The 20th annual Golden Nole Awards banquet in 2014 was hosted by the Student Athlete Advisory Council (S.A.A.C.) to honor the contributions Florida State student-athletes make that often go unnoticed but are never unappreciated.

Golden Nole honorees are chosen on a combination of factors which include athletic achievement, community service, attitude and dedication. Greene followed in the footsteps of three-time Golden Nole winner Dustin Hopkins, who was awarded the award for the football program in 2011, 2012 and 2013.

## Uplifting Athletes

Florida State senior tight end Kevin Haplea founded the Florida State Chapter of Uplifting Athletes, a national nonprofit organization aligning college football with rare diseases, in 2013 and immediately set to work raising money and awareness for head coach Jimbo Fisher and his wife Candi's foundation, Kidz1stFund. Kidz1stFund is a national fund to fuel the quest for a cure for Fanconi anemia, a very rare life threatening disorder that afflicts the Fisher's 9-year old son, Ethan. Haplea spearheaded a Touchdown Pledge Drive last fall that raised more than \$8,000 for Fanconi anemia research. He continues to lead campaigns, such as a "Lift For Life" event to bring more donations to the cause.

- Florida State closed out a perfect 14-0 season with an exciting 34-31 victory over Auburn in the 2014 Vizio BCS National Championship Game on January 6, 2014. It marked the first time FSU had won 14 games in a season and was only the sixth time a team had gone 14-0 in college football history.
- The Seminoles won the final national championship in the 16-year BCS era and did so by making the largest comeback in any national championship game. FSU trailed 21-3 with 5:07 left in the second quarter and outscored the Tigers 31-10 the rest of the game, culminating in a 2-yard touchdown catch by Kelvin Benjamin from Jameis Winston with 13 seconds left.
- FSU led the nation in kickoff return yardage, interceptions, passing yards allowed, red zone offense, scoring defense, passing efficiency and set an NCAA record with 723 points. The Seminoles were also top-5 in the country in 10 other categories including total defense, scoring offense per game and turnover margin.
- Florida State finished the season with 22 All-ACC selections, 80 All-America honors and captured several national individual awards, including the Heisman Trophy, Davey O'Brien Award, Lou Groza Award, Rimington Trophy, Walter Camp Player of the Year and Manning Award.
- FSU had a 1,000-yard rusher for the first time since Warrick Dunn in 1996 as Devonta Freeman amassed 1,016 yards on the ground. The Seminoles also had players break the 1,000-yard receiving mark for the first time since Anquan Boldin in 2002 as Rashad Greene (1,128) and Kelvin Benjamin (1,011) each tallied more than 1,000 yards on the season.
- Florida State set nine ACC team records (wins, total scoring, scoring per game, scoring margin, consecutive 40-pt games, TDs, TDs per game, Total Offense and Passing Efficiency) and eight individual conference marks (Jameis Winston – Passing efficiency, Yards per attempt, TD passes, Passing yards and Total Offense; Roberto Aguayo – Points Scored and PATs; Kermit Whitfield – Kickoff Return Average).
- Redshirt freshman quarterback and 2013 Heisman Trophy Winner Jameis Winston led FSU to its third undefeated season in school history and first since the Seminoles went wire-to-wire as No. 1 to win the 1999 National Championship. ## 15,000-84,409

From a maximum capacity of 15,000 in 1953 to a record crowd of **84,409** in 2013 against Miami, Doak S. Campbell Stadium has risen along with the Florida State football program to the top of the college football ladder.

## NOV. 20, 2004

In a special ceremony prior to the Florida game on November 20, 2004, the home of Florida State football took on a meaning even more special when **Bobby Bowden Field** was dedicated. Now, with numerous additions to enhance the gameday experience, Seminole fans are treated to one of college football's greatest venues.

## SOUTH ENDZONE

The south end zone houses the **Florida State University School of Hospitality**, where students in the program receive hands-on experience in various aspects of the food and beverage industry. The multi-level facility includes a restaurant and a sports grill on the top floor that gives a breathtaking panoramic view of Bobby Bowden Field at Doak Campbell Stadium.

## NORTH ENDZONE

The north end zone, which consisted of wood bleachers until the 1994 season kicked off, is topped by the offices of the football coaches. The offices are just part of the **Daisy Parker Flory wing of the Moore Athletic Center** which includes a number of amenities for the football staff. An even more drastic change came to completion in June of 2005 when the athletics department offices moved back into the newly rebuilt Moore Center.

## THE LAST 161

The Seminoles have been formidable at home. In their last 161 home games — since the start of the 1988 season — the Seminoles are 137-23-1. The bulk of those games came with Bobby Bowden leading the team. Over his 34-year career the Seminoles posted a 166-33-2 home record — an .831 winning percentage. That includes an astonishing 56-1-1 record at home in the 1990s and the start of a 54-game unbeaten streak (53-0-1) which began in 1992 and stretched through the first two games of the 2001 season.

## 200 & 300

Bowden's 200th career victory came on Oct. 27, 1990, as FSU routed Louisiana State, 42-3, in Tallahassee. In 2007, Bowden won his **300th game** at FSU on the field that bears his name with a 24-16 win over Maryland.

## 270 & COUNTING

The 'Noles are **273-87-4 all-time (.755)** at Doak and 281-91-4 (.753) as the home team, which includes three seasons — 1947-49 — when they played their home games at Centennial Field. FSU was 8-4 at the downtown Tallahassee site, including 8-0 in coach Don Veller's first two seasons.

## OCT 7, 1950

Doak Campbell Stadium **opened on Oct. 7, 1950**, with Florida State celebrating a 40-7 victory over Randolph-Macon. Since then, millions of fans have passed through the gates.

# “ROUND HERE”

## THE GARNET & GOLD STANDARD

Game weekends in Tallahassee can make for a legendary and exciting experience. Fridays before home games serve as primers for “College Football Saturdays in the South” giving Seminole fans from all over their first chance to come together as one. From stadium tours, downtown activities, FSU’s Friday Night Block Party and other activities centered around ‘Nole game weekends, “Round Here” FSU has made it a Garnet & Gold Standard in creating one of the best college football atmospheres in the country.

### Any Given Saturday

Hours before games, students and fans crowd onto the Florida State campus, filling parking lots, the intramural fields and Langford Green to tailgate and enjoy fellowship in getting ready for the big game at Bobby Bowden Field at Doak Campbell Stadium. Gameday experiences the last three seasons have been enhanced with visits from ESPN’s College GameDay – a true testament to FSU’s reputation as one of the best environments in all of college football.

### Warchantin’

Bring your best “chop” upon your arrival in Tallahassee. Fans decked out in Garnet and Gold attire often break out into spontaneous performances of the “Warchant” and the “FSU Fight Song,” as well as the famous F-L-O-R-I-D-A S-T-A-T-E chants while using their arm to emulate a Tomahawk Chop.

## CollegeTown at Madison St.

In 2013, Tallahassee became home to a brand new entertainment district, CollegeTown, located just two blocks from campus. Featuring a handful of restaurants and other attractions, CollegeTown is destined to become the heart of game day thanks to the efforts of Seminole Boosters and the City of Tallahassee.

## The Marching Chiefs

Recognized as the "band that never lost a halftime" by Sports Illustrated, the Chiefs have performed for audiences at the International Trade Fair in Damascus and for the World Football League in London. In addition, the Chiefs perform at all home and select away football games as well as the annual post-season bowl game. Approximately two hours prior to kickoff on home game days, the Chiefs give a live performance, dubbed a "Skull Session," on Mike Martin Field inside Dick Howser Stadium.

It is the county seat and only incorporated municipality in Leon County, and is the 125th largest city in the United States. Tallahassee became the capital of Florida, then the Florida Territory, in 1824.

Located in the Florida Panhandle, Tallahassee is a place where college town meets cultural center, politics meets performing arts and history meets nature, a place where the vibrancy of what to do is matched only by the city's inviting hospitality. Tallahassee offers something for everyone.

# OSCEOLA & RENEGADE

## THE BEST NCAA FOOTBALL TRADITION IN THE COUNTRY

Arguably the greatest spectacle in college football unfolds moments before kickoff at Doak Campbell Stadium when Osceola charges down the field atop Renegade, a beautiful Appaloosa, and plants a flaming spear at midfield prior to each home game.

The tradition was born on Sept. 16, 1978, when a student led the football team from the tunnel, riding a horse as the Seminoles headed into battle against Oklahoma State. Jim Kidder and Reo were the original Osceola and Renegade. Since then, five different Renegades and 15 different riders have made the ride and planted the spear, which brings the game day crowd to its feet. **Incoming Osceola Brendan Carter** who hails from Calvary, Ga., will be the 16th different rider, once he plants the spear in the 2014 home opener.

Bill Durham trained the riders and horses for 20 years before passing the honor and responsibility along to his son, Allen, who was a rider from 1992-1994. The clothing and rigging used by Osceola and Renegade are designed for authenticity and approved by the Seminole Indian Tribe of Florida.

Prior to the 2011 season, ESPN's SportsNation voted Osceola and Renegade the best NCAA Football Tradition in the country. A framed rendering of the spear plant was presented to Bill and Allen Durham during the Oklahoma game on Sept. 17, 2011. That rendering resides in the Moore Athletics Center.

In 2013, Osceola and Renegade made their second appearance at a National Championship traveling to The Rose Bowl in Pasadena, Calif., to watch the Seminoles claim their third national title. The only other time Osceola and Renegade appeared at a National Championship was 1993 for the Orange Bowl.

## AT THE TOP OF ITS GAME

Highlighted by on-field and in-classroom triumphs, the Florida State Athletics Department experienced another banner year in 2013-14. Florida State finished 12th in the annual Learfield Sports Directors' Cup that measures the overall success of each institution's athletic programs. Florida State has finished in the Top 15 of the Director's Cup standings in each of the last eight years, and joins Stanford, Florida, UCLA and Texas as the only athletic departments to place in the Top 12 over the last four years. Over the last five years beginning with the 2009-10 academic year, the Seminole Athletic Department has averaged nearly a seventh-place finish in the annual standings (fifth in 2009-10, ninth in 2010-11, fifth in 2011-12, 11th in 2012-13 and 12th in 2013-14). As one of only six schools in the nation to finish in the top 15 of the Directors' Cup the last eight years, all 20 of FSU's sports -- its coaches and student-athletes, included -- are used to yearly success. And this past season was certainly no different.

## ONE OF THE BEST

No program in the country can claim the same wide-spread success as the 'Noles. In the 2013-14 season, Florida State had all 20 of its sports reach post-season competition. FSU is the only athletics program that can say it has reached the post-season in 94 out of 96 opportunities the past five years, a remarkable 97.9 percent success rate.

Highlighting Florida State's 20-for-20 post-season success was the football team's 34-31 triumph over Auburn to mark the program's third national championship. The women's soccer team continued its tremendous run in the fall under head coach Mark Krikorian by finishing as national runner-ups, while sand volleyball also finished the spring second nationally at the AVCA championships.

