(0) A #QAnon thread about "Godfather III".
YOU HAVE TO BE 18 OR OLDER TO READ THIS THREAD.

DO NOT TAG ANY BAD PLAYERS ON MY POSTS

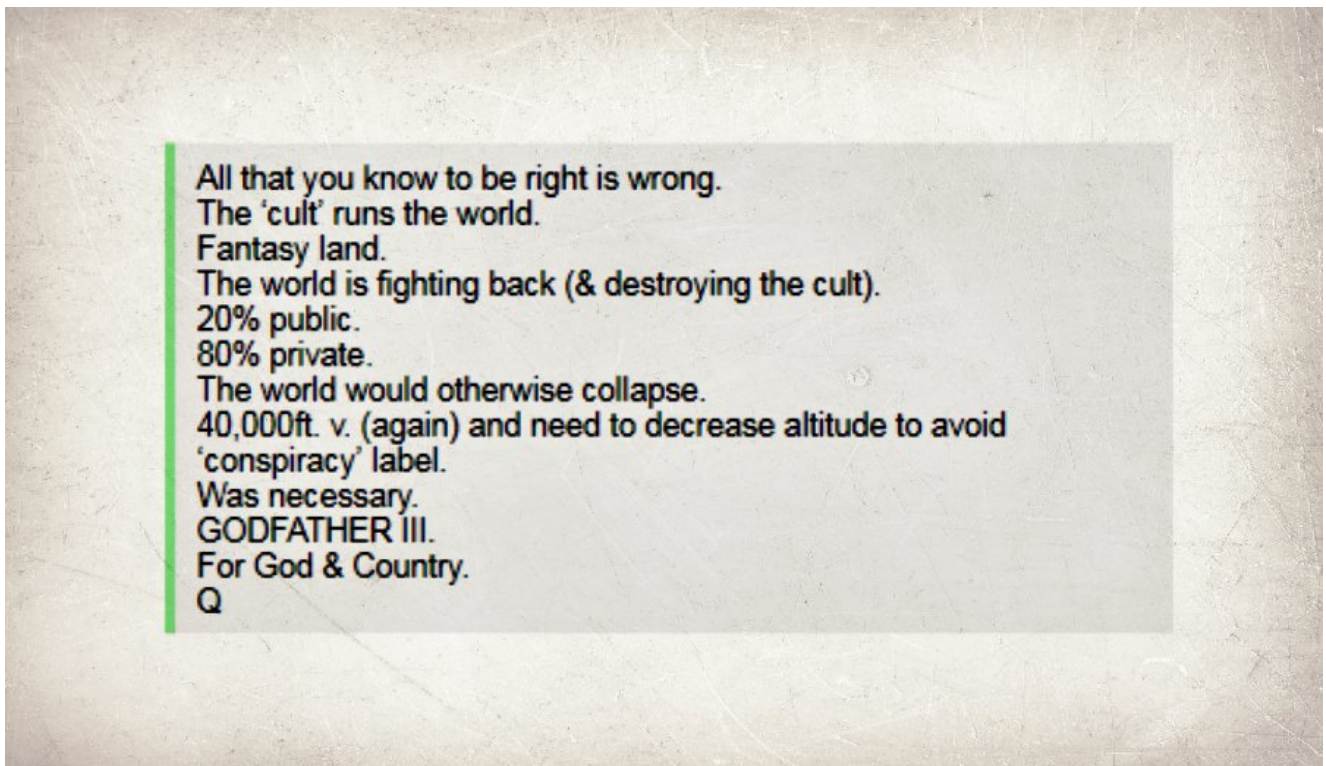

(1) Two quick disclaimers: to keep the story moving, some of the Q drops used will be presented by the most meaningful excerpts.

I will be shining the LIGHT on Catholic crimes, here, but bigoted comments against the edifice of the Church get blocked, like they always are.

(2) So, let's get to distressing Q drop 189 - the biggest reality check, ever.

"All that you know to be right is wrong. The 'cult' runs the world."

