Conservative ideas are under attack. YouTube does not want young people to hear conservative ideas as they currently list over 30 PragerU videos-- over 15 percent of our entire collection--under "restricted mode" making it impossible for many young people to access our videos.

Many families enable restricted mode in order to keep inappropriate and objectionable adult and sexual content away from their children--not to prevent them from watching animated, age-appropriate, educational videos.

ADD YOUR NAME TO THIS PETITION, AND TELL YOUTUBE TO STOP BLOCKING PRAGERU VIDEOS.

Here's a list of the over 30 videos we request YouTube remove immediately from restricted mode:

In response to an official complaint we filed, Google specialists defended their restriction of our videos by saying, "your videos aren't appropriate for the younger audiences..."

There is no excuse for Google and YouTube censoring and restricting any PragerU videos, which are produced with the sole intent of educating people of all ages about America's founding values. We need your help to tell YouTube that their restriction of our videos is wrong. Join the thousands of Americans who value the free exchange of ideas.

PLEASE ADD YOUR NAME TO THIS PETITION TO HELP US FREE THESE 30+ VIDEOS SO THAT EVERYONE CAN WATCH THEM.