The FSU softball team reached heights it hadn't seen in a decade when it made the NCAA Women's College World Series. The indoor volleyball squad got to the second weekend of NCAA Tournament play for the third time in the last five seasons, reaching the NCAA Sweet 16.

Overall, 18 of 19 eligible teams partook in NCAA postseason competition, including baseball, women's basketball, men's and women's cross country, men's and women's golf, men's and women's swimming and diving, men's and women's tennis as well as men's and women's track & field (indoor and outdoor). The competitive spirit displayed by every FSU athletic squad in the 2013-14 academic year proved once again that Florida State houses one of the top athletic departments in the nation.

## HIGHLY ACCLAIMED

Florida State athletics enjoyed an incredible year competing in the Atlantic Coast Conference. Eight FSU teams hoisted ACC trophies last season, including football, softball, women's soccer, women's cross country, men's and women's indoor track & field as well as men's and women's outdoor track & field. The high number marks a school record that was previously set with five ACC champions in the 2008-09 and 2011-12 seasons.

## TOP NOTCH COACHES

A few repeat winners highlighted Florida State's stellar coaching group across all its sports. Softball head coach Lonni Alameda earned ACC Coach of the Year honors for the second consecutive season, guiding her group to one of the athletic department's eight conference crowns in 2013-14. Women's cross country coach Karen Harvey also earned her second straight ACC Coach of the Year honor in helping her team to an eighth-place finish nationally. Harvey would go on to win USTFCCCA All-South Region coaching honors, while football coach Jimbo Fisher was named AFCA Regional Coach of the Year.

## ACC CHAMPS

The 2013-14 season saw eight Florida State athletic teams win Atlantic Coast Conference titles. They include football, women's soccer, softball, women's cross country, men's indoor track & field, women's indoor track & field, men's outdoor track & field and women's outdoor track & field.

## WINNING ON AND OFF THE FIELD

## 'NOLE WORTHY

Comerback Lamarqus Joyner capped off his senior season by earning unanimous All-America honors for the FSU football team. Quarterback and Heisman Trophy winner Jameis Winston and center Bryan Stork both were consensus All-Americans in leading FSU to its third national title. A total of 22 players were recognized as All-ACC performers by the coaches or media, and FSU ended its year with seven NFL draft picks, all in the Top 150 selections of the draft to mark the most by any team in the Top 150. Winston ended the 2013-14 academic year capturing the Anthony J. McKeivin Award as the ACC Male Athlete of the Year.

Baseball outfielder DJ Stewart proved to be one of the top players in the country, being awarded several All-America honors and nationally-recognized accolades. He was named a first-team All-American by the American Baseball Coaches Association, the ACC Player of the Year, a second-team All-American by three publications, a Capital One Academic All-American and a semifinalist for the Golden Spikes Award and the Dick Howser Trophy.

The indoor volleyball team recorded one of its biggest victories in program history en route to an NCAA Sweet 16 appearance. Led by the play of All-Americans Ashley Neff, Elise Walch and Nicole Walch, the Seminoles snapped a 23-year road drought against rival Florida by winning in Gainesville, 3-2, in the NCAA second round. The big win was FSU's first victory at the Stephen C. O'Connell Center since Oct. 9, 1990 – before any of the current student-athletes were born.

The softball team finished its 2014 season with a sparkling 55-9 overall record, and were led by two players worthy of the USA Softball National Player of the Year trophy. Pitcher Lacey Waldrop became FSU's second winner of the national honor when she finished 38-7 with a 1.13 ERA. Shortstop Maddie O'Brien was also a finalist for the award and produced the greatest offensive season in FSU softball history, hitting .424 with 24 home runs and 83 RBI. The dynamic duo led the 'Noles to the NCAA Women's College World Series.

An FSU student-athlete was given an ACC weekly award 53 times in the 2013-14 season. The men's and women's swimming and diving teams aided the Seminole count with 12 accolades, highlighted by multiple honors from Pavel Sankovich, Tom Neubacher, Kaitlyn Dressel, Kelsey Goodman and Katrina Young.

Many individuals weren't short of academic awards. Postgraduate scholarships were awarded to softball's Kelly Hensley and men's swimming and diving's Tom Neubacher. Soccer's Kassey Kallman was named a CoSIDA/Capital One Academic All-American, while Gage Smith and DJ Stewart from baseball also were named academic All-Americans. Kallman also was named the ACC Scholar-Athlete of the Year for women's soccer, while Smith claimed the same award for baseball for the second year in a row.

# SOD CEMETERY

Florida State's sod cemetery holds chunks of the field from great Seminole road wins.

**7** Spanning over seven decades, "sod games" and the Florida State University Sod Cemetery have been a rich part of the Seminoles college football history, commemorating many of the greatest victories.

## 1962

In 1962, as the Seminoles completed their Thursday practice in preparation to face Georgia at Sanford Stadium, Dean Coyle Moore – a long-time professor and member of FSU's athletic board – issued a challenge: **"Bring back some sod from between the hedges at Georgia."**

## OCT. 20 - FSU 18, GEORGIA 0

On Saturday, October 20, the Seminoles scored an **18-0 victory over the favored Bulldogs**. Team captain Gene McDowell pulled a small piece of grass from the field, which was presented to Moore at the next football practice. Moore and FSU coach Bill Peterson had the sod buried on the practice field as a symbol of victory. A monument was placed to commemorate the triumph and the tradition of the sod game was born.

## ON THE ROAD: UNDERDOG, UF, ACC TITLE, BOWLS

Before leaving for all road games in which Florida State is the underdog, all road games at the University of Florida and all ACC championship and bowl games, Seminole captains gather their teammates to explain the significance of the tradition. **Victorious captains return with a piece of the opponent's turf to be buried in the Sod Cemetery** inside the gates of the practice field.

Away from home and against the odds, Florida State sod games represent the most difficult battles on the football field. The Sod Cemetery stands as a tribute to those triumphs, to be enjoyed by the Seminole faithful.

# THE NEW HOME OF FSU FOOTBALL

## THE NEW MANNY GARCIA LOCKER ROOM

The Manny Garcia Locker Room underwent renovations prior to the 2014 season, upgrading the facility into without-a-doubt one of the nation's best. The unique semi-circle shape remains intact and features 120 new solid wood lockers created by combining design concepts of the ones used by the NFL's Dallas Cowboys and MLB's New York Yankees.

Each locker has a large stainless steel compartment in the bottom base for players to store clothing, shoes, bags and other personal belongings; a personal lock box, a universal mobile device charger, a built-in ventilation system flushing out old air and bringing in new air to dry out clothing and equipment. One of the main features of each locker will be an iPad where individual and team messages can be left and displayed on for players from coaches and other football staff, practice or game film can be viewed on and class schedules can be viewed.

The remembrance of FSU's sealed lockers will be kept in place with the focal point in the locker room which are statues of all the former 'Noles with retired jersey numbers and honored jerseys. The jerseys on the statues will stay lit the whole time and honor Fred Biletnikoff, Ron Sellers, Ron Simmons, Deion Sanders, Charlie Ward, Derrick Brooks, Warrick Dunn, Chris Weinke and Terrell Buckley.

By the number always being lit, it will lend proof to the belief behind the fact that current players are sharing a locker room with all the great players who have played at Florida State

The state-of-the-art players' lounge serves as a relaxing lobby with large flat screen televisions, gaming consoles, comfortable seating and lounging chairs as well as a fruit and snack bar, Muscle Milk and Powerade dispensers. A Nike Display wall has full-size mannequins decked out in FSU uniforms as well as an interactive touch screen display to view Florida State's Nike football gear and uniforms.

## COACHES' SUITE

An updated coaches' suite located on the third floor of the Moore Athletics Center serves not only as a home away from home for the national championship winning football staff but houses a tribute to the history of FSU football.

## UNCONQUERED HALLWAY

The Unconquered Hallway is the permanent home for the trophies of the three national championships won in 1993, 1999 and 2013 as well as the 14 Atlantic Coast Conference Championships, three Heisman winners and individual national award winners. An interactive display for all the national award winners also is housed in the space.

## COACHES' LOBBY

The lobby right outside each position coaches' office has a case which holds every bowl and national championship ring won at FSU, while a timeline of the history of FSU football adorns the walls.

## THE PATH TO THE NFL HALLWAY

The hallway right outside the office will be maintained to feature the jerseys of every former 'Nole playing in the NFL on a 53-man roster each season. An Interactive NFL Display will have a wall featuring the history of Seminoles who played in the NFL.

## ALBERT J. DUNLAP ATHLETIC TRAINING FACILITY

Florida State unveiled its brand-new indoor practice facility in 2013, which allows the Seminoles to practice year-round in state-of-the-art championship facilities without disruptions from inclement weather conditions. The nearly \$15-million, 92,000-square-foot facility features a 120-yard artificial turf field with a 2,000-square-foot training room, rehab area and storage space. The facility is climate controlled and includes platforms that will allow for multiple video angles to be shot during practices. The field resembles Bobby Bowden Field inside Doak Campbell Stadium and includes garnet end zones.

FSU's two full-size natural turf fields outside of the facility also were updated and feature a new tower between fields for video and viewing purposes. The entire project was funded by donations, including the \$5 million pledge by Al and Judy Dunlap in Feb. 2011.

### Groundbreaking

Florida State officials broke ground on the Albert J. Dunlap Athletic Training Facility during a ceremony on the morning of Nov., 24, 2012, a few hours before the Seminoles hosted Florida at Doak Campbell Stadium. Just a few feet away from the stadium, school administrators, members of Seminole Boosters, Inc., and key contributors donned gold hard hats and picked up garnet shovels to signify the groundbreaking of the \$15-million project and FSU's commitment to excellence. Actual work on the new facility began immediately after FSU's final ACC Championship game preparation on Nov. 29.

## THE ROGER HOLLER CHAMPIONS TRAINING COMPLEX

The Florida State Seminoles train out of the Seminole Strength and Speed Complex. The state of the art facility includes a 14,700 square feet weight room, 5,000 additional square feet of complex training area, 24 self-contained powerlift work stations, a cutting edge video/audio system and over 80 pieces of customized free weight and selectorized machines. The staff continues to remain on the cutting edge of technology and recently installed several iPads into the weight area for athletes to conveniently access training regimens.

Certified Strength and Conditioning Coaches operate the Seminole Strength and Speed Complex. The coaches design individualized programs that include a regiment of strength training, power development, linear and lateral speed enhancement, mobility and endurance. Before a program is designed all student-athletes are put through a battery of tests to identify strengths and weaknesses.

Once testing is completed a computer-generated program is assigned to the student-athlete. A coach will guide the student-athlete through the program daily and progress will be monitored on a weekly basis by the strength and conditioning staff. Continuous supervision of the athletes will ensure a successful physical transformation into a collegiate athlete.

## “Stay in the Eye of the Storm”

The motto of the strength and conditioning staff is simple, “stay in the eye of the storm.” The most fundamental and important aspect of the Florida State University strength and conditioning program is that our coaches will always be on the floor coaching their athletes. No athlete is left to train on his or her own. Every workout, every exercise, every set, and every rep will be monitored by a coach. The coach will teach, instruct, provide feedback, and motivate the athlete.