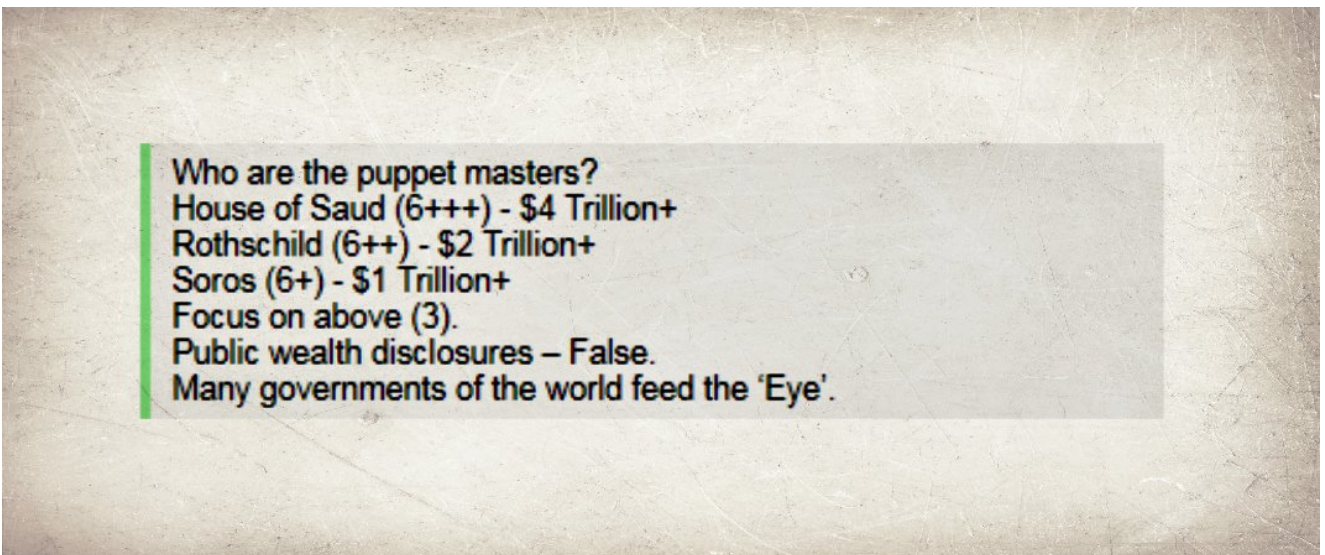

(3) This is a complex thread, so I will present the conclusions up front: it's about the makings of the Cabal, how the Rockefellers were succeeded by George Soros, and how Cabal instated the fake Pope.

(4) Q makes it clear, back in drop 133: "Who are the puppet Masters?"

Saud >> Rothschild >> Soros.

TRILIONAIRES.

(5) Rothschilds : cult leaders, control Banks, Financial Institutions, the Church and fake Pope.

House of Saud: Oil, Technology Co's, Sex Haven for Child Trafficking. Control US and UK Politicians.

Soros: controls transnational organizations, operator of slush funds.

(6) At the beginning of POTUS' mandate, these three families had a tyrant's grip on Earth, controlling the geopolitical realities of the Planet to fit their NWO agenda.

They had the whole world *feeding them* as they left us nothing but crumbs.

(7) What about "Godfather III", the movie?

"The only wealth in this world is children. More than all the money, power on the earth."

(Michael Corleone - Godfather III)

(8) After a life of crime, Michael Corleone wants to complete the seemingly impossible transition into legality and respectability.

(9) He plans to do it through his wealth, his family, and his connections to the Catholic

church.

(10) The Corleones have by now surrendered their criminal enterprises to Joey Zasa, a younger, hungrier gangster.

(11) Michael makes a huge donation to "the poor people in Sicily" via the Church - and is given the title of 'Commendatore' of the Order of Saint Sebastian.

(12) He is well aware the money will never reach the needy - he is playing the game with

ulterior motives.

(13) He tries unsuccessfully to get into business with a Vatican company, his ticket to final respectability.

He is caught instead in the web of corruption in the Church's finances.

(14) He is advised by a good, honest priest, who becomes Pope, only to be poisoned by the corrupt people he was about to expose.

This is at once about John Paul the 1st, but also about the ousting Benedict XVI.

(15) Michael's plans are thwarted by the crooked Archbishop Gilday, in cahoots with his

enemies.

(16) In the end, the tensions of leaving criminal life and trying to enter into Vatican business invite such a level of evil, that unavoidable tragedy abates over his family.

(17) So, in my interpretation of this Godfather III movie analogy, we have the mighty Rockefellers - transitioning from robber barons to philanthropists - and then out the Cabal for good.

