The Finders.  
Highlights from the FBI document release.

[vault.fbi.gov/the-finders/th...](https://vault.fbi.gov/the-finders/th...)

From pg9.  
Included the impregnation of women.

What kind of "normal child exploiters" have time and operational security to BREED kids to be abducted?

Reminds me that Jeffrey Epstein was heavy into selective breeding research.

These people are sick.

UNSPECIFIED PURPOSES. THE INSTRUCTIONS ALLEGEDLY INCLUDED THE  
IMPREGNATION OF FEMALE MEMBERS OF THE COMMUNITY, PURCHASING

The Finders were caught many times, but various prosecutors declined to press charges.  
FBI, State Dept, and others helped cover it up every time.

Allegations of CIA employee involvement

pg35-36  
Search warrants executed.  
Nothing found.  
Tipped off?

A request that FBI review original first-hand Finders docs instead of rely on previous agents summaries or review reports.

It was noted that permission would be required to see the direct evidence.

**During a meeting at DOJ with Section Chief Bergasser and DOJ Attorney [redacted] on 10/28/93, it was pointed out that a written request from the FBI or DOJ would be required before any records could be obtained from DOS [redacted] for review by the FBI. During that meeting, Mr. Bergasser requested that the FBI prepare a communication to [redacted] DOS and let him review it before it was sent to those agencies.**

pg40

For some reason the U.S. Customs Service is the agency with briefing materials on the "Finders". DOJ and FBI have to request copy of materials from USCS.

This has been going on for years, many agencies knew.

48-hours TV show was going to air a segment. Haven't found it.

**concerning these allegations to DOJ. He is concerned that several Congressional subcommittees may be looking at the "Finders" matter and that the TV documentary "48 Hours" plans to air a segment on it.**

A search for media turned up interesting article.

Bloodletting, rituals, and exploring satanism are mentioned.

Children report their teachers were known as "Game Caller" and "Stroller".

Numerous properties and adults were discovered to be involved.

[washingtonpost.com/archive/politi...](http://washingtonpost.com/archive/politi...)

Neighbors of one property said the residents were "a close-knit group" of feminists who liked to help people and were not a cult.

So these were smart articulate people that blended in well...

back to the FBI report

pg41 of the FBI report contains info about this same case just discussed from media link.

U.S. Attorney for DC declined to prosecute despite extensive evidence of abuse and satanic rituals. Case was complicated by the mothers being found, and possibly having given consent.

pg48-49

Tunnels found at McMartin Pre-School  
Pentagrams, bones..

WTF??

"Due to severe time constraints our archaeology team was unable to further explore the extent of the tunnel networks."

Really? Who shut them down?

Due to severe time constraints our archaeology team was unable to further explore the extent of the tunnel networks. Above documented through photographs, notes, graphs, diagrams and charts. For more details call (213) 854-5172.

pg50 - 1991

Jurisdiction memo about how U.S. Postal Service, FBI, and U.S.CS carve up the turf on child crimes. U.S.CS has jurisdiction over "interdiction and international distribution of child pornography". So it was already a known international issue.

"Recently the USCS experienced a massive reorganization. This... caused the Child Porn and Protection Unit to be integrated into the Smuggling Investigations Division. All Units, Branches, and Sections were eliminated during the reorg."

♣ So somebody had the power to wipe agents.

pg52-53

Very good summary of timeline of the whole event with 6 kids.

Search warrant got shut down.

Agents denied access to the evidence collected.

Redacted Agency "advised that all reports regarding Finders are to be classified at the Secret level"

Children discovered in Tallahassee were turned over to individuals "claiming to be parents or guardians". No further MPD, FBI, or USCS involvement.

"As far as is known, no details of [redacted agency] involvement ever became public.

CIA buried the whole thing. Why?

pg66

FBI aware of Finders since 1971

CIA "claims there only involvement was that [redacted] was a former employee" and they were monitoring the investigation from the beginning.

pg67

Writer believe Finders are a CIA op feeding disinfo to various targets as ordered

### The Finders Investigation

---

#### Summary:

It is the writers belief that the Finders organization is and has been utilized by the Central Intelligence Agency as a disinformation service spreading non essential, non-critical information to various organizations throughout the United States and overseas. This group to the most part is made up of over-educated non-achievers who lacked the inborn intitative to succeed on thier own. Therefore they fell in with a charismatic leader who gave them direction and self importance. To the most part this organization individually is harmless, However when directed and monitored by a controlling factor they are capable of destructive and illegal activities. As in any cult structure the main drive is for the group and individual values and ideology is lost, Therefore when a member is asked to perform a task that hereto fore may have been objectionable, He or She performs this mission for the good of the group.

As to the abuse of the children; I do not think that child abuse was a planned tactic of this group, but as in any cross section of society, sick and demented subjects belong to a cult as well. I do believe that the shaping of the children is a planned experiment of this group as in the case of the Nazi's they strove for a perfect society, thereby in thier own way tried to form a group of children and ultimately adults that did not suffer from the ill's of normal society, but took only the benefits that afforded them perfection.

Lastly I do not feel that the Finders have disbanded as reported by thier leaders be instead, as reported in thier master plan, have appeared to disband to prevent further detection by law enforcement or social service officials. I firmly believe that this group should be monitored in a general sense and if further developments occur they should be noted.

pg68

CIA admits leader, Isabelle, was employee from 1950 to 1971, which happens to be when cult started...

During war time Finders people visited restricted Mosco, North Korea, and North Vietnam "which could only have been arranged by the CIA."

pg69

Agents try to pass a report to contact in Europe, but the disc is intercepted.

☞ Proves there was already a multinational Intelligence coverup of child exploitation by 1987, and probably much earlier than that.

[redacted] Did not know that the person he turned the information over to in Europe was a source of this office and is not aware that the Source brought the Disc back to this office. [redacted] actually transferred the disc in London. Det [redacted] then turned the Disc over to WFO/FBI, Counter Intelligence office for analyzation. We have not been apprised of the results of that alaysis, nor do we expect to be.

Regardless of what type operation they may be ~~advised~~ engaged in, there will be no justification for the way the children have been treated, and the matter will be addressed in Family Division, Superior Court.

pg70

First mention of FINDERS' KEEPERS

So, they think the name Finders is some kind of joke and if they snatch kids it's the parents fault for losing them?

Another Finders property location

The big question.

Were they "finding" kids for the Agency?

Are they the MK Ultra Hollywood stars we know so well now?

Or were they finding them for trafficking customers?

Both?

pg89-95

FBI tries to open an obstruction of justice case to determine if US Intelligence is involved

This is almost all about ONE CASE in 1987 that they didn't manage to squash, or we wouldn't know about it.

Tunnels under a school were never explained or fully explored.

Tip of the iceberg.

On 10/22/93, [redacted] JENSEN BEACH ELEMENTARY SCHOOL, was contacted. [redacted] advised that in the past year, three to five families had withdrawn their children from the JENSEN BEACH ELEMENTARY SCHOOL based on rumors of cult activities and child abuse involving employees at her school.

A variety of cover up letters back and forth between agencies.

From all the crumbs... it's possible to deduce a great many things about the Finders, and the CIA. This is MUCH bigger than just the 1987 case they didn't manage to squash. Dozens of locations. 1,000s of covered up crimes over decades. Monitoring of lower agencies to stop them.

One thing I'm sure of...

It's not a coincidence that this Damning evidence about the CIA has just come out today. Same day criminal investigation against former CIA director comes out.

CIA reign of terror is about to be over.

Trump is destroying it.

They can't stop him.