### ONE GOAL

It is the goal of the Florida State strength and conditioning program to **help each athlete reach their full athletic potential** by providing them with training programs that are scientifically based and founded on modern methods of strength and conditioning.

### THE COMPLETE ATHLETE

The objective of the FSU strength and conditioning staff is not only to produce stronger, better conditioned athletes, but also to **build discipline and mental toughness** in each athlete through the implementation of a very structured and organized environment. Athletes are held accountable for the commitment and effort that they put into the program, and lifting and conditioning must be viewed as a vital element in the training program for athletes of any sport.

### GPS TECHNOLOGY

The Florida State strength and conditioning staff is the first American football team at any level to utilize GPS technology. Players wear GPS monitoring straps across their chests that track everything from acceleration rates to heart rates to speed. The data taken from the devices allows the Florida State coaches and staff to accurately adjust the workload for individual players at practice. The results have allowed Florida State to virtually eliminate soft-tissue injuries and was a definite factor in helping the Seminoles go undefeated and win the BCS Championship in 2013.

## 1851

Florida State University actually began in 1851 when a legislative act established the Seminary West of the Suwannee. The first students enrolled in 1857 and the Florida State College was co-educational until 1905 when the Buckman Bill sent all the female students to the "new" Florida State College for Women. The huge numbers of male college students wishing to enter school on the G.I. Bill after World War II forced the legislature to make FSU co-educational in 1946.

## 1902-04

Thirty-three years after Princeton and Rutgers kicked off American college football, the Florida State College played three seasons of football in Tallahassee. **From 1902-1904, FSC played wearing the colors purple and gold.** The 1904 squad was crowned state champions after defeating the University of Florida at Lake City and Stetson.

## 1946

Florida State University became a co-educational institution in 1946 when the first male students were enrolled, most of whom were coming back from World War II. The transition from FSCW, which was regarded as one of the nation's top colleges, to the new institution was remarkably quick and the development of an athletics program was almost as rapid.

## 1947

Florida State University fielded a football team in 1947 coached by Ed Williamson. On October 18, 1947, Stetson kicked off to the FSU three yard line. Don Grant returned the kickoff to the FSU 32 and 7,165 fans at Centennial Field celebrated the first football game. The team finished 0-5 on the season.

## 1948

Don Veller became FSU's second football coach in 1948 and would coach the team until 1952. An outstanding player at Indiana University, Veller inherited 20 lettermen from the first year, but only 12 would letter in 1948. Veller would lose just two games over his first three years, including an undefeated 8-0 campaign in 1950.

## 1950

Florida State played its first football game in Doak S. Campbell Stadium on Oct. 7, 1950 against Randolph Macon. 9,676 fans watched the Seminoles win 40-7, but the new home field was a story in itself. It was built on a former cow pasture and was completed in just five months. Tallahasseean Rainey Cawthon was instrumental in selling over 1,000 season tickets at \$50.00 each to fund the stadium and won a wheelbarrow ride down

Monroe Street from contractor Red Coleman, who missed the completion date by two days. FSU players painted the stadium over the next summer for \$1 per hour.

## 1953

Tom Nugent became FSU's third head coach in 1953 and would coach the Seminoles until leaving to become Maryland's head coach in 1958. An innovator on a national level, **Nugent developed the I-formation and the typewriter huddle.** Among the players he coached were FSU greats Bobby Renn and Lee Corso as well as a talented tailback named Burt Reynolds whose career was cut short by injury.

## 1960-70

Florida State's arrival on the national map occurred during Bill Peterson's 11 seasons as head coach. He came in 1960 when free substitution was still five years away in the game. He moved FSU boldly into the forefront of the passing game and led the Tribe to its biggest win yet when they topped No. 5 Kentucky 48-6 in 1964. He would post a 62-42-11 record in Tallahassee. Among a host of other things, Peterson developed the concept of the "hot receiver" in 1964 that remains in most offenses today.

## 1964

Fred Biletnikoff became FSU's first consensus All-American as a senior in 1964. He ranked fourth nationally with 57 receptions for 11 touchdowns which did not include his four touchdowns in the Gator Bowl win over Oklahoma. Biletnikoff put FSU on the map and he was married under the goalposts at Doak Campbell in 1965. He would go on to have a Hall of Fame career with the Oakland Raiders. The national award given to the top college receiver in the country is named after him.

## 1966

Ron Sellers began a career at Florida State that would prove one of the most prolific in college history. He gained an unheard of 3,979 yards over his career. His statistics were so impressive that most lasted as national records all the way until 1987. He caught passes in 30 consecutive games and averaged 119.9 yards per game. He is a member of the College Football Hall of Fame.

## 1970

While integration of schools throughout the country came painfully slow, **Florida State's first African-American player took the field in 1970.** J.T. Thomas was a starter from the first game he played at FSU and he backed a sterling college career with three Super Bowl rings earned as a member of the Pittsburgh Steelers.

## 1971

Larry Jones coached the Seminoles from 1971-1973. An 0-11 campaign in his last year spelled the end for the coach. Among notable players during his era were outstanding wide receiver Barry Smith, quarterback Gary Huff and Alabama transfer Billy Sexton.

## 1974-75

Darryl Mudra coached the Seminoles for two seasons and did his work from the pressbox on game day. Perhaps the biggest accomplishment of Mudra's brief tenure, that included the **NCAA mandated scholarship limits for the first time**, was the signing of an unheralded running back named Larry Key. Key would prove to be one of the finest running backs in Seminole history.

## 1976

FSU president Stanley Marshall and athletic director John Bridgers set up a dinner meeting at an airport hotel in Tampa where West Virginia head coach **Bobby Bowden** was coaching an all-star game known as the American Bowl. They offered him a four-year contract worth \$37,500 and he became the Seminoles' eighth head coach on Jan. 12. Bowden was interviewed for the job six years earlier when it went to Larry Jones, but FSU officials felt he lacked the experience.

## DID YOU KNOW?

### Scholarships In '51

It was not until 1951 that Florida State began to grant athletic scholarships and the move put added pressure on the program to win. FSU left the Dixie Conference and petitioned for membership in the Atlantic Coast Conference and the Southeastern Conference but were rebuffed. Interestingly, it was the University of Florida that sponsored FSU for admission to the SEC.

### Seminoles First To Score Two

The late Vic Prinzi, who is a member of the Florida State Hall of Fame and was the color commentator for the radio network until his death in 1997, was **the first college player ever to score a two-point conversion.** On Sept. 13, 1958, the Seminoles took the season-opening drive of the Tennessee Tech game in for a touchdown and Prinzi, playing quarterback, ran in the two-point conversion to beat the other national games by just minutes.

### Football Since 1902 Actually

Florida State College actually played football during the **1902-1904 school years** and played it well. The first game in 1902 was a 5-0 win over South Georgia Military on Nov. 21 when touchdowns were worth five points. The NCAA nor the governing body at the time recognizes the early games for FSC, although the school won the state championship in 1904. The 1904 season included a 23-0 win over Florida in Lake City, Fla. The school then became the Florida State College for Women and would remain one of the nation's top all-female institutions until the large number of returning veterans from World War II triggered the state system to open Florida State University to men in 1946. The school resumed football in 1947, taking on Stetson in its first game.

## 1979-80

Florida State got its first taste of the real big-time in 1979 and 1980 going to **back-to-back Orange Bowls** against Oklahoma. FSU went undefeated (11-0) over the regular season in 1979, but lost 24-7 to the Sooners and finished sixth in the final AP poll. FSU took a 10-1 record into the Orange Bowl showdown the next year before losing a heartbreaker 18-17.

## 1980

If one game can be singled out as the most important in the run of unprecedented success at Florida State, it would be **the contest at Nebraska on Sept. 7, 1980**. FSU won in Lincoln, 18-14, opening the eyes of the entire country. Nebraska fans shook off a mixture of shock and confusion to stand and give Bobby Bowden and his Seminoles a standing ovation as they left the field.

## 1981

FSU takes on the following schools in order **all on the road**: Nebraska, Ohio State, Notre Dame, Pittsburgh and LSU. FSU won at Ohio State, Notre Dame and LSU, but, more importantly, won fans coast to coast for its undaunted spirit.

## 1981

In 1981 a **freshman tailback named Greg Allen** was given the football in the middle of legendary Death Valley with a sea of LSU fans around him. He finished the day with a remarkable 202 rushing yards that signaled the arrival of a superstar for the Seminoles. Later that year, he would rip Western Carolina for 322 rushing yards, which still stands as the best rushing game ever for a Seminole.

## 1986

**Deion Sanders** spent a quiet first two years at Florida State before exploding on the national scene in a preseason press conference. He would become one of the most popular players ever in college football and one of the greatest athletes in FSU history.

## 1991-92

On July 1, 1991, **the Atlantic Coast Conference accepted Florida State University** as its ninth member and the first addition to the league since Georgia Tech joined in 1978. FSU had competed in the Metro Conference for all sports other than football, which had been an independent. FSU's first ACC football game was a 48-21 win over Duke on Sept. 7, 1992.

## 1993

The Seminoles won their **first national championship** behind Heisman Trophy winner Charlie Ward in 1993. FSU played Nebraska in the national title game at the Orange Bowl and used freshman Scott Bentley's late field goal to win 18-16.

## 1995

A 31-26 come-from-behind win in the fourth quarter of the Orange Bowl against Notre Dame was **FSU's 11th consecutive bowl win**. The streak set an NCAA record as was FSU's 14-game unbeaten streak in bowls that was spoiled only by a 17-17 tie with Georgia in the 1984 Citrus Bowl.

## 1999

Bobby Bowden used to keep an empty picture frame in his office, which was reserved for his **first perfect season**. He filled the frame with a 1999 team photo. The Seminoles finished the year 12-0 and topped off the record run with a 46-29 win over Virginia Tech for the national championship in the Sugar Bowl.

## 2000

**Chris Weinke** literally **rewrote the FSU record book** over his senior season and took home the second Heisman Trophy for a Seminole player when he won the award in December of 2000. He would finish his career with a record of 32-3 as a starter.

## 2002

**Bobby Bowden passed Bear Bryant** and moved into second place on the all-time coaching wins list.

## 2003

Bobby Bowden defeats Wake Forest to become **all-time winningest major college coach**. The Seminoles won the ACC and earned the BCS bid.

## 2004

**Bobby Bowden Field** at **Doak S. Campbell Stadium** was dedicated on Nov. 20, 2004 prior to the Florida game.

## 2005

Florida State wins the **inaugural ACC Championship** game by a score of 27-22 over Virginia Tech in Jacksonville. Willie Reid was named the game's MVP. The conference title was FSU's 12th since joining the league in 1992.

## 2006

The **College Football Hall of Fame** announced that Bobby Bowden and Charlie Ward would be two of the year's 15 inductees. Bowden and Joe Paterno, who was also inducted, were the first two active coaches to be honored.

## 2007

Head Coach Bobby Bowden won his **300th career game** at FSU with a 24-16 victory over Maryland.