(18) David Rockefeller, the youngest son of John D., turned out to be the last power broker in the family.

(19) And their "Joey Zasa" who takes their share of the Cabal is Hungarian financier George Soros.

(20) Soros works in tandem with the Rothschilds, the cult leaders and controllers of the Pope.

(21) The third facet of the pyramid is the Saud dynasty in Saudi Arabia. They can be best represented by Prince Alwaleed Bin Talal - who held sway over both Clintons AND the Bushes.

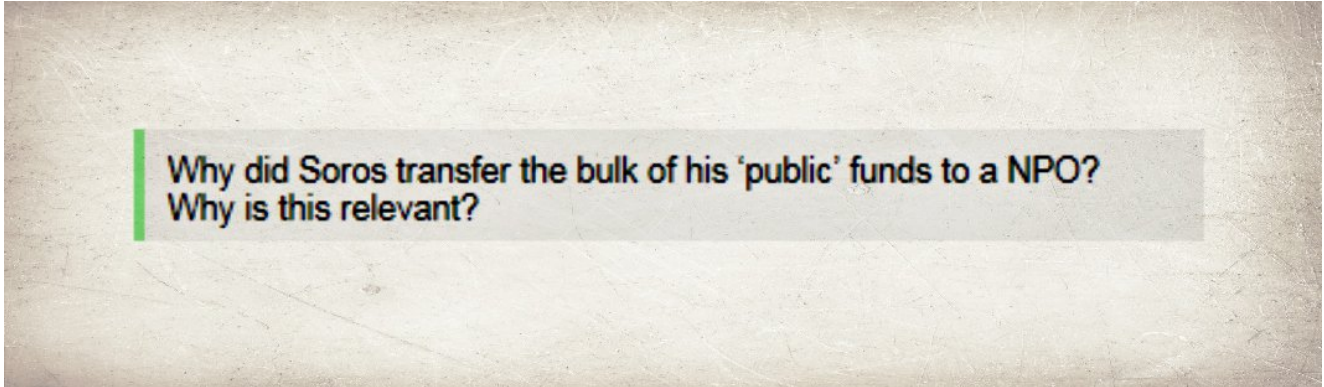

(22) The Globalist Overlords put in place a black controlled usurper Pope.

(24) The Cult spins a global spider web that keeps the Planet in constant turmoil, creating multiple conflicts as ways of keeping *markets open* to their criminal activities.

(24b) Q Drop 36: why did George Soros transfer his wealth to his charity?

(24c) His own "Open Society Foundations", banned from Russia for representing "a threat to the foundations of the constitutional system and the security of the state".

George Soros gives \$18bn to his charitable foundation

Hungary-born financier's donation makes his Open Society Foundations the third largest charitable foundation in the world

The financier **George Soros** has transferred about \$18bn (£13.7bn) to his human rights foundation, bringing his lifetime giving to \$32bn and making the foundation one of the world's largest.

The donation makes Soros's **Open Society Foundations** the third largest charitable foundation in the world, behind the Bill and Melinda Gates foundation and the Wellcome Trust.

Officials from the foundation told the **Wall Street Journal** and the **New York Times** that the Hungarian-born investor has increased the pace of donations from the proceeds of his successful hedge fund. The latest combined donations of \$18bn represent the bulk of Soros's estimated fortune of \$23bn.

Open Society works globally to "build vibrant and tolerant democracies" and has given away nearly \$14bn since it was founded in 1979.

(24d) The reason why can be found in this EO from December 2017, that provides for asset seizure from persons involved in Serious Human Rights Abuse and Corruption.

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 et seq.) (IEEPA), the National Emergencies Act (50 U.S.C. 1601 et seq.) (NEA), the Global Magnitsky Human Rights Accountability Act (Public Law 114-328) (the "Act"), section 212(f) of the Immigration and Nationality Act of 1952 (8 U.S.C. 1182(f)) (INA), and section 301 of title 3, United States Code,

I, DONALD J. TRUMP, President of the United States of America, find that the prevalence and severity of human rights abuse and corruption that have their source, in whole or in substantial part, outside the United States, such as those committed or directed by persons listed in the Annex to this order, have reached such scope and gravity that they threaten the stability of international political and economic systems. Human rights abuse and corruption undermine the values that form an essential foundation of stable, secure, and functioning societies; have devastating impacts on individuals; weaken democratic institutions; degrade the rule of law; perpetuate violent conflicts; facilitate the activities of dangerous persons; and undermine economic markets. The United States seeks to impose tangible and significant consequences on those who commit serious human rights abuse or engage in corruption, as well as to protect the financial system of the United States from abuse by these same persons.