## 2008

The College Football Hall of Fame announced that Ron Simmons would be one of 15 inductees. The Rhodes Trust named junior Myron Rolle one of 32 U.S. Rhodes Scholars for 2009 - the first time in nearly 25 years it has awarded the scholarship to a prominent college football player. Senior kicker Graham Gano was named the Lou Groza Award winner, making him just the second Seminole to ever garner the honor.

## 2009

Legendary head coach Bobby Bowden (1976-2009) and longtime defensive coordinator Mickey Andrews (1984-2009) **announced their retirements** during the season and said their final farewells when FSU defeated West Virginia 33-21 in the 2010 Gator Bowl. The victory secured the Seminoles' 33rd straight winning season under Bowden. It was Florida State's 28th straight bowl appearance - the nation's longest active bowl streak. Bowden retired ranked second all-time in victories for NCAA major college football.

## 2010

**Jimbo Fisher** took over the helm at Florida State in 2010 after being named the successor to legendary coach Bobby Bowden on Jan. 5, 2010. In just his first-year, Fisher guided the Seminoles to a final ranking of No. 16 in the USA Today Coaches Poll. He led Florida State to the 2010 Chick-fil-A Bowl Championship after a season sweep of in-state rivals Miami and Florida, an ACC Atlantic Division Title and the program's first 10-win season since 2003. His 10 wins were the most by a first-year head at FSU and the third-most by a rookie coach in the ACC history.

## 2011

Jimbo Fisher led Florida State to its **30th consecutive bowl appearance** in the Champs Sports Bowl and the Seminoles rallied for an 18-14 win over Notre Dame to win their fourth straight bowl game. Punter Shawn Powell earned consensus All-American honors. FSU defeated both Miami and Florida for the second straight year, something the 'Noles hadn't done in back-to-back seasons since 1998-99.

## 2012

Florida State took its place back among the elite in 2012. The Seminoles captured their **first ACC Championship since 2005 and won a BCS Bowl by defeating Northern Illinois 31-10 in the Discover Orange Bowl on New Year's Day**. The 'Noles finished No. 8 in the USA Today Coaches Poll and No. 10 in the Associated Press Poll. Defensive end Bjoern Werner was a unanimous All-America selection while placekicker Dustin Hopkins also earned All-America honors. Hopkins set a new FBS record by a kicker for career points (466) and also became the ACC's all-time scorer. Head coach Jimbo Fisher guided the Seminoles to their second 10-win season in just his third year as FSU finished 12-2 - the most wins since 1999 - and extended its consecutive bowl appearance streak (31).

## 2013

The Seminoles earned their third national championship with a 34-31 win over Auburn in the BCS National Championship game on Jan. 6, 2014. Redshirt freshman quarterback Jameis Winston led Florida State to a 14-0 record and its first undefeated season since 1999. Winston earned the 2013 Heisman Trophy as he finished with 4,057 yards passing and a school-record 40 TDs through the air to go along with 219 yards and four scores on the ground.

# THE BOWDEN ERA

## A LEGACY LEFT

Bobby Bowden's legacy left Florida State with two national championships (1993 & 1999), 12 ACC Championships, 31 bowl appearances, 33 consecutive winning seasons, two Heisman Trophy winners, 34 first round NFL Draft Picks and 107 NFL draftees from 1992-2009, and 118 ACC Wins.

### 1976

Although FSU had considered dropping football due to a 4-29 record over the previous four seasons, Bobby Bowden is hired as head coach and records his only losing season at FSU with a 5-6 mark.

### 1977

In one season, Bowden turns the program around with a 10-2 record, FSU's first-ever 10-win season. Under Bowden's direction, FSU won its first bowl game since 1964 with a 40-17 drumming of Texas Tech in the 1977 Tangerine Bowl.

### 1978

Bowden and Florida State received the program's first preseason national ranking at No. 17. He led the Seminoles to a second straight win over Florida, marking the first time in history FSU had recorded two straight wins over the Gators.

### 1979

Bowden led FSU to the Orange Bowl in its first ever New Year's Day bowl. Bowden recorded FSU's first ever unbeaten regular season and the highest AP ranking at No. 4 entering the postseason and coached FSU to a school-record 11 wins.

### 1980

Bowden's 1980 team was the first in program history to finish in the AP Top 5. When it's looked at how FSU became a national power, the 18-14 win at Nebraska always comes to mind as a landmark victory. He was named National Coach of the Year (Bobby Dodd).

### 1981

Bowden and Florida State gained notoriety with a schedule that lined FSU up in successive weeks on the road against Nebraska, Ohio State, Notre Dame, Pitt and LSU. The Seminoles went 3-2 in that stretch while Florida State's overall schedule was nicknamed "Murderer's Row" and "Octoberfest."

### 1982

For the second straight year, Bowden and the Seminoles faced the nation's toughest schedule according to the NCAA. Bowden reached into his bag of tricks for a 34-17 upset win at Ohio State.

### 1983

Bowden surpassed former head coach Bill Peterson as the all-time winningest coach at FSU. He was inducted into the Florida Sports Hall of Fame. The "War Chant" saw its birth and FSU sported its "mustard" uniforms for the first and only time.

### 1984

Greg Allen recorded Florida State's first 1,000 yard rushing season. Bowden continued his creative play calls as Jessie Hester scored on a 77-yard reverse as FSU stunned defending national champion Miami, 38-3, in the Orange Bowl.

### 1985

Bowden coached FSU to its ninth straight winning season, capped off by a 34-23 Gator Bowl victory over Oklahoma State. Perhaps FSU's biggest victory came in the second game when FSU traveled to No. 10 Nebraska and defeated the Cornhuskers 17-13, a game Bowden would later call "one of the biggest wins in FSU history."

### 1986

Bowden and FSU recorded a 56-14 pounding of South Carolina in FSU's first-ever appearance on ESPN. Bowden led FSU to a perfect 6-0 record at home and the most points scored in a game by FSU in history with a 76-14 win over Tulsa. He was inducted into the Alabama Sports Hall of Fame.

### 1987

Bowden missed his first national championship by one point when two Miami defenders knocked down a two-point conversion and FSU fell 26-25. FSU snapped a six-game losing skid to the Gators which marked Bowden's 100th victory at FSU.

### 1988

Bowden's preseason No. 1 ranked team fell at Miami breaking its streak of 11 opening day victories. The Seminoles would not lose again, winning 11 straight games. Bowden called one of his greatest trick plays, the Puntroskie, at Clemson. FSU drubbed Florida 52-17 for the Seminoles' largest victory margin over the Gators.

### 1989

After a loss to Clemson, FSU went on to win 10 straight and earn a Top 3 ranking for the third straight year. FSU played in a third straight New Year's Day bowl with a win over Nebraska in the Fiesta Bowl, extending its bowl unbeaten streak to eight.

### 1990

Bowden earned his 200th career victory when FSU beat LSU 42-3. The 1990 meeting with Florida marked the first time in the series that both teams were ranked in the Top 10 as No. 8 FSU defeated No. 6 UF 45-30. Bowden and FSU beat Joe Paterno's No. 7 Penn State Nittany Lions 24-17 in the Blockbuster Bowl.

### 1991

Bowden was named National Coach of the Year (Walter Camp) and led FSU to an 11-2 mark and fifth straight season of 10 or more wins. FSU was preseason No. 1 and stayed there 11 weeks before falling to Miami in Wide Right I. FSU defeated No. 3 Michigan 51-31, the most points ever allowed in the Big House.

### THE LEGEND RETURNS

On Oct. 26, 2013, Bowden returned to Doak Campbell Stadium for the first time since his final season in 2009. In what was coined "Bobby Bowden Day," the coaching legend was honored prior to Florida State's game against NC State, which was won 49-17 by the 'Noles. Bowden planted the spear once again and gave a thank you speech to the Garnet and Gold crowd, talking about his memories as FSU's cherished leader.

### BOWDEN IN BRONZE

Former head coach Bobby Bowden is bigger than life in front of the Moore Athletics Center at Florida State as a bronze statue of his likeness was unveiled in a ceremony on Sept. 24, 2004. The statue is one-and-a-half life-size of Bowden and was sculpted by Tallahassee artist Stanley Proctor. The artist also created a smaller piece of artwork, measuring just over 12 inches high, featuring Bowden and Doak Campbell Stadium.

### 1992

Bowden and FSU beat Duke in FSU's first game as a member of the ACC. FSU suffered Wide Right II at Miami and fans saw the birth of the "fast-break offense" in the comeback win at Georgia Tech. Marvin Jones became the first Seminole to capture two national awards. Bowden was named the 1992 Neyland Trophy Winner.

### 1993

Bowden brought home FSU's first national title with an 18-16 win over Nebraska in the Orange Bowl. Charlie Ward became FSU's first Heisman Trophy winner and won every award he was eligible for. Bowden was named ACC Coach of the Year and led FSU to 12 victories for the first time in school history.

### 1994

Bowden's squad set an NCAA record with the amazing 28 point fourth quarter comeback against Florida. He led the Seminoles to another ACC Title and Top 4 national ranking. Florida State would play Florida a second time in a game dubbed the Fifth Quarter in the French Quarter, as FSU won 23-17 in the Sugar Bowl.

### 1995

Florida State's streak of 29 straight ACC wins came to an end with a loss at Virginia. FSU still won the ACC Championship and the victory over Notre Dame in the Orange Bowl preserved its NCAA record 11th straight bowl win. Bowden earned career win No. 250 in his 20th year as Florida State's head coach.

### 1996

Bowden guided FSU to its second national championship game as FSU celebrated 50 years of Seminole football. Florida State fell in a rematch to Florida in the national championship. Bowden was honored as the 1996 National Coach of the Year (Home Depot). FSU finished the season ranked No. 3.

### 1997

Bowden and FSU went 11-1 for the second straight season, capped off by a win over Ohio State in the Sugar Bowl. Bowden recorded his 200th victory at FSU. He was named ACC Coach of the Year for the second time. FSU finished No. 3, keeping alive the streak of 11 straight seasons of Top 4 finishes in the AP poll.

### 1998

Bowden led FSU to its second national championship appearance in three years. FSU won another ACC Championship despite falling at NC State 24-7 in only the second ACC loss for the Seminoles since joining the league. FSU went 11-2 and with a Top 4 ranking (No. 3) and 10 or more wins for a 12th-straight season.

### 1999

Bowden led FSU to its first undefeated season as FSU became the first team in the history of college football to go wire-to-wire as the AP No. 1 ranked team. Bowden was named National Coach of the Year (Home Depot), a National Coach of the Decade Finalist (Home Depot) and his Seminoles were honored as the ESPN College Team of the Decade (any sport).

### 2000

FSU played in its third straight national championship game and fourth in five years. The 2000 season was the last of Bowden's streak of 14 straight AP Top 5 finishes and 14 straight seasons of 10 or more wins. The Seminoles finished the season 11-2, 8-0 in the ACC and a No. 5 ranking in the AP final poll.

### 2001

For the first time since joining the ACC in 1992, Bowden's Seminoles did not win the ACC championship but still went to their 11th straight New Year's Day bowl with an invitation to the Gator Bowl where FSU defeated Virginia Tech. With that win, Bowden tied Bear Bryant for second place on the all-time coaching wins list with 323.

### 2002

Florida State returned to the top of the ACC and the Seminoles played Georgia in the Sugar Bowl. FSU concluded the season ranked 21st in the final AP poll. During the season, Bowden recorded his 250th victory at Florida State and 325th victory of his career.

### 2004

Bowden coached FSU to its 23rd straight bowl and a No. 15 final ranking as he recorded FSU win No. 275 and career win No. 350 during the season. ### 2005

Bowden guided FSU to another ACC title in the inaugural ACC Championship game with a 27-22 win over Virginia Tech in Jacksonville which propelled FSU into the FedEx Orange Bowl against Penn State. The game was Bowden's 24th consecutive bowl, as he coached against Joe Paterno in an epic triple OT game.

### 2006

Bowden was inducted into the College Football Hall of Fame. The Seminoles made their longest road trip in school history, venturing 2,600 miles to San Francisco for the Emerald Bowl where they beat UCLA. The game marked FSU's 25th straight bowl appearance and the win extended Bowden's winning-season streak to 30.

### 2007

Bowden earned his 31st consecutive winning season with a 7-6 record and made a Music City Bowl appearance. Bowden reached another milestone in his decorated career when he earned his 300th win at Florida State in a 24-16 victory over Maryland.

### 2008

Bowden coached his 'Noles to a 9-3 record, No. 21 national ranking and a tie for 1st in the ACC Atlantic Division. FSU concluded the season with a win over Wisconsin in the Champs Sports Bowl and touted the nation's longest bowl streak at 27 straight. In FSU's win over Colorado in Jacksonville, Bowden recorded his 500th game as a head coach.

### 2009

On December 1st, Bowden announced that the bowl game would be his last as head coach of Florida State. He was carried off the field in his final game as his Seminoles defeated West Virginia, the school he coached prior to coming to FSU, in the Gator Bowl.

# SEMINOLES' NEW LOOK

## VISION

As Florida State University leads and embraces the future—entering new markets, connecting with new students, faculty and staff, and expanding its presence—it is essential that the Florida State Athletics brand grows with the university. The objective of this exercise is to make sure that the brand is consistent across all applications and captures new audiences in an authentic and meaningful way. The Seminole Tribe of Florida was consulted through the brand development process and approved all modifications of these beloved symbols.

## THE FLORIDA STATE UNIVERSITY ATHLETICS BRAND

What are the elements that make up our Brand Identity? The words you choose. The type you use. The colors, graphics, and imagery you display. A unique and iconic primary logo. The way you position and apply the primary logo. These are the key building blocks that help tell the Florida State story and shape people's perception of Florida State University.

Perfection is in the details. Underlying all Florida State brand expressions is a detailed, well-ordered system of visual assets. This unified system defines the Florida State experience.

## EVOLUTION NOT REVOLUTION

At first glance, the new Florida State Brand Identity System may look revolutionary. It's bold and intriguing. It's designed to serve as an evolution of an already iconic identity and position the brand for the future.

## BRAND ATTRIBUTES

Brand Attributes are a set of characteristics that represent the essence of the Florida State brand. These attributes identify personality traits and serve as a filter for all of the components of the identity system. When you experience the Florida State brand, we want you to be reminded of:

- RESPECT
- INTEGRITY
- STRENGTH
- PRIDE
- CHARACTER
- FIGHT
- PASSION
- LEADERSHIP
- FAMILY
- TRADITION

### PRIMARY IDENTITY—THE SEMINOLE LOGO

The Seminole logo is indisputably iconic and unique to Florida State Athletics. It signals a consistent foundation—honoring the brand equity that has been built across decades of competition while creating distinction and reinforcing the brand for the next generation. The mark is strong, youthful and bold paying off the true attributes of a Seminole Warrior. It purposefully incorporates the Florida State color palette, and with the head held high it expresses our position with purpose and conviction.

The Seminole logo is the primary representation of the brand and is used as the main identifying device for athletics. Reinforcement of the primary identity will build equity in Florida State Athletics. In primary or secondary colors, the Seminole logo works well across all media. With a flexible approach to palettes and logo staging, the Seminole logo now comes alive with renewed spark and energy.

### FSU LOGO

The FSU Logo is a stylistic ligature. At the origin of typographical ligatures is the simple running together of letters in manuscripts. In writing and typography, a typographic ligature occurs where two or more letters are joined as a single glyph.

The FSU Logo was created from the custom unconquered alphabet. It works closely in support of the primary identity to represent Seminole Athletics. This type-based mark gives the identity flexibility while staying consistent with the main look and feel.

## SEMINOLE SPEAR

Perhaps the most spectacular tradition in all of college football occurs in Doak Campbell Stadium when a student portraying the famous Seminole leader, Osceola, charges down the field riding an Appaloosa horse named Renegade and plants a flaming spear at midfield to begin every home game. Together, Osceola and Renegade highlight a pre-game ritual, considered to be one of the most popular in the nation.

Florida State's trademark helmet with the Seminole spear is well known throughout all of college football. This design was first introduced during Bobby Bowden's first year as head coach in 1976. Prior to that season, FSU had used a variety of different helmets ranging from gold with a garnet FSU, solid gold with garnet and white striping, an image of the state of Florida with STATE running down it, and various others. The refined spear now reflects the same visual language as the other elements of the identity system.

## SEMINOLE PATTERN

In the early 1900s, a new decorative technique was developed by Seminole women, now commonly known as patchwork. Early patterns included blocks and bars of alternating color with occasional sawtooth designs that were sewn directly into garments. Patchwork was rapidly adopted as a standard means of embellishing the Seminoles' traditionally vibrant clothing. These authentic and meaningful patterns live on through today's Seminole natives, and are now an official element of the performance apparel palette for Florida State Athletics.

FSU and Nike were determined to incorporate meaningful symbolism into their uniforms and designers included Seminole lore in each element. The Seminole symbols for Fire, Arrow and Man on Horse (top to bottom, repeating) were the inspiration for this unique pattern.

## FSU Fight Song

While the "War Chant" has become familiar at FSU games, the **Florida State fight song still remains the definitive sound of Seminole sports.** FSU's band became the Marching Chiefs in 1950 and with that came the fight song. Tommy Wright, a member of the faculty in the School of Music, was perturbed that the Seminoles had been using "On Wisconsin" and the "Notre Dame Victory March" so he introduced the song in the Sewanee game, setting to music a poem by FSU Alumni Doug Alley.

## History of the Garnet and Gold

Florida State's school colors of **garnet and gold** date back to the Florida State College championship football teams of 1904 and 1905. In those championship seasons, FSC donned purple and gold uniforms. When Florida State College became Florida Female College in 1905, the football team was forced to attend the University of Florida. The following year the FFC student body selected crimson as the official school color of 1905. The administration in 1905 took crimson and combined it with the recognizable purple of the championship football teams to achieve the color garnet. The now-famous garnet and gold colors were first used on an FSU uniform in a 14-6 loss to Stetson on Oct. 18, 1947.

## War Chant

Florida State's "war chant" appears to have **begun with a random occurrence** that took place during a 1984 game against Auburn. In the 1960s, the Marching Chiefs would chant the melody of a popular FSU cheer. In a sense, that chant was the long version of FSU's current "war chant." During a thrilling game with Auburn in 1984, the Marching Chiefs began to perform the dormant

melody. Some students behind the band joined in and continued the "war chant" portion after the band had ceased. Most agree the chant came from the fraternity section, but many spirited Seminole fans added the hand motion to symbolize the brandishing of a tomahawk. The chant continued among the student body during the 1985 season, and by the 1986 season, it was a stadium-wide phenomenon. Of course, the Marching Chiefs refined the chant, plus put their own special brand of accompaniment to the "war chant," for the sound we hear today. Atlanta Braves fans took up their version of the song and chant when former FSU star Deion Sanders came to the plate as an outfielder. The Kansas City Chiefs first heard it when the Northwest Missouri State band, directed by 1969 FSU graduate Al Sergel, performed the chant while the players were warming up for a game against San Diego.

## Goal Posts Salute Peterson

The Bill Peterson era as head football coach at FSU was a time of **great offensive innovation** and of many firsts for the upstart Seminole program, including the first Seminole coach to beat the Gators at Florida Field, coaching the program's first All-American in Fred Biletnikoff and recruiting James Thomas, the first African American player to ever play football at FSU. A tradition of the Peterson era was to enter the field through the goal posts. As a tribute to the players and coaches of the Peterson era and their many firsts, "H" style goal posts were added to the field at Doak Campbell Stadium prior to the 2002 season and will forever be referred to as "Pete's Posts."

## Tomahawks Can Be Won and Lost

Florida State's coaching staff and academic staff **award tomahawks** to individual players for great plays or contributions on the field and in the classroom. Players may get a tomahawk for a crucial play, a touchdown, a saving tackle or various other achievements on the field. In 1997 the Seminoles began receiving tomahawks for outstanding academic achievements as well. They look identical except the word academics runs down the handle of the tomahawk. What many fans do not know is that Florida State players can actually lose tomahawks as well. Poor performance on the field or in the classroom can cause a player to be stripped of the coveted decals.

## SPECIAL LANDMARKS

### "Unconquered"

Dedicated on Oct. 10, 2003, Fritz White's **bronze statue "Unconquered"** was designed to capture the indomitable spirit of the Seminole people and those who have adopted that spirit as a symbol for their university. The massive structure, including its granite-covered pedestal base, stands approximately 31 feet in the air and depicts a spear-brandishing Seminole astride a rearing horse. At sunset the night before each home game, the spear is ignited and burns until sunrise on the next morning after the game. George Langford's endowment of the project for up to \$1 million helped make the statue a reality. Fifty-one artists were then considered before White eventually saw the statue dedicated 10 years after the concept was inspired by attorney and FSU graduate Stephen Reilly's trip to South Bend, Ind. for an FSU football game.

### Sportsmanship Statue

Between Gates B and C of Doak Campbell Stadium stands the one ton, **15-foot tall Sportsmanship Statue** given in honor of Pappy Strum by his daughter Margaret Strum Allesee, who is an FSU graduate and former Seminole cheerleader. The enduring symbol of the most important aspect of athletic competition was sculpted by FSU alumnus and accomplished artist Edward Jonas.

### Three Different Helmets to One

For one season in 1962 the Florida State Seminoles **took the field with three different helmets.** Coach Bill Peterson's three-team system featured the two-way Chiefs, the defensive Renegades and the offensive Warriors with each group wearing a different helmet. By 1963 the Seminoles were back to just one helmet, an all-gold version which once again lasted just one season as the word "State" was added in 1964.

## RETIRED JERSEYS & NUMBERS

Since Florida State University first fielded an intercollegiate football team 56 years ago, only nine numbers/Jerseys have been retired. Those numbers/jerseys — 2, 10, 16, 17, 25, 27, 34, 28 and 50 — belonged to nine of the greatest players in Florida State football history — Deion Sanders, Chris Weinke, Charlie Ward, Fred Biletnikoff, Ron Sellers, Warrick Dunn, Derrick Brooks, Ron Simmons and Terrell Buckley.