Lord's Prayer: Pope Francis calls for change

The Pope is suggesting changes to Christianity's best-known prayer

Pope Francis has called for a translation of a phrase about temptation in the Lord's Prayer to be changed.

The current wording that says "lead us not into temptation" is not a good translation because God does not lead humans to sin, he says.

His suggestion is to use "do not let us fall into temptation" instead, he told Italian TV on Wednesday night.

The Lord's Prayer is the best-known prayer in Christianity.

The pontiff said France's Roman Catholic Church was now using the new wording "do not let us fall into temptation" as an alternative, and something similar should be used worldwide.

"Do not let me fall into temptation because it is I who fall, it is not God who throws me into temptation and then sees how I fell," he told TV2000, an Italian Catholic TV

Led not into temptation: pope approves change to Lord's Prayer

New wording for Catholics asks God not to 'let us fall into temptation'

Its words are memorised by Christian children all over the world and repeated at almost every act of Christian worship: "Our Father, who art in heaven ..."

Now **Pope Francis** has risked the wrath of traditionalists by approving a change to the wording of the Lord's Prayer. Instead of saying "lead us not into temptation", it will say "do not let us fall into temptation".

The new wording was approved by the general assembly of the Episcopal Conference of Italy last month. It will appear in the third edition of the *Messale Romano*, the liturgical book that contains the guiding texts for mass in the Roman Catholic church.

The **pope said** in 2017 he believed the wording should be altered.

(49) The prayer was originally composed and spread in Aramaic, and went through Greek and Latin versions before ever getting to the west.

Who is Cardinal George Pell and what is he accused of?

The Australian is the most senior member of the Catholic church to face trial for alleged historical sexual assault

Who is Cardinal George Pell and why is he important?

Pell is essentially the treasurer of the Vatican and the Holy See in Rome, a high-ranking position that puts him third in charge after the pope. Prior to his appointment to the Vatican in 2014, he held senior positions within the Catholic church in Australia, including the archbishop of Sydney and the archbishop of Melbourne. He is Australia's most senior Catholic, and he was once believed to be in the running to replace Pope Francis when he dies. Pell is now also the highest-ranking Catholic official in the world to be facing trial over historical sexual offence allegations.

What has happened to him?

In June, Pell was charged with historical sexual assault offences by Australian police in the state of Victoria. Pell's legal representatives in Australia were served with the charges which relate to multiple complainants and offences alleged to have occurred in Victoria. From the moment the charges were delivered, Pell has strenuously denied all of the allegations.

WikiLeaks: Clinton, Obama, Soros Overthrew Pope Benedict In Vatican Coup

A GROUP OF CATHOLIC LAY LEADERS HAVE ASKED PRESIDENT TRUMP TO INVESTIGATE THEIR CLAIMS SOROS, OBAMA AND CLINTON ORGANIZED A VATICAN COUP TO INSTALL RADICAL LEFTIST POPE FRANCIS

February 1, 2017 • Baxter Dmitry • News World • 70

George Soros, Barack Obama and Hillary Clinton orchestrated a coup in the Vatican to overthrow the conservative Pope Benedict and replace him with radical leftist Pope Francis, according to a group of Catholic leaders citing evidence from various sources including WikiLeaks emails.

"Specifically, we have reason to believe that a Vatican 'regime change' was engineered by the Obama administration," say the petitioners, in their January 20 letter to President Trump.

"We were alarmed to discover," their letter notes, "that, during the third year of the first term of the Obama administration your previous opponent, Secretary of State Hillary Clinton, and other government officials with whom she associated proposed a Catholic 'revolution' in which the final demise of what was left of the Catholic Church in America would be realized."

The letter includes links to documents and news stories underscoring their claims. It first directs attention to the notorious Soros-Clinton-Podesta e-mails disclosed last year by WikiLeaks, in which Podesta and other progressives discussed regime change to remove what they described as the "middle ages dictatorship" in the Catholic Church.

Regarding the Podesta e-mails in question, The New American [reported](#) last October:

"Podesta, a longtime Clinton adviser/confidante and hand-picked top activist for left-wing funder George Soros, revealed in a 2011 e-mail that he and other activists were working to effect a "Catholic Spring" revolution within the Catholic Church, **an obvious reference to the disastrous "Arab Spring" coups organized that same year by the Obama-Clinton-Soros team that destabilized the Middle East and brought radical Islamist regimes and terrorist groups to power in the region.** The Podesta e-mail is a response to another Soros-funded radical — Sandy Newman, founder of the "progressive" Voices for Progress. Newman had written to Podesta seeking advice on the best way to **"plant the seeds of the revolution" in the Catholic Church**, which he described as a "middle ages [sic] dictatorship."

In their letter to President Trump, the group of Catholics leaders write: *"Approximately a year after this e-mail discussion, which was never intended to be made public, we find that Pope Benedict XVI abdicated under highly unusual circumstances and was replaced by a pope whose apparent mission is to provide a spiritual component to the radical ideological agenda of the international left. The Pontificate of Pope Francis has subsequently called into question its own legitimacy on a multitude of occasions."*

"We remain puzzled by the behavior of this ideologically charged Pope, whose mission seems to be one of advancing secular agendas of the left rather than guiding the Catholic Church in Her sacred mission," they say, expressing the thoughts of millions of Catholics around the world stunned by Pope Francis's left-wing ideology. *"It is simply not the proper role of a Pope to be involved in politics to the point that he is considered to be the leader of the international left."*

COFFEE HOUSE US ELECTION

How the Democrats infiltrated the Catholic Church

Damian Thompson

Right-wing Americans see liberal conspiracies everywhere. Often their claims are fatuous — Donald Trump has just announced that the 2016 presidential election has been ‘rigged’ — and sometimes they incorporate poisonous myths about Jewish puppet masters. But liberals, like activists across the spectrum, do occasionally engage in co-ordinated plotting. The question is: what would a real liberal conspiracy — as opposed to some noxious far-right fantasy — look like, and how would it operate?

GOP rep touches off firestorm with claim FBI leaked info, used stories to get FISA warrants

FBI documents show Russia dossier author deemed 'not suitable for use': Judicial Watch

Judicial Watch President Tom Fitton on how the FBI released 70 pages of heavily redacted records, which showed that ex-British spy Christopher Steele was admonished and deemed unsuitable as a confidential human source.

A Republican congressman touched off a firestorm Tuesday after claiming on Twitter that his office had information suggesting the FBI leaked information to the press and used the resulting articles to help obtain surveillance warrants.

"We've learned NEW information suggesting our suspicions are true: FBI/DOJ have previously leaked info to the press, and then used those same press stories as a separate source to justify FISA's," House Freedom Caucus Chairman Mark Meadows, R-N.C., tweeted overnight.

The claim stemmed in part from FBI intelligence analyst Jonathan Moffa's Friday testimony behind closed doors before the House Judiciary and Oversight committees.

But what exactly Moffa told the committees is a matter of dispute.

A source with knowledge of the testimony initially told Fox News that Moffa said FBI personnel would use media reports based on information they leaked to justify applications for Foreign Intelligence Surveillance Act warrants, echoing Meadows. The source said Moffa, who worked with controversial former FBI officials Peter Strzok and Lisa Page, acknowledged this "had been a practice in the past."

President Obama in the Oval Office in May 2011. Sources speculate that a new emergency bunker may be built underneath the White House. Official photo by Pete Souza.

As part of a major, two-year overhaul of the West Wing, **President Obama** will move into a replica of the Oval Office, which will be located in the Eisenhower Executive Office Building, adjacent to the White House.

Real Clear Politics' **Alexis Simendinger** has the scoop this morning. She reports that the "new" Oval Office will be ready by August, if the President is ready to move and "if design challenges are resolved."

"This week, fresh lumber and rebar are visible as walls rise out of the ground at 17th and State streets NW, at the southwest corner of the executive office building that began as home to the U.S. War Department in 1888. The small construction site, which is shrouded from view by tall chain-link fences and forest-green tarps, signals one of the preparatory phases for the eventual West Wing overhaul, according to sources familiar with the plans."

My colleague Carol Joynt first reported last year that the President would be relocating sometime in 2013.