With his blessing, Sellers' #34 was brought out of retirement in 2003.

### 25 • Fred Biletnikoff

- Wide Receiver
- 1962-64

Biletnikoff played wide receiver at Florida State from 1961-64 under Head Coach Bill Peterson. He was FSU's first consensus All-American. As a senior, he ranked fourth in the nation with 57 receptions for 11 touchdowns, not including four touchdown catches in the Gator Bowl. Following his collegiate success, Biletnikoff went on to star for the Oakland Raiders of the National Football League for 14 years. During that time, he played in four Pro Bowls and was the Most Valuable Player of Super Bowl XI.

### 2 • Deion Sanders

- Defensive Back
- 1985-88

Deion Sanders' place in the history of college football was immortalized over a five month period in 2011 when he was inducted into the NFL Hall of Fame in August and the College Football Hall of Fame in December. Sanders redefined the position of cornerback over his historic career winning the 1988 Jim Thorpe Award as a senior at Florida State and landing two-time consensus All-America honors. He left FSU second on the all-time interceptions list, first for career punt return yards and having become one of college football's all-time brightest stars.

### 34 • Ron Sellers

- Flanker
- 1966-68

Sellers remains the most prolific receiver in FSU history. He held most of the NCAA receiving records from the end of his senior season in 1968 until 1987. Orange Bowl appearances in 1979 and 1980, resulting in FSU's highest national rankings ever at that time. A dominating nose guard and the Tribe's first two-time consensus All-American, Simmons seemed to camp out in opponents' backfields. He totaled an FSU record 25 quarterback sacks and 44 tackles for loss — a mark that held top ranking at FSU for 23 years. He was the first Seminole defender to have his number retired.

### 28 • Warrick Dunn

- Running Back
- 1993-96

Warrick Dunn's four-year career at Florida State established him as one of the most popular players in all of college football and the finest running back in school history. Dunn is the only Seminole ever to rush for over 1,000 yards in three consecutive seasons. His 3,959 career rushing yards broke Greg Allen's school record set in 1984. He also broke Allen's single season rushing record when he ran for 1,242 yards as a junior in 1995. Dunn has the record for most touchdowns scored in a career with 49 over four seasons and rushed for over 100 yards more times (21) than any player at FSU. He led the Seminoles to an undefeated season and the national championship as a junior in 1999. His 79 career touchdown passes ranked as the 12th best performance in NCAA history and his career passing yards placed him at 18th on the NCAA's all-time list. Weinke owned the first, second and fourth best passing games in FSU history headlined by a school record 536 passing yards against Duke in 2000. His accomplishments were even more impressive considering he suffered a potentially career-ending neck injury as a sophomore. Weinke's place among Florida State's all-time greatest players was recognized when his jersey was retired in 2001, at the time making it one of only seven retired numbers/jerseys in school history. His place among the ACC's all-time best was recognized when he was voted one of the 50 best players in the history of the conference.

### 27 • Terrell Buckley

- Cornerback
- 1989-91

Florida State retired the jersey of former Seminole and NFL star cornerback Terrell Buckley at halftime of the ULM game on Sept. 3, 2011. He became FSU's second Jim Thorpe Trophy winner following the 1991 season and finished seventh in the Heisman Trophy balloting. He totaled 21 career interceptions as a Seminole. Buckley was also one of FSU's all-time great punt returners and he scored seven career touchdowns, four on interceptions and three on punts. He also played two years for the FSU baseball team and ran track for the Seminoles. Buckley was the fifth player taken overall in the 1992 NFL draft by the Green Bay Packers. The Bessemer, Ala., native became the first freshman to collect the ACC Player of the Year honor in the 61-year history of the conference and also nabbed the league's ACC Offensive Player of the Year and ACC Offensive Rookie of the Year trophies. Winston elevated his performance when the stakes were highest, too. He was named Offensive MVP of the BCS National Championship Game after leading the Seminoles to a 34-31 come-from-behind victory over No. 2 Auburn in the Rose Bowl in Pasadena. The Seminoles trailed by 18 points (21-3) late in the second quarter to complete the largest comeback in the game's history. Winston clinched the victory by engineering the game-winning seven-play, 80-yard drive that started with just 1:11 remaining in the game and FSU trailing 31-27 and ended with a two-yard touchdown pass to Kelvin Benjamin to give FSU the lead with 13 seconds left. Winston shattered the ACC record, Florida State record and national freshman record for touchdown passes (40) and broke the national freshman record for passing yards (4,057), while leading the nation and setting the ACC record for pass efficiency rating (184.8). Winston has also been a valuable member of Florida State's nationally-ranked baseball team the past two years as a pitcher and an outfielder, serving as the closer in 2014.

### ED WILLIAMSON (1947) 0-5-0

Ed Williamson was appointed Florida State's first coach just a few weeks before the inaugural football season. He had no stadium, no scholarships and no team name. With only 45 ex-high school players, his teams came close to winning three games that year, although it finished 0-5. Williamson was not paid for coaching the team.

### DON VELLER (1948-52) 31-12-1

Don Veller won 30 of his first 34 games as head coach at FSU before the Seminoles began playing a major college schedule. His overall record included an undefeated (8-0) season in 1950, the year the Tribe moved into Doak Campbell Stadium. Veller owns the second highest winning percentage of FSU coaches (.716). He is credited with laying the early foundation for the FSU football program.

Tom Nugent had a successful coaching stint at Florida State, as indicated by his 34-28-1 record in six years at the Seminole helm. Florida State participated in two bowl games during Nugent's tenure and his 1958 squad was the first FSU team to play Florida. Nugent also served as athletic director while head coach of the Seminoles.

### BILL PETERSON (1960-70) 62-42-11

Bill Peterson took over a football program in deep trouble in 1960. When he left, 11 years and four bowl games later, he had become the most significant coach in the first 25 years of Florida State football. Under "Pete," the Seminoles went 62-42-11. The most memorable Peterson year was 1964, when the "Seven Magnificents" led Florida State to a 9-1-1 record and FSU's first ever win over Florida.

**DARRELL MUDRA**  
(1974-75) 4-18-0

Darrell Mudra was a successful coach before arriving at Florida State, and he was successful after he left. At FSU, Mudra inherited an 0-11 team and wasn't able to bring the program back to the glory years it enjoyed under Bill Peterson. Mudra coached from the press box instead of the sidelines.

**BOBBY BOWDEN**  
(1976-2009) 316-97-4\*

Bobby Bowden spent 34 years at the helm of the Seminole program that he resurrected beginning in 1976. By far the winningest coach in school history, Bowden accumulated more wins than the previous seven head coaches combined. He finished his career as major college football's all-time second-winningest coach. Bowden took the Florida State program to the top of the college football world and won two national championships (1993, 1999). Bowden's Seminoles were one of the most dominant bowl teams ever posting a 22-10-1 record with NCAA records for consecutive bowl wins (10) and consecutive bowl appearances without a loss (14). Bowden is the only coach in the history of college football to lead teams to 10 or more wins over 14 straight seasons. He is also the only coach ever to lead his team to 14 straight finishes among the Associated Press Top Five.

\* Due to sanctions imposed on Florida State by the NCAA, the NCAA recognizes Bowden with 377 overall victories and 304 wins at FSU.

### JIMBO FISHER (2010-Present) 45-10-0

Jimbo Fisher took over the helm at Florida State in 2010 after being named the successor to legendary coach Bobby Bowden on Jan. 5, 2010 and in four seasons has led the Seminoles to a BCS National Championship, two BCS Bowl wins, two ACC Championships, four consecutive bowl victories and three ACC Atlantic Division Titles. In just his first year, Fisher guided the Seminoles to a final ranking of No. 16 in the USA Today Coaches Poll. He led Florida State to the 2010 Chick-fil-A Bowl Championship after a season sweep of in-state rivals Miami and Florida, an ACC Atlantic Division Title and the program's first 10-win season since 2003. His 10 wins were the most by a first-year head coach at FSU and the third-most by a rookie coach in ACC history. In Fisher's second year in 2011, the 'Noles swept in-state rivals Miami and Florida for the second straight year marking the first time since 1998-99 that FSU recorded back-to-back sweeps of the Hurricanes and Gators. FSU also won its fourth straight bowl game with a win over Notre Dame in the Champs Sports Bowl. Fisher's third season culminated with 12 wins, an ACC Championship and a win in the Discover Orange Bowl. FSU finished in the top 10 in both the Associated Press (No. 10) and USA Today Coaches (No. 8) Polls. His fourth season was his best yet, guiding FSU to a 14-0 record for the first time in school history as it won the 2014 Vizio BCS National Championship over Auburn, 34-31, at the Rose Bowl. Fisher's offense amassed an FBS record 723 total points during the season, culminating in the school's third national championship. Florida State averaged 51.6 points per game (second in the country) and allowed just 12.1 ppg (first in the nation). Along the way, several Seminoles captured national honors, including quarterback Jameis Winston, who became the youngest Heisman Trophy winner in addition to collecting ACC Player of the Year honors, the Davey O'Brien Award and the Manning Award. Kicker Roberto Aguayo nabbed the Lou Groza Award, while center Bryan Stork won the Rimington Trophy given to the nation's top center.

## UNIVERSITY ADMINISTRATION

### Garnett S. Stokes, PhD Interim University President

Dr. Garnett S. Stokes was selected as the Interim President of the university by the Florida State University Board of Trustees on March 7, and the appointment was subsequently approved by the Florida Board of Governors.

The appointment was effective April 2 upon the departure of President Eric J. Barron. Dr. Stokes had served as Provost and Executive Vice President for Academic Affairs at Florida State since 2011. Nationally known in her field, she also holds an appointment as a professor in psychology.

President Stokes has focused on several initiatives during her tenure at Florida State intended to elevate FSU into the Top 25-ranked public research universities in the country. Under her leadership university-wide strategic hiring initiatives designed to support students and build research strengths have been launched in areas that address enduring global challenges in which the potential for innovation is high. President Stokes has also been focused on transforming the academic experience for undergraduates to better prepare them for the workplace or graduate school and the communities in which they live. She has promoted the creation of a culture of entrepreneurship and has supported FSU's efforts to be this country's most veteran-friendly university.

She has pledged to continue the momentum of Florida State's rise in rankings and fundraising initiatives, as well as the research and creative activities that support the academic mission as the university conducts a search for a new president.

#### Research focus and academic career

President Stokes' research focuses on personnel selection and promotion, and areas of individual differences such as life history, personality and values. She is a widely published scholar in the area of industrial and organizational psychology and one of the most respected psychologists in her specialty. Much of her research – and the focus of a 1994 book (*Biodata Handbook: Theory, Research, and Use of Biographical Information in Selection and Performance Prediction*) – deals with biodata, involving the use of biographical information in job selection and promotion decisions. She has also focused her research on the use of measures of personality, values, attitudes and life experiences as predictors of occupational choice. She is a co-author of *Patterns of Life History: The Ecology of Human Individuality* (Applied Psychology Series) published in 1990.