More intriguing still is why exactly the President is being relocated at all. For months now, the speculation among some of my sources has been that the White House is building a secure command and control facility underneath the existing structure. These people used to work in the White House in national security positions, and their informed speculation is that the President is going to get a state-of-the-art bunker from which he would be able to issue commands in a time of emergency, such as a terrorist attack on Washington. (Current White House officials have been tight-

as a terrorist attack on Washington. (Current White House officials have been tight-lipped, and the official line is that all the underground construction is for “infrastructure” repair.)

The existing White House “bunker,” the Presidential Emergency Operations Center (PEOC), is not up to the task, my sources say. Many will remember what a difficult time Vice President **Dick Cheney** had on September 11, 2001, when, while holed up in the PEOC, he had trouble keeping in constant communication with President Bush, who was hopping around the country aboard Air Force One. The PEOC is a Cold War relic, outfitted with some sleeping quarters and provisions for the President and a small number of staff. But it’s not capable of serving as a modern command post. The White House Situation Room, which was renovated in 2007, would suffice as a presidential command center, but only if there is no surrounding threat to the President’s safety, sources say. If the White House were physically damaged in an attack, or if the air outside were filled with chemicals, biological agents, or radioactive material, the President would have to shelter in place, perhaps for an extended period.

In this regard, the physical location of the mysterious new structure is telling. Construction began in a deep pit in front of the West Wing. It encompassed West Executive Avenue, which separates the White House from the adjacent executive office building. This proximity to the Oval Office suggests that the facility is designed for the President to be able to get there quickly. Presumably, if the White House were affected by an attack that made the outside air dangerous to breathe, the Secret Service would not want to evacuate the President by taking him outside. (There is direct access to the Colonnade and the Rose Garden from the Oval.) Some speculate that since the Oval Office itself is being so significantly renovated—work could last for more than a year—the plan might be to install direct access from the Oval to the new underground structure bunker, a sort of emergency exit or “trap door.” I’m told by one former White House official that there is a crawl space beneath the existing Oval Office, but that there’s not, as yet, any way to evacuate the President without taking him out of the office itself, whether outside or through the West Wing. That could change.

Michelle Obama

Michelle LaVaughn Robinson Obama (born January 17, 1964) held the office of First Lady of the U.S. as the wife of Barack Obama. She is the first African American First Lady. As First Lady, she has repeatedly gone on extravagant vacations at enormous taxpayer expense, including a \$100,000-per-day trip to Spain in the summer of 2010 to enjoy lavish accommodations.^[1]

Michelle was born and raised on the south side of Chicago. She attended Whitney Young High School in 1981, later majoring in sociology and graduating *cum laude* at Princeton University, and she then went on to obtain her J.D. degree at Harvard Law School in 1988. She is also sister to Craig Robinson, coach of the Oregon State University's men's basketball team.

Michelle's parents are Fraser Robinson III (died in 1991) and his wife, Marian, who married in 1960. The *New York Times* wrote, in an article entitled "In First Lady's Roots, a Complex Path From Slavery," that Michelle's ancestry includes slaves: "Melvinia Shields, the enslaved and illiterate young girl, and the unknown white man who impregnated her are the great-great-great-grandparents of Michelle Obama, the first lady ... the more complete map of Mrs. Obama's ancestors — including the slave mother, white father and their biracial son, Dolphus T. Shields — connects the first African-American first lady to the history of slavery, tracing their five-generation journey from bondage to a front-row seat to the presidency."^[2] (Dolphus Shields was a very light skinned, church-going carpenter who could read, write and advance in an industrializing town.) Some of Michelle's relatives still reside in South Carolina.

Michelle was employed at the law firm Sidley Austin along with Weather Underground terrorist Bernardine Dohrn,^{[3][4]} where she met Barack Obama. In 1991 Valerie Jarrett, Deputy Chief of Staff for Mayor Richard Daley, offered Michelle Robinson a job as Assistant to Mayor Richard Daley.

She served as vice president of the University of Chicago Medical Center. Michelle earned \$317,000. per year as a board member dealing with community relations. She had resigned those positions to campaign for Barack.

Forming a domestic union in 1992, the Obama's have two daughters: Malia (born in 1998) and Natasha "Sasha" (born in 2001). She committed to campaign only two days out of the week during the election campaign in order to stay home with their children.

Convicted terrorist Bill Ayers stated: "Michelle Obama has become the queen not just of America but of the world."