As a consultant in the field of industrial psychology, President Stokes has assisted businesses, government agencies and Fortune 500 companies in the development of biographical questionnaires, job selection and promotion tests, and evaluations of training programs.

She is a fellow of the Association for Psychological Science, the American Psychological Association and the Society for Industrial and Organizational Psychology. She earned a doctorate in psychology with a specialty in industrial and organizational psychology and a Master of Science from the University of Georgia. She earned a Bachelor of Arts degree from Carson-Newman College in Jefferson City, Tennessee.

President Stokes is married to Dr. Jeffrey N. Younggren, a practicing forensic and clinical psychologist. She enjoys outdoor activities, especially hiking and cycling, and likes to travel with her husband. She currently serves on the board of the United Way of the Big Bend.

## Stan Wilcox Director of Athletics

Stan Wilcox was named FSU's eleventh full-time Athletics Director in August of 2013. In his first year at the helm, the Seminoles won a National Championship in football, finished second in the nation in women's soccer, advanced to the softball Women's College World Series and finished 12th in the Learfield Sports Athletic Director's Cup.

The 2013-14 year was a success both on and off the field for Wilcox and the Seminoles. Freshman football player Jameis Winston became the youngest Heisman Trophy winner in the history of the sport while pitcher Lacey Waldrop gained similar national recognition as the USA Softball Player of the Year. It was the first time since 2008 the Seminoles had two student-athletes named the best player in the nation in their respective sport. Sixty-five Seminoles earned All-America honors and six student-athletes were named CoSIDA Academic All-Americans, as well.

There was also plenty of success on the conference level. Florida State won more ACC Championships (eight) last year than ever, eclipsing the previous high of five in 2011-12. Individual honors earned by FSU student-athletes during Wilcox's inaugural campaign include nine Seminoles named ACC Performer of the Year, 22 individual ACC Champions and two ACC Scholar Athletes of the Year.

Wilcox came to Florida State from Duke where he served as Senior Deputy Director of Athletics since 2008. During his time at Duke, Wilcox's duties included managing the day-to-day operation of the department and oversight of the football program. Other oversight responsibilities included Human Resources, Contracts, Legal Affairs, Athletics Training, Strength and Conditioning, Equipment, Campus Recreation, Physical Education, Marketing and Promotions, Ticketing, Digital Media, Sports Information and Video Operations. In addition, Wilcox was responsible for coordinating football scheduling.

Before arriving at Duke, Wilcox, a former basketball letterman at Notre Dame, spent three years as the deputy director of athletics at his alma mater. Prior to returning to South Bend in 2005, he served 11 years as an associate commissioner of the BIG EAST Conference.

While working at the BIG EAST Conference, Wilcox was the league's representative to the NCAA Management Council from 2000-05 and served on the Management Council subcommittees on incentives and disincentives, governance,

nominations and the task force to review the NCAA's one-time transfer exception rule. His national compliance responsibilities extended to the NCAA recruiting task force and the basketball issues committee. His internal BIG EAST Conference duties included handling the league's NCAA governance, legislative, enforcement, compliance services and legal issues. In recognition of his outstanding service, he was awarded the 2001-02 National Association of Athletics Compliance Coordinators Outstanding Achievement Award.

Wilcox has spent considerable time during his career expanding opportunities for others. He helped to create the Minority Opportunity Athletics Association and subsequently served as a member of its Board, and from 2003 to 2005 he was President of the Black Coaches Association (BCA) where he also was a Board member for 11 years.

Before his tenure at the BIG EAST, Wilcox worked as a legislative assistant at the NCAA from 1989-94. Prior to that, he worked as a senior court analyst for the Kings County Supreme Court in Brooklyn, N.Y., from 1982-89.

Following his graduation from Notre Dame in 1981 with a degree in economics, he spent one year as an account executive for Serres, Visones & Rice Insurance in New York, N.Y., and as a graduate assistant basketball coach at C.W. Post College.

A native of North Babylon, N.Y., Wilcox played in 100 career games on the hardwood for the Fighting Irish and was a member of Notre Dame's 1978 club that faced Duke in the NCAA Final Four in St. Louis, Mo. He helped the Irish to a four-year ledger of 92-26 with four NCAA Tournament berths. Wilcox went on to earn a juris doctor degree from the Brooklyn Law School in 1988 and is a member of the New York State Bar Association.

He is married to the former Ramona Harrell and has three daughters, Soraya, Yasmeen and Nadia, and Ramona has three sons, James, Brian and Charles.

Before transitioning to her compliance role, Hartmann served as Assistant Director of Athletics for Human Resources beginning in 2008. Prior to her work at Duke, she worked at the University of Dayton for over a decade serving most recently as an Associate Athletics Director and Senior Woman Administrator from 2001-07.

### **Karl Hicks** Deputy Athletics Director for External Operations

Karl Hicks was hired in the spring of 2014 to the newly-created position of Deputy Director of Athletics for External Operations at FSU. Hicks oversees all external operations for athletics including tickets, sports information, marketing and promotions, communications, website and risk management and

will serve as the staff liaison with Seminole Productions as well as oversight of the men's basketball program.

Hicks was the ACC Senior Associate Commissioner for Men's Basketball Operations from 2007-1014. During his seven years at the league office his responsibilities included oversight of all men's basketball operations, as well as management of the ACC Men's Basketball Tournament and two NCAA Men's Tournament second and third rounds hosted by the conference in 2009 and 2012, respectively.

Prior to his role with the ACC, Hicks served as the Assistant General Manager and Senior Vice President of Basketball Operations for the NBA's Charlotte Bobcats from 2003-2007. ## ACADEMIC SERVICES

### Mission Statement

The mission of Student-Athlete Academic Services (SAAS) at Florida State University is to help student-athletes strive for excellence in all aspects of life. This is accomplished by creating an environment that supports academic, athletic and personal achievement, utilizing highly qualified and dedicated support staff and administrative personnel. A combined effort helps individuals become better students, athletes, and citizens, and prepares student-athletes to make transitions to the next level of participation academically and athletically.

More specifically, the drive toward excellence focuses on the advancement of learning, developing leadership skills, and fostering the personal growth of the student athlete, while offering a high quality athletics program. SAAS personnel provide programs that develop meaningful standards of scholarship, leadership, integrity and self-responsibility. This focus extends to all phases of academic and professional development, culminating with graduation and job placement or graduate school.

### Academic Advising

The advisors in SAAS serve as a portion of the advising unit for all student-athletes. The staff advises students through the Liberal Studies curriculum, degree prerequisites and major requirements. Advisors work with the students in a number of areas related to the academic experience at Florida State University, with a primary emphasis in advising and monitoring progress toward the selected degree program, taking into consideration all variables which would enhance or impede each student toward the goal of graduation. By partnering with on-campus major advisors, the SAAS staff provides comprehensive assistance in all areas of university advising.

### Support Services

In addition to academic advisors, student-athletes have the opportunity to work with staff learning specialists. The SAAS learning specialists provide proactive, sustained, individualized support enhancing student success and developing independent learners. Additional responsibilities include academic needs assessments as well as referrals for further testing.

### Tutoring Program

The Athletic Department at Florida State University provides our student athlete with one of the finest and most comprehensive tutorial programs in the nation. The tutorial program is a key support service available to all student-athletes.

SAAS hires approximately 90 tutors a year, from a variety of academic departments, who provide individualized assistance with course comprehension and study skills. The tutoring program provides student-athletes the opportunity to meet individually with tutors, develop refined study habits, learn various ways of approaching and understanding material, and effective test preparation methods.

The "Objective Tutoring Plus" program gives student-athletes additional assistance outside of their normally scheduled tutoring sessions. These sessions, which are scheduled through the student-athlete, advisor, and tutor further engage the student-athlete in the academic process by establishing learning objectives and completing them within in the duration of the appointment.

Tutorial assistance is a free service available to all student athletes in any of their academic coursework and may be obtained by filling out a tutorial request form through GradesFirst website or through discussing their needs with their advisor.

### Seminole Athletics Touts...

- In the Spring 2014 semester, **219 Seminole student-athletes achieved a 3.0 grade point average or better**. In all, nine FSU athletic teams posted a 3.0 semester GPA or better.
- A total of **14 student-athletes posted a perfect 4.0 GPA** with 14 earning President's List honors. 72 student-athletes earned Dean's List honors with a 3.5 GPA or better.
- The Athletic Department posted a cumulative GPA of 2.928 and a 2.824 semester GPA.

### Mentoring Program

The SAAS Mentor Program is designed to assist incoming freshmen, transfers and other select student-athletes with their transition to Florida State University. This developmentally-oriented program creates relationships between the mentors and mentees that foster a well-rounded learning experience in both academics and other aspects of student-athletes' lives.

In these one-on-one meetings, student-athletes work with their assigned mentor in the areas of communicating with professors, note taking, study strategies, university policies, time management and accountability. The overall goal of the Mentor Program is for the student-athlete to move forward from this process so that they are able to proceed throughout the rest of their collegiate career with the appropriate tools to be successful.

### Matt Schmauch Academic Commitment Award

The Matt Schmauch Academic Commitment Award was established in honor and memory of former Academic Support Assistant Director Matt Schmauch, who passed away in June of 2003, and is given annually to a deserving football student athlete. The award does not necessarily go to the football player with the highest GPA. Rather, it goes to the player who is dedicated to getting a degree, is accountable and responsible in the classroom and works everyday to be a better student.

### About Student Services

The Office of Student Services strives to establish a commitment to the total growth and development of each student-athlete. Through the N.O.L.E.S. program (New Opportunities for Leadership, Education & Service), an administrative commitment to academics and athletic excellence, as well as to personal development, these efforts are supported with programs and services in personal, career, and leadership development.

### Personal Development

Fostering the development of personal growth is a fundamental component of the N.O.L.E.S. program. This support program ensures that the student-athletes will be provided with opportunities to focus on personal growth areas such as values clarification, goal setting, fiscal planning, decision-making and personal responsibility. Programming focuses on helping the student-athletes develop a healthy lifestyle while they are at Florida State University and habits that will benefit them throughout their lives.

### Career Development

Preparing for life after college is a major focus of the N.O.L.E.S. program. The program is designed to work in cooperation with Florida State's Career Center to acquaint students with the job search process, provide networking opportunities and ultimately assist with job placement. The program places a priority on the development of the total person, with the goal of developing individuals who will have rewarding and productive lifestyles after they leave Florida State University.

### Community Service

Serving the community is the focus of the Seminole Spirit program. Student-athletes are challenged to give service to our community and individuals who are in need. With a clearly defined program of service, student-athletes are given the opportunity to develop a lifelong commitment to volunteerism. Over the years, our commitment to community service has grown leaps and bounds. The Florida State University Department of Athletics has been recognized by the National Consortium for Academics and Sports for having one of the most successful outreach and community service programs in the nation, impacting the lives of hundreds of thousands of children annually. During the 2013-14 academic year, Florida State's student-athletes performed over 7,000 hours of community service for the second year in a row.

### Leadership Development

The Florida State University Department of Athletics is committed to developing programs of excellence that foster leadership development. Currently, the Office of Student Services offers three leadership programs to our student-athletes. The Student-Athlete Advisory Council (SAAC) has been in place at Florida State for over 15 years and is a fantastic group of motivated student-athletes. The SAAC is made up of FSU student-athletes representing every sports team and the spirit groups. Regularly scheduled meetings occur bi-weekly which gives the members an opportunity to discuss issues confronting student-athletes, here at Florida State, as well as in the Atlantic Coast Conference (ACC) and across the nation. The SAAC at Florida State has many responsibilities: they take the lead on a variety of events, starting with New Student-Athlete Orientation, Peers Helping Athletes Transition (P.H.A.T.) Tuesdays, the Welcome Back Picnic and the Golden Nole Awards

### The Tradition

Consistency. It is the mark of true excellence in any endeavor. However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now, in its 62nd year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it.

Since the league's inception in 1953, ACC schools have captured 136 NCAA team championships, including 71 in women's competition and 65 in men's. In addition, NCAA individual titles have gone to ACC student-athletes 156 times in men's competition and 107 times in women's action. Given the ACC's strong history and the strengthening of its ranks with the additions of Notre Dame, Pitt and Syracuse in 2013, followed by Louisville in 2014, those numbers – and the league's longstanding tradition of excellence – appear destined to only grow greater in the years ahead.

In 2013, Atlantic Coast Conference football enjoyed one of the most successful seasons in history by any Conference. With Florida State winning its third national championship with a perfect 14-0 record, and Clemson winning the Discover Orange Bowl, the league became only the second in history to win the national title and record a second win in a BCS bowl game. For the third time in its history, the ACC set an NCAA record for bowl participation as 11 of its 14 teams earned bids to bowl games. The ACC also finished with 11 football teams sporting winning records, the most for any league since 1932 when the old Southern Conference was a 24-team league.

The ACC also became the first Conference to have student-athletes win the Heisman Trophy (Jameis Winston, FSU), the Nagurski Trophy (Aaron Donald, Pitt), the Outland Trophy Award (Donald), the Lombardi Award (Donald), the Chuck Bednarik Award (Donald), the Doak Walker (Andre Williams), the Lou Groza Award (Roberto Aguayo, FSU), the Rimington Award (Bryan Stork, FSU) and Davey O'Brien Award (Winston) in the same year. The league had 42 players selected in this year's NFL Draft, including four who were the first players chosen at their positions. And for the eighth straight year the ACC led all conferences in football in the APR and for the eighth time in nine years in the GSR (graduation success rate).

### 2013-14 Review

The 2013-14 academic year saw ACC teams capture five more national team titles and nine individual NCAA crowns. In all, the ACC has won 67 national team titles over the last 17 years and has won two or more NCAA titles in 31 of the past 33 years. A total of 207 ACC teams placed took part in NCAA post-season play in 2013-14, including a record 193 in NCAA championships. League teams compiled a 151-82-4 (.646) mark in NCAA championship dual competition.

Academically, the member institutions of the Atlantic Coast Conference again led the way among Power 5 conferences in the latest "Best Colleges" rankings released by *US News & World Report*. ACC member institutions combined for an average rank of 48, marking the seventh straight year that the ACC led all FBS conferences.

### A History

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, N.C., with seven charter members - Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest - drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the Atlantic Coast Conference.

Suggestions from fans for the name of the new conference appeared in the region's newspapers prior to the meeting in Raleigh. Some of the names suggested were: Dixie, Mid-South, Mid-Atlantic, East Coast, Seaboard, Colonial, Tobacco, Blue-Gray, Piedmont, Southern Seven and the Shoreline.

Duke's Eddie Cameron recommended that the name of the conference be the Atlantic Coast Conference, and the motion was passed unanimously. The meeting concluded with each member institution assessed \$200.00 to pay for conference expenses.

On December 4, 1953, conference officials met again at Sedgefield and officially admitted the University of Virginia as the league's eighth member. The first withdrawal of a school from the ACC came on June 30, 1971, when the University of South Carolina tendered its resignation. The ACC operated with seven members until April 3, 1978, when the Georgia Institute of Technology was admitted. The Atlanta school had withdrawn from the Southeastern Conference in January of 1964.

The ACC expanded to nine members on July 1, 1991, with the addition of Florida State University.

The conference expanded to 11 members on July 1, 2004, with the addition of the University of Miami and Virginia Polytechnic Institute and State University. On October 17, 2003, Boston College accepted an invitation to become the league's 12th member starting July 1, 2005.

The ACC added its 13th and 14th members on Sept. 18, 2011, when Pittsburgh and Syracuse accepted invitations to join the conference. The two schools officially joined the ACC on July 1, 2013. Notre Dame also officially joined the ACC on July 1, 2013, after announcing on Sept. 12, 2012, its intention to enter the league for competition in all sports but football, bringing the membership of the conference to 15. The Fighting Irish will play five games with ACC schools each year.

On July 1, 2014, Louisville entered the ACC from the American Athletic Conference. The ACC remained a 15-member conference, with Maryland joining the Big Ten.

## THE SEMINOLE TRIBE OF FLORIDA

### The Unconquered People

By Barry Ray  
FSU Office of News and Public Affairs

As a people, few have prevailed over more trying circumstances than the Seminole Indians of Florida. Over the course of almost two centuries, Florida's Seminoles endured three wars with the U.S. government, resisted numerous efforts to relocate them to federal reservations in the West, and ultimately made their home in one of the world's most inhospitable environments, the Florida Everglades. That they have not only survived, but thrived — all the while maintaining their fierce independence and rich culture — is a tribute to their courage and perseverance. This is their story.

Long before European explorers ever visited the area now known as Florida, native peoples had been living here for thousands of years. In fact, as many as 100,000 members of four Indian nations — the Apalachee, the Tequesta, the Timucua and the Calusa — were living in highly organized settlements throughout the peninsula when the Spanish first arrived in 1513.

The native peoples' lack of resistance to smallpox, yellow fever and other "European" diseases, as well as later slaving raids from the English colonies of Georgia and South Carolina, eventually decimated their numbers. By the mid-18th century, the Indian nations of Florida had ceased to exist.

In their place, groups of Indians from a confederation of tribes collectively referred to as the Lower Creeks began moving into Florida from Alabama and Georgia. They had been pushed out of their former homes by the encroachment of white settlers, as well as by conflicts with other tribes. It was around this time that the name "Seminoles" first appeared; there are several possible explanations as to its origins.

When the first English speakers began arriving in Florida in 1763, they found many Creeks living as *yat'siminoli*, or "free people," across the northern part of the Florida peninsula. ("Yat'siminoli" was a term used in the Mikisúki, or Miccosukee, language, which still is spoken today.) The settlers may have simply ignored the Indians' separate tribal affiliations and called them all Seminoles, or Seminoles.

Others believe that the Seminole name comes from the Spanish word *cimarron*, meaning "wild men" or "unconquered." The Indians may have been given this name because they had escaped from slavery in the English-controlled colonies to the north.

With the end of the American Revolutionary War in 1784, English-speaking settlers began moving southward in ever greater numbers, buying or seizing land from the native inhabitants. By 1813, some of the Creek tribes in Alabama rose up against the white settlers and the Indian tribes that supported them. This conflict, known as the Creek War of 1813-14, proved disastrous to all of the tribes. U.S. troops led by Gen. Andrew Jackson crushed the uprising and forced a treaty on the Creeks that took more than 2 million acres of land from them. Several thousand Creek warriors and their families migrated south into Spanish Florida, where they and the Seminoles increased their resistance to white settlement.

In 1814, such conflicts escalated into the first of three Seminole wars. Over the next four years, Jackson illegally entered Spanish Florida numerous times to burn Seminole villages and kill resistance leaders.

With the end of the First Seminole War in 1818, many Indians moved further into Florida. By 1820, the year before Spanish Florida became a U.S. territory, there were at least 5,000 Seminoles, Creeks and Mikisúki people living here. However, a series of federal treaties failed to protect their rights and, in 1835, war broke out again.

The Second Seminole War (1835-42) proved to be the longest, most costly, and the last of the U.S. wars of Indian removal fought east of the Mississippi River. It also would be the first guerilla-style war faced by U.S. troops. Led by the fierce warrior Osceola, the Seminoles were aided by runaway slaves, who received protection from their allies in return for a portion of the agricultural staples that they grew. These so-called "Black Seminoles" also had a reputation as fierce fighters, and were equally determined to preserve their freedom.

### The Symbol: Seminoles

Florida State would play two games in 1947 before students demanded the school acquire a symbol. While details conflict, most believe the account of a poll of the student body is accurate. The Florida Flambeau reported that Seminoles had won by 110 votes over Statesmen. The rest of the top contenders (in order) were Rebels, Tarpons, Fighting Warriors and Crackers.

In the 1950s, a pair of students dressed in Native American costumes and joined the cheerleaders on the field which eventually evolved into the majestic symbol of Osceola and Renegade that FSU now enjoys. Today, the Seminole Indian Tribe participates in many campus activities.

Florida State University is proud of its longstanding cooperative relationship with the Seminole Tribe of Florida. The Seminole people have suffered many hardships and injustices, but they have remained brave, dignified and proud. The Seminoles are unconquered. They symbolize what we hope will be the traits of all of our graduates, including our student-athletes.

The fighting ended in a stalemate in 1842, and an uneasy peace lasted for 14 years. In 1856, however, Seminole leader Billy Bowlegs and his followers were provoked by U.S. soldiers. They retaliated, and the ensuing series of skirmishes became known as the Third Seminole War (1856-58).

When U.S. troops once more withdrew — again with no treaty or victory — the Seminole Wars finally ended. All told, more than 3,000 Seminoles had been forcibly removed from Florida to the Western territories of Arkansas and Oklahoma. As few as 300 remained in Florida, and they took refuge within the dense swamps of the Everglades. However, their place in history was assured as the only American Indian tribe never to have signed a peace treaty with the U.S. government.

From the 1920s onward, as the development boom exploded in South Florida, the Seminoles lost more and more of their hunting lands to tourists and settlers. They became agricultural workers in the vegetable fields of South Florida, and also ran tourist attractions, wearing their colorful patchwork clothing, producing souvenirs and wrestling alligators.

On Aug. 21, 1957, the Seminole Tribe of Florida was established through a majority vote of Florida's Seminole Indians. This vote gave the Seminoles federal recognition as a self-governing tribe with a constitutional form of government. The Seminole Tribe of Florida now has almost 3,000 members living on five reservations across the peninsula at Hollywood, Big Cypress, Brighton, Immokalee and Tampa.

The Seminoles work hard to be economically independent. Tourism and gaming profits pay for infrastructure and schools on their reservations, while citrus groves, cattle agriculture, aircraft production, tobacco sales, land leases and aquaculture are other significant sources of revenue.

Having persevered through two centuries of adversity, the Seminole Indians of Florida have earned the right to call themselves "the unconquered people." Their indomitable spirit is one that Florida State University proudly seeks to emulate in all of its endeavors.
